LACKAWANNA COUNTY

CARBONDALE.

AMONG THE DEMOCRATS.

Delegate election among the Democrats took place in this city on Saturday afternoon and passed quietly. In only one sistrict of the Second ward was there any show of interest manifested, but as right and might is always recognized, the right party in this particular ward was the unanimous choice. It is not generally known, but the defeated candidate in the aforementloned district was not eligible because of his present occupa-

tion. However, the result was 37 to 23. The delegates elected in their respective districts are as follows: First district, First ward, J. G. Bridgett; Third district, First ward, Hugh Price First district, Second ward, Will J. Byrne; Second district, Second ward, James J. O'Neill: Third district. Second ward, Patrick McDonnell; First district, Third ward, J. F. Fourth ward, Patrick Pace; First district, Fifth ward, Jeremiah Cotter; First district, Sixth ward, M. P. Drennan.

The remodeling and beautifying of their hall has fourth page. come at an appropriate time, and its re-fledication will be at the same time as the jubilee.

It is intended to have lodge in the afternoon, having the grand officers present. In the evening a banquet for the Masons and their wives will be given. The oldest living member of Carbondale lodge is Alderman Willfam Baker, and Mrs. Baker has in course of preparation an elaborate history of the lodge. The lodge was formed by five men, not any of whom survive, and has had a very successful life. It is considered one of the strongest lodges in this section.

OPERATION NECESSARY.

It will be with regret that the friends of Jerome Wetherby, of Wayne street, will learn that he is confined to his bed by another attack of appendicitis and an operation will be necessary to relieve his sufferings. Mr. Wetherby was formerly manager of a novelty store in Schenectady, N. Y. During the month of May he suffered a similar attack, but recovered sufficiently to be able to be removed to the home of his sister, Mrs. A. R. Jones, of this city. Last week he suffered a strain and since that time he has grown steadily worse, Yesterday Dr. S. S. Shields, in consultation with Dr. H. C. Wheeldecided that an operation will be the only means of relief, and the patient will be removed to Dr. Wheeler's private hospital, where he will be Wetherby has many friends, who hope for his speedy re-

'POCK" PADDEN'S CASE.

Patrick Padden has been more trouble for the poor board and his case resulted in a wrangle between Directors McCabe and Rivenburg at last evening's meeting. Here is where the hitch came. Mr. McCabe is very much opposed to doing anything for Padden, because he claims he is a professional vagrant. He has run away from Danville, the Hillside Home and the Poor Farm. The chairman sald he would not sign a warrant for paying the hospital bill, but the other direcseemed to think that Rivenburg had done all right in sending him to the hospital. Padden was examined by two physicians on Saturday and was adjudged of unsound mind. He

A POOR GAME.

About 2,000 persons assembled at Duffy's field yesterday afternoon to witness a game of base ball between the Browns, of South Scranton, and The boys from the city played exceptionally poor. Cuff, the pitcher, and Walter Loftus, the catcher, were the only ones who knew anything about the game. Notwithstanding their poor playing they were defeated by a score of 11 to 7 in favor of the Scranton boys. The feature of the game was the bad judgment exercised by Carey. f Scranton, Nine innings were played. Umpire Gordan was frequently plauded for his judgment. McHale, the shortstop, was not in condition.

WILL NOT MOVE

There was great relief felt in this city on Saturday when Postmaster J. H. Thomas returned from Washington. D. C., and announced that the postoffice will remain in the City building for the next five years. Saturday the incident was officially closed by the receipt from the government of a lease for the present premises for a term of five years, beginning July 1, 1900, at a rental of \$750 per year. lease was at once signed by Mayor Kilpatrick, for the city, and there is no doubt about the location of the of-

The route taken by the wagon load of eager sightseers led to the Ridge. where the far-famed Glacial Pot Hole was visited. A pleasant half hour was spent inspecting the wonderful freak of nature. A Mother Tells How She Saved Her Little Daughter's Life.

I am the mother of eight children and have had a great deal of experience with medicines. Last summer my little daughter had the dysentery in its worst form. We thought she would die. I tried everything I could think of, but nothing seemed to do her any good. I saw by an advertisement in our paper that Chamberlain's Colic, Cholera and Diarrhoca Remedy was highly recommended and sent and got bottle at once. It proved to be one of the very best medicines we ever had the house. It saved my little Olyphant Catholic cemetery. daughter's life. I am anxious for every mother to know what an excellent medicine it is. Had I known it at first it would have saved me a great deal of anxiety and my little daughter much suffering. OLYPHANT.

The regular monthly session of the chool board was held on Friday evening. The building committee reported that the Marshwood building had been repaired and recommended that the First and Third ward buildings be repainted. Chairman McCann, of the teachers' committee, stated that all of the teachers had been assigned to their former schools. The committee recom mended that the salary of Miss M. J. McHale, the assistant principal, be in creased \$5 per month, and also the ame increase in the salary of Miss Katie Walsh. In regard to hiring a truant officer, the name of Joseph A. Dolphin was recommended for that office, Miss Etta Hoban and Miss Agnes Norton were named as substi-tute teachers. Before any action was taken on the report, the following communication was received from the aud-

tors:

To the Honorable School Board of the Borough of Olyphant: "Sirs: We find in going over your work for the past year that you have exceeded your expenditures to the amount of \$1,087.47, an amount not figured up closely or it would come to more. Money that should have been applied to the building fund has been used for school purposes. Now, we would suggest to your honorable body that for the coming year you will create no new expenses, as we are advised you are contemplating, but rather that you should find some means of retrenching. No doubt after little deliberation you will see some means of staying within the means

that are appropriated to your use. "William Scriven, T. L. Williams, P. J. Farrell, borough auditors." After the letter was read, Mr. Haves stated that to increase the salary of the assistant principal would be out of the question. Mr. Nealon contended that in view of the facts it would not be proper to hire a truant officer at this time either. Prof. Cummings took part in the discussion and said that if a truant officer was not hired for the coming town that it would be necessary to suspend some of the eachers, as the attendance in some of the rooms is very small, and that there was a decrease in the attendance of last year over the previous was deferred till the September meetng, on motion of Mr. McCann. Mr. teachers be the same as last year. A vote was taken, as follows: To Increase, Nealon, Kelly, Lally, Langan, Lenehan, Holleran, McCann, 7: against increase, Patten, Weaver, Williams, Hayes, 4. The following bills were passed for payment: T. J. Gavin, \$8; W. H. McDonnell, \$57.60; M. D. Brown & Co., \$38.78. The old corps of janitors were hired, and their salaries placed on a uniform base of \$15 per month. The secretary was directed to hand the tax duplicate to the tax col-

lector. It was decided to reopen the schools on September 3 for a nine months' term. The Browns went down before the fast-moving Rubbernecks on Saturday afternoon. The rivalry between these two teams has been intense and Saturday's game was a test of their abilities. For the first five innings the Rubbernecks could do nothing with Cleary, who occupied the box, but in that inning he "went to pieces" and allowed his opponents to score five runs. He retired in favor of O'Hara, but the change came too late, and the Rubbernecks won out by the close score of 8 to 7. Curtis did the pitching for the Rubbernecks and was hit
