THE CATARRH OF SUMMER.

Rev. Chas, Leander, San Francisco, Cala. Rev. Charles Leander, paster First Spiritual society of San Francisco, writes from 311 Turk street, San Fran-

sco, Cala., as follows:
"It is with pleasure that I give my endorsement of Peruna. My experi-ence has been very satisfactory from its use, and I do firmly believe that it is the best known remedy for catarrh in all its different forms."

Mrs. E. Gibson, Waxahachie, Texas, in a recent letter says: "I was troubled for five years with a chronic disease.

I tried everything I heard of, but nothing did me any good. Some doctors said my trouble was catarrh of the bowels and some said consumption of the bowels. One doctor said he could cure me: I took his medicine two months, but it did me no good.

try Peruna, and I did so. After I had taken two bottles I found it was helping me, so I took six bottles, and "A friend of mine advised me to it cured me sound and well. If anyone wants to know what Peruna has done for me, if they write to me I

Emma Mankin, Mont Eagle, Tenn., in a recent letter, says: "I have suf-fered with catarrh of the stomach and bowels for three years. I tried three doctors and several different medicines recommended for troubles similar to mine. Your medicine was recommend-ed to me, and after the use of thirteen

bottles I was entirely cured."

The exceedingly hot weather of the present summer is producing an alarming fatality from diarrhoea, cholera infantum, cholera morbus and dysentery. Every family and person ought to be provided with an effective presenter and complete the control of the cont to be provided with an effective preventive and cure for these diseases. Peruna never falls, when used in time, to cure the most severe cases of them. Thousands of lives are safed by this unfailing remedy in all acute diseases of the stomach and bowels. If you are not already acquainted with the wonderful virtues of Peruna in summer complaints, send for a free book written by Dr. Hartman, Columbus, Ohio, on diseases peculiar to summer, which contains a description of the causes, symptoms and cure of these dangerous imptoms and cure of these dangerous and prevalent diseases. WANTS RECEIPT FOR \$1,100.

School Board in Session. G. F. Swigert created quite a stir at last night's school board meeting by introducing a resolution calling for a copy of the settlement with Contrac-Noian in the matter of the bill of extras. Mr. Swigert said he understood the order had been charged to ie board at the bank and that no receipt had been given for it by Mr. Nolan. Also that the contractor intends to bring suit against the district for the remainder of the bill.

In round .umbers the original bill was \$2.700. Items to the amount of ordered paid. Then considerable time was spent on the bill and while, acis said to be legal, the board decided to pay Mr. Nolan \$1,190 more for all claims in full.

Mr. Swigert contends that the only way to have secured the board was to get an assignment of the claim, which

should present the receipt, but the measure was defeated by Messrs. Hockenberry, Moon, Hughes and Gal-

The occasion of Mr. Hughes' statement were the reports which came in all morning regarding overcrowding of many of the schools as a result of the breaker boys and mine boys enrolling at the different district schools. The crowded conditions existed principally in Nos. 3, 5 and 7, and it is estimated that in all fie hundred boys were enrolled. In some of the rooms considerable difficulty was experienced in getting seats for the new pupils. The school board will meet this evening to take care

THEATRICAL.

Began a Week's Engagement.

The Wolford-Sheridan company opened a week's ngagement at the Academy of Music last evening, presenting Howard Hall's great romantic drama, "The Soldier of the Empire." The piece was hand-somely staged and costumed magnificently. Mamie Sheridan-Wolford was seen in the leading feminine role, that of Louise De Vere, and portrayed the part with exquisite taste and ability and made berself a favorite with the audience in a short time. The leading male part feil to the lot of S. C. Halsey, a fine looking young man, who played the part of Gilbert De Montville to perfection, and shared the appliause if the audience with Miss Wolford. The Had Almost Given Up, but Was of the play takes place during the period known Brought Back to Perfect Health as the "Hundred Days" in French history, beginning with Napoleon's escape from Elba, and ending with his subsequent exile to St. Helena, and na'es a beautiful story as produced by the

Wolford theritan company.

An olio of vauleville acts was given before the curtain rose on the first act, which proved a very novel feature of the performance. The acts were of a very high order and pleased the patrons exceedingly well, especially Leitz' trained patrons exceedingly well, especially Lettz trained dogs, who did most everything possible without speaking. The dogs, no doubt, will afford the stildren at the daily matiness much pleasure. The house was packed and all left the theater well pleased. The matines bill for today is "Lady Lift" and tonight Arnold Wolford's own play, "Taken from Life," will be produced.

"Naughty Anthony."

The part of Malamo Batterfly in the beautiful little play that will procede "Naughty Anthony" at the Lyceum theater next Priday evening will be played here by Miss Vaierie Bergere.
