## FRIGHTENED WOMAN FELL FROM THE CAR

MRS. GEORGE BRYANT PAINT-  
FULLY INJURED.

Fainted at the Sight of a Blue Flame and Sustained a Severe Scalp Wound as a Result—Innocent Children Misappropriate a Baby Carriage—Bon-Ton Social Club Alleged to Be a Speakeasy—Unique Band Concert Given—Other News Notes.

While a Petersburg-Lafayette car was running along West Lackawanna avenue, between Seventh and Eighth streets, at 8.45 o'clock last evening, the fuse on the car burned out and caused a blue flame to issue from the motor.

Mrs. George Bryant, of 1115 Pine street, one of the passengers, became frightened, fainted, and fell headlong from the car, striking heavily on the pavement.

She was picked up in an unconscious condition and carried into the Hook and Ladder house and laid out on one of the cots in the sleeping apartment. Dr. A. J. Winebrake and Dr. George B. Reynolds were summoned as quickly as possible, and upon examination, learned that the woman had struck on her head and sustained a severe gash, several inches in length.

The wound was bandaged and Mrs. Bryant was removed to her home in a cab, accompanied by the two physicians.

**They Took the Carriage.**  
Two little girls innocently removed a baby carriage from in front of the residence of E. J. Bliss, 1410 Price street, last evening, and pushed the vehicle to their home on South Hyle Park avenue. When they reached the house, one of them remarked:

"There, mamma, is a carriage to ride the baby in."

The little innocents were proud of their find, but meantime the incident caused Mr. Bliss considerable trouble. He searched in vain for the missing perambulator, and finally notified the police of his loss.

When he reached home, the mother of the little girls had returned the carriage, with the necessary apologies, and was informed that "All's well that ends well."

# GATHERED IN SOUTH SCRANTON

SEVERAL BIG EXCURSIONS  
HELD YESTERDAY.

Members of Hickory Street Presbyterian and St. Mary's Churches journeyed to Lake Ariel and Mountain Park respectively—Marriage of George W. Wall and Miss Sadie Denny—William Connell Hose Company's New House to Be Opened Next Tuesday.

Yesterday was South Scranton's big excursion day and well were they patronized. It took twenty-two cars to comfortably convey the members of the Hickory Street German Presbyterian church and Sunday school to Lake Ariel and fifteen cars to carry the members of St. Mary's German Catholic church to Mountain Park.

The day was an ideal picnic day and the older people, as well as the children, took advantage of the opportunity to flee from dusty streets and hot work benches to cool and delightful retreats among the mountains and lakes. Both excursions were unusually well attended, being the largest run from this side this year.

**Denny-Wall Nuptials.**  
Last evening at 7.30 o'clock Miss Sadie Denny, of Pittston, and George W. Wall, of Jersey, were united in marriage at the parsonage of Rev. F. P. Doty, of Cedar Avenue Methodist church, on Cherry street. Albert Wall, a brother of the groom, was best man, while Miss Minnie Denny, a sister of the bride, acted in the capacity of bridesmaid.

The happy couple will go to house-keeping, after a short wedding tour, in Jersey, where the groom is employed.

**New House House.**  
The members of the William Connell Hose company are making extensive preparations for a banquet to the city fathers and prominent manufacturing men of South Scranton next Tuesday evening, when their handsome remodeled quarters on Pittston avenue will be thrown open for inspection for the first time.

Yesterday their quarters were inspected by ex-Chief Walker, Chief Zizelman and the contractors, Mulherin & Judge.

**MENTIONED BRIEFLY.**  
Residents of Cedar avenue have lately been annoyed by a pair of cows which roam the streets at night entering gardens and destroying the shrubbery and flowers. The people endured the same trouble last season and are tired of the annoyance. The owners of the animals are requested to keep them locked up, or steps will be taken to remove them.

The Lackawanna Knitting mill employees had a clam bake and jollification at Mountain lake Saturday and passed a very enjoyable day at that spot.

Andrew Han, of Meador avenue, celebrated his fifty-first birthday last Monday evening by having a small party in honor of the event. He was assisted by his wife, Mrs. Han, Charles Bonn, of Stroudsburg; Mr. and Mrs. Charles Dippe, of Stroudsburg; Jacob Bonn, Miss Louisa Bonn, Miss Katie Bonn, Miss Maggie Bonn, Mrs. W. J. Bonn, Mrs. J. T. Bonn, and Wylander. Mr. Han was the recipient of many valuable presents and all present wished him many more birthdays.

The funeral of the late Mrs. Charles Miller, of South Wyoming avenue, who died Sunday night, will be held this afternoon at 2.30 o'clock in the Cedar Avenue Methodist church. Rev. Doty and Neill will officiate.

**BIRTH AT COUNTY JAIL.**  
Mother Had Been a Prisoner Only Fourteen Hours.  
For the third time in its history the county jail was, yesterday, made a birthplace. Mrs. Annie Karisha, a middle-aged Polish woman of Johnson's patch, is the mother.

She and her husband were committed at 8 o'clock the night before for the charge of larceny by bailie, preferred by a neighbor.

Just before 10 o'clock yesterday morning, the matron, Mrs. Johnson, was hastily summoned to the woman's cell by one of the female trustees. Jail Physician J. F. Saitry was telephoned for but when he arrived he found two patients instead of one to look after. The new comer is a big boy.

Friends of the Karishas had been notified themselves during the early morning to secure bail and along to-

## AN OPERATION

Is often unnecessary. We print three testimonials in proof of that statement. One testimonial shows the needless-ness of an operation and the two others its uselessness in certain forms of womanly disease.

## THE KNIFE

It is always a woman's dread though often a doctor's delight. There is no question but that enthusiasm for surgery leads to the advice of an operation many times, when the operation is not only needless but will prove absolutely unbeneficial. This proposition is supported by medical testimony and emphasized by the experience of the women whose statements are given below. The first of these statements is the more remarkable in that it comes from a woman physician. She suffered for three years, was long under treatment, and then submitted to the surgeon's knife, absolutely without benefit. Then a friend advised a trial of Dr. Pierce's Favorite Prescription, and of it the grateful writer says: "I have full knowledge of its properties and its power to draw one from the brink of the grave. Never in my profession have I seen such a miracle-worker in the form of medicine."

## "I OWE MY LIFE TO THAT WONDERFUL 'PRESCRIPTION'"

"It is with extreme pleasure that I make known to you my rapid recovery from a long illness as a result of a complication of organic diseases, the principal one being ovarian and uterine inflammation," writes Grace M. Di Marco, M. D., of Ardwick, Prince George Co., Md. "It is a pleasure to recommend Dr. Pierce's Favorite Prescription as the best medicine I have ever taken for the diseases in question. I have full knowledge of its properties and its power to draw one from the brink of the grave. Such has been my case. For three years I did not experience one well day. I was first under treatment, then the surgeon's knife, and through complete illness I gave up both, and, acting under advice of a friend, I took Dr. Pierce's medicine with patience. Now, I owe my life to that wonderful 'Prescription' of his, and I cannot recommend it too highly. Never in my profession have I seen such a 'miracle-worker' in the form of medicine. The poor invalids who are throwing away dollars in patent-relief medicines, morphine, laudanum, etc., had better turn to Dr. Pierce's remedies, as, while he can remove the pain without the administration of any of them, he can more easily remove the cause.

Even if there were but one such testimonial to the remarkable cure of women's diseases by 'Favorite Prescription,' it would be an encouragement to give it a trial. But the cures effected by this remarkable medicine for women are legion in number and their scope covers every form of womanly disease which is curable by the use of medicine. Of 'Favorite Prescription' it can be truthfully affirmed that it always helps and almost always cures. Let any suffering woman who reads these statements, ask herself: Is not such a remedy worth a trial?

These three cures are representative. Behind them are half a million other cures. The record shows that ninety-eight in every hundred women who have used Dr. Pierce's medicines have been perfectly and permanently cured. Only two women in each hundred fail of complete cure. But even these report great benefit and improved health. Are you one of the ninety-eight who can be completely cured, or one of the two who can be greatly helped but not entirely healed? A fair trial of 'Favorite Prescription' will put the question forever at rest.

wards noon, one of them appeared at the jail with two discharges, certificates, Warden Simpson stretched a point to allow three persons to go out on two certificates and at 2 o'clock, father, mother and baby proceeded to the Karisha home, the mother and child riding in a barouche.

The first birth in the county jail was seven years ago. The mother was a slightly demented woman who wandered away from Hillside Home and was picked up by the police. Two years later an Italian woman serving a year's imprisonment for shop-lifting, became the mother of a boy.

**ZIZELMAN SWORN IN.**  
Today He Will Succeed John H. Walker as Chief of the Scranton Fire Department.

Frederick W. Zizelman was yesterday sworn in as chief of the fire department by Mayor Moir and spent the day making a tour of the various engine and hose houses with John H. Walker, the retiring chief. Mr. Zizelman will assume the duties of his office this morning.

In connection with his thus assuming office several changes in the clerical force in the municipal building will be made. John S. Drown, who has been street commissioner's clerk since Street Commissioner Thomas has been in office, has resigned his position and will today accept a more lucrative one with the Clarke Tunnel Coal company.

Hugh A. Jones, formerly clerk of the common council, but more lately the clerk of Chief Walker, has resigned this latter position and will become street commissioner's clerk. In his place Chief Zizelman has appointed Craddock Morris, a well known North Scranton young man and a brother of Assistant City Clerk Evan Morris.

While mentioning the street commissioner's clerk, it is interesting to

note where his salary comes from. There is no item in the appropriation ordinance providing for his salary and there are many who have wondered where the money for his salary comes from.

He is paid \$2 a day, and an examination of the city controller's books reveals the fact that the salary for the month of June was taken from the following appropriations: \$5 from repairs bridges and culverts; \$4 from cleaning cobble stone pavement; \$20 from cleaning asphalt pavement; \$10 from repairs of sewers and drains, and \$5 from cleaning sewers and drains.
