UNION PICNIC EVENTS.

The Union Sunday school picnic at Lake Lodore was a great success. The concerts given by the Mozart band at intervals during the day were much enjoyed and the ball game in the morning between Geary's team and Hat Warren's nine furnished amusement for lovers of that sport. Geary's team won out by a score of 12 to 11. Nine innings were played.

In the afternoon the other athletic events took place. They opened with a hundred yards dash, which was won by Art. Rutherford, John Evans second and Bert Dix third.

The egg and spoon race furnished a great deal of amusement and was won by Albert Ferrel. The boys' 100-yard dash was won by Will Davis. Van Allen Histed came out victorious in the sack race. William Swigert and Hallock Warren were entered for the high jump, the former winning by jumping four feet ten and a half The same young men contested for the broad jump, Warren winning out by jumping sixteen feet Swigert's fifteen and a half feet.

It took a member of the old school to show the boys how to throw a baseball, however, and R. M. Varnan did it with ease. Among "V contestants were Daniel Thomas, H. E. May, Charles Carr, C. Briggs, John Evans, Hallock Warren and William Swigert. but Mr. Vannan outclassed them all. He threw it almost out of sight.

Charles Carr won the potato race with C. Briggs second and Masters Davis and Roberts won the threelegged race for small boys and Rutherford and Swigert the three-legged race for larger boys. The members of the committee are themselves very much pleased with the success of the day's outing. They will meet early this week to settle all claims.

#### A NEW ENTERPRISE.

Professor W. A. J. Scott has rented the second floor of the Mitchell building on Salem avenue, formerly occupied by Dr. C. T. Meaker, and will about the first of September open a commercial institute. The place is being elaborately fitted up and it prom-ises to fill a long felt need of the city. The professor is well and favorable known and has the best wishes and active support of a host of friends. He has engaged John T. Jenkins, of Jermyn, graduate of the Strondsburg Normal school to preside over the book keeping department.

#### IT IS "RUSSELL PARK."

Half a thousand persons attended the sale of lots of the New England Suburban Land company Saturday. Great interest centered in the naming of the plot for which a handsome gold watch had been offered as a prize. Six suggested "Russell Park," which name was chosen, and the lucky person was selected by lot. Mrs. C. A. Munn, of No. 31 Brook street, was the prize winner. About thirty lots were sold at fair prices. The plot is situated on South Park street.

### IS IT RIGHT

### For an Editor to Recommend Patent

It may be a question whether the editor of a newspaper has the right to publicly recommend any of the various proprietary medicines which flood the markets, yet as a preventive of suffering we feel it a duty to say a good word for Chamberlain's Colic, Cholera and Diarrhoea Remedy. We have known and used this medicine in our family for twenty years and have always found it reliable. In many cases dose of this remedy would save hours of suffering while a physician is awaited. We do not believe in depending implicitly on any medicine for a cure, but we do believe that if a bottle of Chamberlain's Diarrhoea Remedy were kept on hand and administered at the Inception of an attack much suffering might be avoided and in very many would not be required. At least this has been our experience during the past twenty years. For sale by all druggists. Matthews Bros., wholesale and retail agents.

Several undertook rather brashly to explain for the benefit of their less learned companions what Calvinism meant, and a justice of the Supreme court was able to name four points of calvinism to his own satisfaction, at though his accuracy was questioned by others, and he could not remember the fifth. His four points were:

1. Original sin or total deprayity,
2. The freedom of the will.

2. Predestination or election.

4. The perseverance of the saints.
