ATTEMPTED TO STEAL A HAT.—A man entered Rose, the latter's store on Lackawanna avenue yesterday afternoon, with the air of a prospective customer, and after being in the place a short while made a sudden snatch at a hat and was off for the door. HEARING WAS POSTPONED.

No Testimony Taken Yesterday in the Lazar Case.

There was to have been a hearing in the case of Mathew Lazar, and the postmaster of Lipsk, Russia, yesterday afternoon, before Alderman Millar, but it was continued until 3 o'clock Tuesday afternoon, at the request of Lazar, whose attorney was out of town. Lazar sent 1600 roubles (\$500) to his home in Lipsk, a few weeks ago, and his wife only received 500 roubles and wrote her husband, advising him of the fact. The postmaster is accused of the embezzlement of the funds, and the Russian government is now investigating the case. The testimony taken here will be sent to the Russian consulate at New York.

Mrs. Annie Broadbent has been engaged as stenographer in the case and Special Officer Joseph Greenberger will act as interpreter.

WHAT HAS BECOME OF WITNESS CASPAR

County Detective Leyshon Believes He Is Being Kept Out of Way by Friends of Mrs. Rusnock.

County Detective Thomas Leyshon is dissatisfied over the results of Coroner Roberts' inquest in the case of Michael Rusnock, of Marshwood, who died at the Lackawanna hospital, Sunday, of acute pneumonia, Friday, Aug. 17, in the boarding house of his cousin, John Rusnock.

In spite of the fact that the coroner's jury found that Rusnock's death was inflicted by the victim himself, who, according to witnesses testified, seized the kettle and splashed the water, Detective Leyshon declares himself of the opinion that Mrs. John Rusnock, the boarding mistress, threw the water on him.

Detective Leyshon states that from evidence he has accumulated, he learns that Rusnock was in a drunken state and quarreled with the woman about his board bill. After harsh words had passed between the two, Rusnock struck the boarding mistress in the face with a shovel, which so infuriated her that she seized a kettle of boiling water from the stove, and retreated with this to the head of the kitchen stair case.

Rusnock staggered after her and attempted to go up the steps. One of the other boarders, whose name is Caspar, tried to prevent him from ascending, but Rusnock broke away from him, and in attempting to approach Mrs. Rusnock, she raised the kettle and poured its contents over him. Caspar, who was standing nearby, also received a hot scald.

Detective Leyshon banked upon Caspar's appearance at the inquest and subsequent hearing before Squire Cummings, of Olyphant, at which Mrs. Rusnock was acquitted. Caspar did not appear, however, and all effort to locate him is in vain, which leads Detective Leyshon to suspect that friends of Mrs. Rusnock are concealing this important witness.

TO INSPECT McNALLY PROPERTY

Controller Will Send Two Business and Two Real Estate Men.

Controller Howell yesterday decided that instead of sending one real estate man down to the Sixth ward to inspect the McNally property, over the price of which there has been such a dispute, he will send two and two prominent business men also.

PATTEN COMMITTED TO JAIL.

He Is Seriously Accused by His Wife and Daughter.

George W. Patten, of Olyphant, was committed to the county jail yesterday by Alderman Howe, on the charges of desertion and ill treatment, preferred by his wife, Mrs. Mary A. Patten, and his daughter, Alice M. Patten. Among other things it was charged that on one occasion, Patten threatened to burn the family residence down. The wife and daughter also complained that he beat and otherwise abused them both.

REFUSED TO GRANT EXTENSION OF TIME

FELL TOWNSHIP CONTEST HAS DRAGGED LONG ENOUGH.

While Only 164 Votes Were Cast for the Defeated Candidate for Justice of the Peace, 236 Witnesses Were Examined—Meeting of the County Commissioners—Hearing in the Case of Jenkins Against the Rushbrook Coal Company—Coming Session of Grand Jury.

Judge R. W. Archbald refused yesterday afternoon to grant an extension of time in the Fell township election contest, which has been dragging along its weary length since one year ago last May.

The contestants are T. M. Holmes and John Owens, who seek to annul the election of Justice of the Peace, Sunday, of which received Friday, August 24, at the election held in February, 1899.

Attorney M. J. Walsh, who represents Glenn and Henning, made the application yesterday for the extension of time and alleged that they have not had time to examine all their witnesses and that some of them will have to be brought in on Saturday. Saturday is the last day for taking testimony, and he said the work could not be done in that time. Attorney C. C. Donovan, who represents the parties on the other side of the case, said that while only 164 votes were cast for the defeated candidate for the office of justice of the peace 236 have already been examined.

Upon this showing Judge Archbald refused to grant the extension asked, believing that the contest had gone beyond reasonable bounds. Attorney Donovan subsequently agreed to allow Attorney Walsh until next Tuesday to bring in the real bona fide witnesses whose testimony is desired. Many of those on the list presented at yesterday's hearing as persons for whom attachments were desired have already been examined.

Hearing the Defense.

The hearing in the case of John S. Jenkins, of West Pittston, against the Rushbrook Coal company, was continued yesterday before Referee C. L. Hawley in court room No. 2. Attorneys H. M. Hannah and E. C. Newcomb appear for the plaintiff, and Attorneys S. B. Price, of this city, and Agil Hicpette, of Wilkes-Barre, for the defendant company.

Mr. Jenkins sues to recover amounts which he alleges are due him for services as president, superintendent and manager of the Rushbrook Coal company, and also certain sums of money which he alleges he advanced to the company. Also, he sues for the secretary of the Rushbrook Coal company, and E. A. Korah, of New York, director of the company, were the witnesses examined yesterday.

The defense is that Mr. Jenkins was paid in full for his services as president, superintendent and manager, and that he never advanced any money to the company. There will be another hearing today.

Meeting of Commissioners.

The board of county commissioners held a meeting yesterday afternoon, at which various improvements at the county jail, which have been recommended by grand juries, came up for consideration. Some of the improvements, the rearrangement of the plumbing system, and many other items, will also be reported.

They Ask for Divorces.

Mrs. Ruth Evans yesterday filed a petition with Prothonotary John Copeland asking for a divorce from her husband, David T. Evans, on the ground of desertion. They were married Oct. 23, 1885, and Mrs. Evans declares that on April 1, 1899, her husband deserted her and has since persisted in his desertion. Attorney J. E. Watkins represents Mrs. Evans. William A. Harvey also applied for a divorce yesterday, and he too alleges desertion against his other half, Marie Whitney Harvey, to whom he was married on Dec. 24, 1894. She deserted him, he says, on Feb. 22, 1899, and has not lived with him since. Attorney Carter represents the libellant.

Collectors' Bonds.

The bonds of the following state and county tax collectors were filed yesterday with Prothonotary John Copeland: John J. Lewis, Fifteenth ward. Fidelity and Deposit company of Maryland, surety; John F. Eleise, Seventh ward, Jacob Hetzel, surety; Thomas Cosgrove, Fourteenth ward, Thomas F. Kane, Stephen Dyer, sureties; Theodore Hossinger, Eleventh ward, John Arnold, Charles Kiefer, Charles Kaestner, surety.

The Grand Jury.

The grand jury will meet one week from Monday morning and will in all probability have enough of business brought before it to keep it in session for fully two weeks.

The September grand jury is always called upon to pass upon more cases than any other grand jury of the year. Before the body which will assemble one week from Monday will come the big batch of cases in which the agents of the Men's union are prosecutors. The action of the jury with reference to these cases will be watched with interest.

THOUSANDS OF MEN WILL BE IN LINE

Grand Marshal Gother Says the Labor Day Demonstration Will Surpass All Its Predecessors.

"From all present indications, Monday morning's Labor Day parade will be one of the largest demonstrations ever organized in this city," said Grand Marshal Gother yesterday. "I count on having about thirteen thousand men in line, who will parade the streets during the morning and in the afternoon attend the grand opening of the new school which will be held at Laurel Hill park."

The parade will be made up of three divisions. The first will comprise the forty-two branches of the United Mine Workers of Lackawanna county, and nine thousand miners, who will march in line. They will be headed in the procession by Lawrence's band, and will form on Wyoming avenue, facing Mulberry street.

The second division will be made up of the members of the mixed trades, and the building trades, and three thousand men are counted upon to make up this part of the parade. They will form on Mulberry street, facing Wyoming. This division will be headed by the members of the Horsemens' union, on horseback. The tobacco workers will ride in carriages and one association will be represented in the parade for the first time. Forty men, belonging to the recently-formed Clerks' union, will be in line.

The third division, which will be formed of floats, and general displays from local merchants, will form on Washington avenue, facing Mulberry street. It will be headed by Bauer's band and a large number of the members of the L. A. C. of Lackawanna Laundry, and carriages in which will be seated the laundry's male and female employees.

Levils, Ruddy, Davies and Murphy will be represented by thirty boys carrying the torch. The J. E. Hoos Baking company will have a float, and several horsemen in line, and Jonas Long's Sons, the Olyphant Shoe company, the Grand Union Tea company, Clarke Bros., the Scranton Dairy company, the L. A. C. of Lackawanna Laundry, and Division Marshals W. S. Brane and Peter Holton. The representatives of the central labor union will also be in the van of the procession. The members of the unions will march at their respective halls at 8:30 o'clock and then report to the marshal.

Following the parade, the mass meeting will be held at Laurel Hill. It will be opened at 2 o'clock in the afternoon, and will consist of addresses by Grand Marshal Gother, a member of the executive board of the United Mine Workers, of Indiana, and Organizer Smith, of Division No. 1, which includes all the local unions. Several Scranton speakers may also make addresses.

Took Out Revenue Licenses.

Editor of the Tribune: Referring to the Lake Ariel Improvement company today that the Lake Ariel Improvement company took out a government license to cover the sale of intoxicating drinks on the picnic grounds at Lake Ariel. They paid the regular fee with what penalty there was attached to an Anti-Saloon league. We are not in this work to persecute any one. We try, first, to get the proper officials to enforce the law and if they won't do it then we want to take our own course. We are not satisfied with our own resources with the proper officials. W. H. Williams, Scranton, Pa., Aug. 29, 1900.

SELECT VOTES TO OUST SITTERLY

"HORSE" COMMITTEE IMPROVES ITS OPPORTUNITY.

Many of the Members Who Opposed Dr. Sitterly's Removal Last Night and the Resolution Dropping His Name from the Pay Roll Passed Without Protest as Did Also One Directing Solicitor to Recover Lost Horses. Proceedings in Common.

Someone once said, "Watch your opportunity and when you see it, act quickly."

The members of the special investigating committee of select council on the "horse committee" as it has been termed, followed out the admonitions of this precept to the letter last night and succeeded in having a resolution adopted directing that the name of Dr. C. M. Sitterly, the veterinarian, be dropped from the city's pay roll and empowering the chief of the fire department to engage a veterinarian on all occasions when the services of one are required.

It will be remembered that at the last meeting of select council this same committee presented a report recommending that Dr. Sitterly be removed, but a motion to adopt it was lost by a tie vote. The committee saw its opportunity last night in the absence of several of the members who opposed the adoption of their report of two weeks ago and the presence of all of those who favored it. Mr. Lidstone accordingly introduced the resolution and it was adopted without a murmur and was easily carried.

TO RECOVER HORSES.

This directed the city solicitor to take the necessary legal proceedings to recover the six illegally sold horses and recommended the continuance of the special committee to act in conjunction with him. This resolution was also adopted without a bit of opposition, whereupon Mr. Vaughan smiled a smile of peace and joy.

Mayor Moir sent in communications appointing three new permanent men for the fire department, as follows: Franklin, Frank E. Hutchinson; additional permanent man; Liberty, Evin Simms, additional permanent man; Niagara, Grant Cutler, vice William Edwards resigned. The appointments of all three were confirmed.

City Solicitor Vosburg sent in a claim of G. W. Mabe for \$200 damages, which he contends were sustained by him on account of his team and wagon falling into a sewer ditch on North Main avenue, there having been no lights displayed.

Mr. Roche moved that the damage claim and all others in the hands of select council committees be referred to the city solicitor with instructions to have the expense of enforcing the same to the best disposition to make of them. The motion was adopted.

The city solicitor also sent in a claim of John Shriver, who agrees to settle with the city for \$1,200 for damages caused by his property by the overflow of a sewer. President Wagner suggested that it might be wise to refer the claim to the judiciary committee, with instructions "to find out what Mr. Shriver would sell his property to the city for." This caused a general laugh and the claim was referred to the committee and city solicitor.

The fire committee presented a communication from Chief Zidekman, of the fire department, asking for authority to have his advice counted as to the best disposition to make of them. The motion was adopted. The fire committee also presented a communication from Chief Zidekman, of the fire department, asking for authority to have his advice counted as to the best disposition to make of them. The motion was adopted.

BIGGEST BATCH OF ARRESTS FOR ONE DAY

Yesterday Was a Record Breaker in the Crusade Against Speakeasies Under the New Ordinance.

Yesterday was a gala day for Mayor Moir in his war on the speakeasies, and in no twenty-four hours since the crusade was started has so much been done towards checking the evil. His honor opened the day by setting the ball rolling in police court, when he gave a hearing to and fined Patrick Kelly. This was the beginning, and at the end of the day four more arrests were made and \$100 added to the city treasury, one of the prisoners entering bail for a hearing this morning.

Kelly resided on West Market street and several complaints were entered about his place. On several occasions officers visited his house with a warrant, but never succeeded in finding in him home being always met with the ingenious excuse that he was in Omaha, St. Louis and other far-away cities, whereas in reality he was not more than a block or two from the city.

Wednesday night Patrolman Amasa Palmer visited Kelly, attired in citizen's clothes, and escorted him to the central station. Mayor Moir fined him \$50 yesterday morning.

In the afternoon, John Morgan, of 325 South Keyser avenue, was arrested and arraigned before Mayor Moir. He was fined \$50 and costs, whereas he remarked that he had heart failure. At first it was thought that this was merely meant for a bid for his honor's sympathy, as Morgan pleaded hard for the minimum penalty, and declared he could not pay \$50 and would therefore have to go to the county jail. It was later discovered that Morgan is a practically helpless man, as he is a sufferer from heart failure and unable to do any manual labor. Mayor Moir then lowered the fine to \$10, which is the minimum penalty, and the money was paid over.

John Quinn, of 816 South Keyser avenue, was arrested last night by Mounted Officer Joseph Bloch and entered bail for his appearance at a hearing this morning. John Jenkins, of 2635 Jackson street, and James Black, of 2653 Frink street, were arraigned before Mayor Moir last night, on warrants issued at the instance of Chief Robling, charging them with keeping tipping houses.

At the hearing Jenkins became impatient, and made some insulting remarks to Alderman Millar. Both men were fined \$50 apiece and the costs. Several more arrests will be made

COMMON COUNCIL MEETING. Matters Considered at Last Night's Special Meeting. At its special meeting last night the common council approved the select council resolution awarding to R. L. Day & Company, of New York, the \$125,000 issue of sewer bonds, and passed on first and second readings the ordinance appropriating for the use of the fire department the sum of \$2,125.

today, and tonight Owen Moran, who was arrested two weeks ago, will be given a hearing by Alderman Millar.

Mayor Moir is highly elated over the results of his crusade. He remarked to a Tribune man yesterday: "Yes, on the whole, I think we've done pretty well. We have only done two weeks' actual work, as I was out of the city one whole week since the ordinance was passed, and during my absence nothing was done."

"A thing which I notice with pleasure now, is the fact that the people of the city themselves, are beginning to take a lively interest in the war on the speakeasies, and to come in and report any cases that come under their observation, and even to accumulate evidence against them. This, of course, saves the city the expense of ferreting out the holes-in-the-wall, and we certainly appreciate the action of citizens in this aiding us."

"You will notice that the police themselves are not taking any active part in these arrests. I do not think that we can afford to let the patrolmen do this work, as they have enough to do already, and while they are expected to report any speakeasies they come across, still we are using special officers, almost entirely for the arrests."

"In nearly all of the cases so far, the persons arrested have paid their fines. Two have been committed to the county jail, and one has received the minimum penalty."
