the care of them is a great bar to selfishness. With-

All physicians had stated as a fact that I never could bear a child. Both the baby and myself were

strong, and I got along splendidly-thanks to your

medicine. I do my own work and feel very much encouraged. I wish all suffering women would thoroughly try your 'Favorite Prescription.'"

Cures such as Mrs. De Ford's are not uncommon

when "Favorite Prescription" is given a fair and

faithful trial. The noteworthy fact is that when

specialists and surgeons have failed, "Favorite Pre-

as a fact that child-bearing was impossible, "Favor-

successful cures brought about by the use of Dr.

that it makes weak women strong and sick women

Inexpressible Relief.

"I believe I owe my life to Dr. Pierce's remedies, and have long felt it my duty to express my deep heart-felt gratitude to you, and to acknowledge the benefit I received from Dr. Pierce's Favorite Prescription and 'Pleasant Pellets,' says Mrs. Maria O. I suffered from nervousness, female weakness and rheumatism, and I suffered everything one could suffer from these complaints. Life was a burden. I doctored with three different physicians and got no relief. I tried several patent medicines, all with the same result. I began to get worse, and to add to the complications, I suffered terribly from constipation. I chanced to see one of your advertisements and concluded to try the above remedies. I commenced to take Dr. Pierce's Favorite Prescription and 'Pleasant Pellets' and began to improve right away, and con lets' and began to improve right away, and con tinued improving and gaining in strength. She was a fine healthy child, and the only one I have ever been able to murse. She is now two years old and I have never had to take any medicine since, so I feel that your medicine has made a lasting cure with me. I owe so much in thanks it would be impossible for me to express by word or pen how thankful I am to God and to Dr. Pierce."

There is encouragement for every woman in the cures performed by the use of "Favorite Prescription." There is no form of disease peculiar to women which is curable by medicine which "Ravorite Prescription" will not cure perfectly and permantly. There have been, time and again, forms of womanly disease, pronounced incurable by local physicians, or curable only by an operation, for which "Favorite Prescription," tried as a last resort, has effected a complete cure. It is a perfect regulator. It dries the drains which weaken women. It heals inflammation and ulceration, and cures

Suffered Six Years.

"I suffered six years with ovarian trouble," writes Mrs. E. Waite, of (Lakeview Post Office), Chicago, Ill. "Sometimes I could hardly walk, and when I had to cough it felt as though a knife was cutting me. My hands and feet were cold all the time. had such a tired feeling and such a poor apparite, and when I went to bed I slept only about two hours at a time. A friend advised me to use Dr. Pierce's medicines, for they had helped her; so I got a bottle of 'Favorite Prescription' and by the time I had used two bottles I felt so much better that I continued until I had taken eight bottles of Favorite Prescription' and one of Dr. Pierce's Golden Medical Discovery, and now I am so well that my friends remark how well I am looking. I can go to bed now and sleep till morning. My appetite is splendid and all that tired feeling has left me. I hope others will do as I have done-just give Dr. Pierce's medicines a fair trial, and they will be sure to derive much benefit, as I have. Lam so thankful to think I am so well."

"Favorite Prescription" contains no alcohol, neither opium, cocaine, or any other narcotic. It is a purely vegetable preparation and cannot dis-
