EVENING WEDDING AT SAINSBURY HOME

MISS LENA SAINSBURY AND SETH JONES UNITED.

Ceremony was Performed by Rev. Dr. De Gruchy in the Presence of a Large Number of the Friends of the Young People—A Delightful Reception Followed—Funeral of Miss Annie Yearsley—Remains of Mrs. Elizabeth Davis Taken to New York State for Burial.

The home of Mrs. Sainsbury, at 205 South Main avenue, was the scene of a pretty wedding last evening at 8 o'clock, when Rev. Thomas de Gruchy, pastor of the Jackson Street Baptist church, united in marriage her daughter, Lena, to Seth Jones. They were attended by Miss Bertha Chestnut and Thomas Francis.

The ceremony was performed in the presence of a number of relatives and friends of the contracting parties. While the bride and groom stood under an arch of ferns, surrounded by tall palms, Dr. de Gruchy pronounced the words which united them for life. The bride and her maid both carried bridal veils.

The house was adorned with palms and potted plants. The dining room was artistically embellished. In another room were displayed numerous costly and useful remembrances from friends.

At the conclusion of the ceremony a delicious repast was served and a reception followed. Mr. and Mrs. Jones will dispense with a wedding tour and begin housekeeping in a newly furnished home.

Yesterday's Funerals. The funeral of the late Annie Yearsley, the young daughter of Mr. and Mrs. Thomas Yearsley, of Frink street, was held yesterday afternoon from the late home, W. H. Crawford officiated at the services, which were largely attended. Interment was made in Washburn street cemetery.

The remains of the late Mrs. Elizabeth Davis, of 508 Eymon street, were taken to Apalachin, N. Y., at 8:30 o'clock this morning, where services were conducted and the remains interred. A short service was held at the house prior to departure.

An immense concourse of friends assembled at the Holy Cross church yesterday for the funeral of the late Mrs. Elizabeth Davis.

VAUGHAN DOES NOT DESPAIR. Believes the Ordinance He Helped to Frame Will Pass.

Select Councilmen Chittenden and Vaughan, the fathers of the fire department reorganization ordinance which were turned down by the fire committee of select council Thursday night, are already preparing for the fight which they are to make in that branch of councils to have their measure passed and the substitute ordinance to be introduced by the fire committee, killed.

Mr. Chittenden was surprised at the action of the committee and is rather discouraged at the outlook, while Mr. Vaughan, who is not at all antagonized at the committee's action, believes that the ordinance drafted up by Mr. Chittenden and himself can be passed.

It is understood that the plan of campaign will be to move next Thursday night, when the substitute ordinance is introduced, that action on it be postponed indefinitely and that the Chittenden-Vaughan measure be brought before the house. The vote on this motion, which will undoubtedly be close, will show just how the wind blows.

"Well," said Mr. Vaughan last night, "I see they gave our ordinance twenty minutes consideration. That's pretty good. Yes, that's very good. This schedule of permanent men arranged by Mr. Melvin and which is to be drafted into a substitute ordinance is very cleverly arranged, I must say."

"It gives pretty nearly every one of the twenty-eight councilmen having companies in their wards a new permanent man or two. I suppose they think that by this means they're going to get it through for once."

Another meeting is to be held on Monday night, July 16, when the committee will report.

SPECIAL EXCURSION CARS. They Will Be Run Each Night by Scranton Railway Company.

Commencing today, the Scranton Railway company will run a special car for the benefit of those who may care to take a pleasure trip in the evening, from Franklin avenue and Lackawanna in Scranton, to Olyphant, via Dunmore and Throop.

The car will make two trips on each evening, when the weather is fair and warm, and on the first trip will leave Franklin and Lackawanna avenues at 7:15 p. m., and on the second trip will leave the same point at 8:55 p. m.

The rate of fare will be thirty cents for the round trip, and the number of passengers will be limited to four to each seat of the car, which will be an open car. In the city the ride will be over the Laurel Hill line to Dunmore. These trips will be made daily, as above stated, and will be continued during the summer, if sufficient patronage develops to warrant it.

The car will be designated by signs reading: "Special Car." The ride over this route is probably the prettiest in the vicinity of Scranton.

THE TURNPIKE QUESTION. Luther Keller Wants Opinion from the City Solicitor.

Luther Keller, chairman of the streets and bridges committee of council, has requested City Solicitor Vosburg to prepare a written communication giving all the legal points involved in the contract existing between the Abington Turnpike company and the city, and explaining just how far the city is liable.

This is to be prepared before next Thursday night's meeting of council and will be used on that occasion by Mr. Keller to offset any claims that may be made by those who oppose the repairing of the road.

BOND ORDINANCE DELAYED. Important Measure Will Have to Lay Over Until Thursday.

The failure of select council to meet on Thursday night put back the bond ordinance a considerable length of time. It was the original intention to have this measure pass two readings on Thursday night and then to call a special meeting for Friday night to have it pass third and final reading.

Council does not meet again now until next Thursday night, when the ordinance will come up. It is important that it be passed immediately, as a number of sewer ordinances are already passed and bids cannot be advertised for until the bond issue is authorized.

Historic Guelph Mill to Be Razed.

Scranton, Pa., July 6.—The famous old Guelph mill, near here, which in colonial days supplied flour to Washington's troops, while they encamped in its vicinity en route to Valley Forge, is to be torn down. The mill was built on the grounds from Dec. 12 to 15, 1777. The Guelph mill was erected in 1781. A monumental consisting of a slender nine feet high, taken from an adjacent hill and erected upon a substantial foundation by the Pennsylvania Society of the Sons of the Revolution in 1892, marks the foregoing facts.
