As soon as John Neumis, of Scranton street, learned that his parents were worried about his continued abfrom home, he boarded the Black Diamond express at Sayre and reached this city shortly after the telegram came announcing his safety. Instead of riding inside the observation car, the dusky traveler climbed on top of the car, and stretched himself out on the roof. During the journey the flying cinders from the locomotive played tattoo on his head, face and hands, and he narrowly escaped

falling off the train.
Clinging for dear life to the roof of the car, the boy rode the entire distance from Sayre to Pittston without being detected, and calmly slid down from his unenviable position when the train reached the Junction. He hurried to his home and received a warm greeting from his relatives, and is now looking for the man who started the story that he was drowned,

A BEAUTIFUL COMPLEXION

Mme. A. Ruppert's World Re-nowned Face Bleach almost Without Cost No matter how Blemished the Skin, Face Bleach will make it perfect

Madame A. Ruppert says:

"I know there are many ladies who would like to try the merits of my Face Bleach, but on account of the price, which is \$2.00 per bottle, or three bottles for \$5.00, have had some heattancy in spending that amount to convince themselves of its great value. Therefore, during this month, I will depart from my usual custom and offer to all a trial bottle, sufficient to show that it is all that I claim for it, for 28 cents per bottle. Any reader of this can send me 26 cents in stamps or silver, and I will send them a trial bottle of my world-renowned Face Blouch, securely packed in plain wrapper, scaled, all charges prepaid. An opportunity to test so famous a remedy at so slight a cost is seldom offered, and I trust that the readers of this will take advantage of it at once, as the offer may not be rejeated.

Madame A. Ruppert has now been before the public for over twenty years as the greatest Complexion Specialist.

She is the pioneer in her art, and stands pre-eminent at the head; she has had thousands of imitators, but not a single competitor. Face Bleach is not a new untried remedy, but has been used by the best people for years, and for dissolving and removing tan, sunburn, moth, freckies, sallowness, blackheads, eczems, pimples, roughness or redeces of the skin, and for brightening and beautifying the complexion, it has no equal.
