

One Woman's Views.

THIS BURGLAR business is stirring up new alarms in the feminine breast. The average woman is a great deal more in fear of a possible burglar than she is of a possibly uncomfortable bore...

Miss Camille d'Arville says she is going to become an actress. She arrived in that city Wednesday night from French Lick, Ind., where she has been taking a two weeks' rest. With her she came a husband and a child...

It is almost impossible to imagine "Foxy Quill" Sykes playing a heavy villain in a "straight" dramatic production, but he did it for two seasons at Boston. He was in "The Two Faces of a Man" and "The Two Faces of a Woman" and "The Two Faces of a Child."

The complete cast for "A Royal Family," which will be produced at the Lyric Theatre, Sept. 5, was announced yesterday. Annie Russell will enact a princess and will be wooed by Charles Richmond as a prince in disguise.

Tim Murphy's vaudeville specialty used to be imitations of well-known actors, and one of them was Edna Stansell. Now Murphy is to take Russell's role in several plays formerly played by her.

"Ben-Hur" begins its second season at the Broadway Theatre Monday evening, Aug. 6, where it will play a limited engagement of five weeks. It may be cut short by contracts made a year ago, which cannot be cancelled.

The arrangements for the grand tour of the United States by Edvard Strakos and his great orchestra are now almost completed. Mr. Strakos is now in Europe and he will depart for America in a few days.

MUSICAL GOSSIP.

The coming season of the Chicago Musical College will award thirty-seven free scholarships, entitling the holder to free instruction for one year, and one hundred and fifty partial scholarships, being a liberal reduction from the regular terms for tuition.

William C. Ott intends going to New York city in a few weeks to buy a small piano, one that can be used at parties, etc., where there is no piano. The instrument will not weigh more than 250 pounds and is easy to handle; also very handy in case people only wish to hire three or four pieces at parties where there is no piano.

The chorale society are preparing for another musical show to be given two nights. Professor W. C. Ott will rehearse the show and Lawrence's orchestra will furnish the music.

Lawrence's popular band has not been giving many open air concerts, being kept busy playing at parties, etc.

Let no wanderer again to that picture, I pray, When to night's fond embrace glides the lightning day. In that boat with the love of my heart let me dream, As the moon beams that float on the soft summer night.

Read About the Great Window Show.

The very best kind of Dongola Kid that could be put into any Three Dollar Shoe has been put into them. The best kind of White Oak Soles that could be put into any three dollar or four dollar shoe has been put into them.

The Men's Shoes are just as nobby and distinct in style, though there is not so many of them. They are hand-sewed welts and come in the new and popular shade of tan; also in black kid and satin calf, McKay sewed. You'll go a long way to see better one's at the price.

We have devoted six massive windows on Lackawanna Avenue to the showing of some of these. Our window artist has done his best, and many of you have looked in amazement at the great congress of Footwear. It is but a thought of what is in the store—a "drop in the bucket" if we might so put it.

We stand back of every pair. The maker stands back of us. We guarantee them to give most thorough and satisfactory service. If they do not your money back cheerfully and no questions asked. But let us say right here—we know that you will be pleased with their wearing qualities. They are the standard by which all other three dollar and three dollar and a half shoes are judged.

The early comers on Saturday will get the plums, of course. But there are a lot of plums—almost enough to go around. Some of you will want two and three pairs. It is possible you may never again buy them so cheap. We are confident you will never get a greater bargain.

No Such Sale of Shoes Was Ever Known Because There Never Was Such Shoes to Sell

We have made a tremendous purchase of Footwear; probably four times the quantity that has ever been brought to Scranton in a single shipment. We bought them for spot cash and for HALF their regular price; so when Saturday morning dawns we shall begin the sensational Shoe Sale of the year, and it will last just as long as the shoes are here.

High Grade \$2.50, \$3, \$3.50 and \$4 Women's and Men's Shoes... \$1.89

We have had three phenomenally successful Shoe Sales during this year. The Shoes which we offer at these special sales bring success to our Shoe department. The more shoe sales, the more success. THE MISSES BELL

The Misses Bell's Complexion Tonic is a hairless liquid for external application to the skin. It removes entirely all freckles, moles, pimples, pimples, and blemishes, and cures entirely acne and eczema, and beautifies the complexion.
