THE SECRET OF HEALTH.

Told in a Few Words—A Book Given Away.

Miss Mary Rennie, Port Byron, Ill., writes: The Peruna Medicine Co., Columbus, Ohio: Gentlemen—I am pleased to say a few words of praise for your Peruna, which has been of such wonderful help to me. My system was completely run down and I needed a general tonic up. Peruna acted like magic, and after using only three bottles I felt my usual self and have been in excellent health ever since.

There are three things that every one should look out for during the heated season: First—To keep up a good appetite and digestion. Second—To have regular and refreshing sleep. Third—To keep the system cleansed of all impurities.

There is but one medicine that is able to meet all of these requirements. This medicine is known as Peruna, an old and tried prescription of an eminent practitioner of medicine. Peruna never fails to produce a good appetite and regular sleep, nor does it fail to expel all impurities from the system. A dose should be taken before each meal and at bedtime.

For a free book on diseases peculiar to hot weather, send to The Peruna Medicine Company, Columbus, Ohio.
