SELECTING SCHOOL BOOKS.

At a meeting of school directors and teachers, the meeting was called to order at 8.35 by Chairman Hockenberry, who explained that the purpose of the meeting was to decide on the text books for the coming school year. The teachers freely expressed their opinions regarding the books in use, and the majority favored adopting Redway's geography, Brooks' arlthmetle, Standard dictionaries, and Overton's physiologies. The speller and histories to be used were not decided upon, Mr. Hockenberry explained that it was probable that the board would not accept all the recommendations of the teachers, and at 9.30 announced the meeting as adjourned.

ELECTRICITY PLAYS HAVOC.

Early yesterday morning a terrific thunder storm broke over the city and played havoc with the electric light. telephone and fire alarm wires, nearly scared the life out of the weak-hearted and set the fire bell ringing false alarms. Lightning struck a tree in front of Dr. Wheeler's residence on Church street.

SEA SERPENT VISITS CANADA.

Seen by a Large Number of Persons at a Sunday School Picnic.

Toronto, Ont., Aug. 16 .- A genuine sea erpent made its appearance at Kingson, 360 miles above tide-water today. The periodical summer visits of the monster so far inland have never been credited before, but possibly to set all UNTIL SEPTEMBER 1ST, 1990, BIDS WILL BE doubt at rest the serpent exhibited himself to a Sunday school picnic at Chauvel island. A large number saw it, and all descriptions correspond in making the animal have a head like a calf, but fully as large as a man's head, flerce, staring eyes like coals of

fire, heavy whiskers or bristles on each side of its mouth, the head and neck Joseph Roberts is one of the exambeing gray.

The serpent gave chase to Fred Caleau, Howe's island, who had to seek a safe landing for himself and boat
