PEOPLE WILL DECIDE.

Water Ordinance Passes Final Read-

ing in Select Council. Select council met last evening and passed on third and final reading the ordinance providing for an election on the municipal water question. All voted for it except Dr. Fletcher, and he ? I to be excused from voting. His to st was granted.

There was to have been a joint session of the councils to elect a city engineer, but the commoners could not get a quorum. Messrs. Collins, Loftus and Nealon remained out in the hall when only one was needed to complete the quorum, but they were evidently

not ready to vote on that matter. There are two candidates, John P. McLaughlin, of this city, and George Leighton, of Elmhurst. The latter seems to be in favor, while the Mo-Laughlin supporters hope to gain strength by delay.

On motion of Mr. Mannion, councils adjourned to meet in joint session next Monday evening at 7.45.

ACCIDENTS.

James Steele, of Belmont street, a brakeman employed on a switch engine at the Mayfield yard on the Ontario and Western railroad, sustained a very serious injury this morning and is now confined to Emergency hospital with his life in great danger. Steels was letting two cars into a switch about 11.20 o'clock, when the brake beam broke throwing him in front of the moving cars, which passed over severing both his legs, one below the knee and the other above the knee.

CONTRACT ANULLED.

The annulment of the contract made between the old board and the principal of the high school was the most remarkable thing done by the school board at its last meeting. The bill of extras was cut down to \$900 and paid. The original was nearly \$2,600. Protessor Hockenberry was appointed as he board representative on the semicentennial committee.

Shortly after noon yesterday Mayfield was visited with a fierce conflagration. A double dwelling house occupied by Thomas Cavanaugh and family and the Pontchtatick family, was totally destroyed, as well as nearly all the houshold furniture and effects of both families. The William Walker Hose company responded to the alarm but the fire had attained such headway that it was seen both houses were doomed from the first, and in spite of the firemen's efforts both houses were

completely destroyed. About two hours later the people of Jermyn were startled by an alarm of fire sounded by the Delaware and Hudson breaker whistle. The fire was in the kitchen at the rear of Richard James' double dwelling house, occupied by Mr. and Mrs. John F. Nicholson and Mr. and Mrs. William Heeson on Main street. Both local companies responded to the alarm, the Crystals being the first to get a stream of water on the burning buildings, and through

IS IT RIGHT For an Editor to Recommend Patent Medicines?

Atlanta, Ga.

From Sylvan Valley News, Brevard, N. C. In many cases a dose of this remedy would save hours of suffering while a physician is await. ed. We do not believe in depending implicitly on any medicine for a cure, but we do believe that if a bottle of Chamberlain's Diarrhoea Remedy were kept on hand and administered at the inception of an attack much suffering might be avoided and in very many cases the presence of a physician would not be required.
