### JESSUP.

The labor union of this place held public meeting Friday evening. About 300 people were present. Mr. Carney, of Archbald, opened the meing by making a few remarks, followed by Mr. Courtright, the local organizer, of Scranton, who made a brief address. He spoke on the powder, wage scale and other questions of interest and was followed by Mr. Smith, a foreigner, who spoke to the foreign element.

The St. James society meets for drill practice every Friday avaning and are improving rapidly under the direction of Captain Duggan, of Providence.

Miss Jennie Harris underwent an operation last week and is seriously ill at this writing.

Miss B. McAuvie, of Archbald, was a pleasant caller in town last evening.

Rev. Julius Hamborszky was a business caller in Scranton on Saturday. The Athletics, of this place, journeyed to Scranton Sunday to play the Modocs, and didn't do a thing with them the score being 6 to 1 in favor of the Athletics. Much praise is due to the pitching of Mr. Curtis, of the Athletics, he striking out five men and only giving them two hits. The batteries for the Modocs were Kurtz and Kelly. They did well but they are not heavy enough for the strong Athletics. We would like to hear from some of the strong teams in or about Screnton.

on the average; thus, including our civil wars, and bringing the number of important battles to 600, we have a loss of life, calculated by multiplying 600 by 200, i. e., 120,000. To this total must be added at least as many more for minor engagements, sickness, etc., making a grand total of 240,000. "These figures, it must be explained, include only the killed; no allowance

The total, there-Bookkeeping Balance of Victories fore, is perhaps not so large as might be expected, but it would hardly be fair to include the wounded, for it must be remembered that though in an average engagement there are nearly ten times as many wounded as there are killed, the greater proportion of pital, corner Wyoming and Mulberry. are killed, the greater proportion of
