MAYOR MOIR CREATED LARGE SIZED FURURE

SENT TWO COMMUNICATIONS TO COUNCIL LAST NIGHT.

His Honor Sent Back to Select Council the Claims Against the City Made by D. P. Battle and J. D. Keator, Unsigned-He Declares That He Will Have No Slip-shod Manner in Dealing with Important Claims-Other Business Transacted at the Meeting.

Mayor Moir sent two communications to select council last night which caused a good sized commotion among the city fathers. In these communications he stated that he returned the papers relating to the claims made on the city by J. D. Keator for a buggy damaged through imperfections in the city roads, and also two letters referring to D. F. Battle's claim against the city for damages to his property caused by the bursting of a water

The mayor refused to sign either of the documents until a definite amount of damages was fixed and until it was proved in the case of Mr. Battle that the city and not the Scranton Gas and Water company was flable.

The moment Clerk Lavelle had read the mayor's missives several of the councilmen were on their feet, protesting that it was all a mistake and that the claims should not have been referred to the mayor at all.

At the last regular meeting of select council it was voted to give these two claims, and all others pending, into the hands of City Solicitor Vosburg for adjustment. The object of this was to have the solicitor decide the extent of the city's liability and then render a report to select council. The wording of the resolutions, howeyer, was such that it seemed to imply that the city solicitor was empowered to settle the claims.

VETOES SUSTAINED.

The mayor's veto was sustained by council, however, in both cases, Councilman Finn's motion to pass the meas-

ure over the veto being twice defeated. The meeting was called to order by Councilman McCann, who presided in the absence of Chairman Wagner, The reading of the minutes was suspended till next meeting, and Clerk Lavelle read the two communications from the mayor, the one relating to Battle's claim first.

At its conclusion Councilman Vaughan sprang to his feet and exclaimed: "That wasn't meant for the mayor. It was referred to the city solicitor. How did it ever get into the mayor's hands?"

The two communications were as

rested early yesterday morning by Sergeant of Police Ridgway and a squad of officers and taken to the central police and the property of the police and the caused by a burst of the water main. Gentlemen: I berewith return papers relat-ing to a claim against the city in favor of J. D. Keator. The claim may be correct and rea-

sonable, but I cannot approve of it as it now I see that Mr. Reator proposes that if the city will purchase a new wagon for his use he will consider the same to be a settlement in full of all claims on his part against the city. There is no stipulated sum agreed upon to be paid for the new Keater wagon. I don't know whether the committee or whoever may make the purchase, will select a \$50 or a \$500 wagon,

Consequently I cannot endorse any such slip-shod methods of doing business in the settlement FINN'S MOTION LOST.

Councilman Finn's motion to pass it

BRIBERY ALLEGED BY MEN'S UNION

THREE WARRANTS WERE IS-SUED YESTERDAY.

They Were Directed Against C. W. McKinney, Select Councilman T. C. James J. Grier-Hearings Will Be on Saturday Morning Before Alderman Fuller-Charges Grow Out of the Recent Electric Light and Telephone Fights.

Another move has been made by the Men's union against councilmen and others who, it is alleged, are responsible for at least some of the corrup-tion which, as rumor would have it, has been rampant in the city hall for

several years.

Before Alderman Frederick Fuller, vesterday, E. B. Sturges swore to information charging C. W. McKinney with corrupting city officials, and Colonel H. M. Boles swore out warrants against Select Councilman T. C. Melvin, of the Eighth ward, and Common Councilman James J. Grier, of the Third ward. They are charged with soliciting bribes and giving bribes to

city officials. The information lodged against Mc Kinney is as follows:

State of Pennsylvania, County of Lackawanna, as Be it known that on the seventh day of September, A. D., 1990, before me, an aldern and for the Sixteenth ward of the city of according to law, says upon information and belief, that on the first day of December, A. D., 1898, and at divers other times within two years last past, at the city of Scranton and county aforesaid, one C. W. McKinney did offer, promise and give money and other things of value to John Doe, being then and there a member of the meil of the city of Scranton, a city of the third class, and to various other members of the councils of said city of Scranton, to the affant unknown, to influence him, the said John Doe, of his and there public and official duties, cor trary to the form of the statute in such case made and provided and against the peace and dignity of the commonwealth, and upon the like information and belief that the said Carl W. Mc Kinney on the said first day of December, 1808, and at divers other times within two years last past, at the city of Scranton and county aforesaid, did, by offer and promise of money and other things of value, endeavor to influence Richard Roe, being then and there a municipal officer of the city of Scronton, and various other mun-cipal officers to affant unknown, in the diharge, performance and non-performance of the acts, duties and obligations pertaining to his and their office and offices contrary to the form of the statute in such cases made and provided, and against the peace and dignity of the commonwealth. Edward B. Sturges. Sworn and subscribed to before me, Sept. 6 900. Frederick Fuller, Alderman.

WARRANTS SERVED.

The warrant was served upon him by Agent Robert Wilson, of the Men's union, and McKinney was released in his own recognizance to appear at a hearing Saturday morning at 10 o'clock. The information against the two councilmen was identical. They will have hearings Saturday morning ot 10 o'clock. The information in the Grier case follows:

ounty of Lackawanna, State of Pennsylvania, ss.: Be is known that on the sixth day of September, A. D., 1900, before me, an alderman in and for the Sixteenth ward of the city of Scranton, Lackawanna county, Pennsylvania, an ex-officio justice of the peace, personally appeared H. M. Boles, who, being sworn according to law, says Mrs. Anna McHale, of 339 South Ninth upon information and belief that on the first other times with two years past at the cir of Scranton and county aforesaid, one James Grier, being then and there a member of common council of the city of Scranton, demand and receive from one John Doe and from various other persons to the deponen unknown, a certain sum of money for his vote and official information and for withholding the same with an express understanding that his vote and official ac. n as such member of the council should be influenced thereby, contrary

to the form of the statute.

And upon like information and belief, the said James J. Grier on the first day of December, A. D., 1898, and at divers other times within two years last past, at the city of Scranton, did offer, promise and give money and other things of value to Richard Roe, being then and there a member of the councils of the city of Scranto and to various other members of the said city of Scranton to the deponent unknown, to influence him and other members of the councils in the perfermance of their public and official duties,

contrary to the form of statute. Sworn and subscribed before me this sixth day

of September, A. D., 1900. Frederick Fuller, Alderman,

WAS ARRESTED BEFORE. Councilman Grier has heretofore been arrested by the Men's union on two charges of accepting bribes, and is now under ball pending the hearing

of the cases in court. While no specific charge is made in the informations, it is understood that the alleged bribing was done in connection with the electric light and telephone ordinances which were before councils.
