THREE FUNERALS HELD YESTERDAY

SERVICES OVER THE REMAINS OF MRS. COOKE.

Keystone academy to pursue his studies for the ministry. Early in the evening the pastor, in well chosen words, presented Mr. Bailey, on behalf of the society, with a handsome token of their regard and affection.

Mr. Bailey answered with much feeling. Later the ladies served refreshments, after which social intercourse incident to such an occasion was enjoyed.

New Permanent Man. Frank Hutchinson, who has been appointed additional permanent man at the Franklin Engine house, will go on duty this morning. He was sworn in by Mayor Moir yesterday and obtained his new uniform.

Mr. Hutchinson has been a member of the Franklin Engine company since 1879, and has always been one of the most active men in the ranks of the volunteer firemen. He is thoroughly familiar with the duties of his position, and will undoubtedly make an excellent and valuable acquisition to the list of paid permanent men.

A Parsonage Wedding. On Thursday evening at 8 o'clock, John Jenkins, of Bellevue street, and Miss Elizabeth Ellis, of Sweetland street, were united in marriage by Rev. Thomas de Gruchy, D. D., at the parsonage of the Jackson Street Baptist church.

The couple were unattended. The bride wore white organdy, with hat to match. After the nuptial knot was tied, Mr. and Mrs. Jenkins were tendered a reception at the bride's home, and left on the midnight train for New York, Philadelphia and other points of interest. They will reside in a newly furnished home on Bellevue street.

First Baptist Church. Tomorrow renewed energy will be in evidence in all departments of the First Baptist church work. Nothing could be more hopeful for a grand outlook than the way in which all the departments have been sustained during the summer months, not one having to suspend with the regular order of service except the choir, which is accustomed to take one month for vacation. All the services will be of the regular order, and in the evening the pastor, Rev. S. F. Mathews, will deliver the eleventh of his doctrinal sermons, one of which is delivered on each communion night.

The Baptist Young People's union have planned for an enthusiastic meeting. The union meets in Ivorite hall at 6:30 p. m.

After the evening service the ordinance of the Lord's Supper will be observed. A cordial invitation is extended to all who desire to attend any of the services.

News Notes and Personals. Messrs. A. B. Eyon and A. M. Morse went to Lake Winola yesterday for a few days' rest.

Wanted to rent—a single house, centrally located, with modern improvements; six or seven rooms. Address, stating location and rental asked.

A BEAUTIFUL COMPLEXION FREE

MME. A. RUPPERT'S WORLD RENOWNED FACE BLEACH ALMOST WITHOUT COST
NO MATTER HOW BLEMISHED THE SKIN, FACE BLEACH WILL MAKE IT PERFECT

Mrs. A. Ruppert says: "My face bleach is not a new, untried remedy, but has been used by the best people for years, and for dissolving and removing freckles, pimples, moles, patches, blackheads, excrescences, tan, sallowness, roughness or redness of the skin, it is the most effective and beautifying complexion it has no equal. It is absolutely harmless to the most delicate skin."

The marvelous improvement after a few applications is most apparent, for the skin becomes as nature intended it should be, smooth, clear and white, free from every blemish, excrescence, tan, or discoloration. Its action is such that it draws the impurities out of the skin, and does not cover them up, and is invisible during use. This is the only thorough and permanent way.

During this month, I will offer to all a trial bottle of my world renowned Face Bleach, sufficient to show that it is all that I claim for it, and any reader of this can send me 25 cents in stamps or silver, and I will send the trial bottle, securely packed in plain wrapper, sealed, all charges prepaid. My book "How to be Beautiful" will be mailed free to all who will write for it."
