## BAPTIST CHURCH UNDERGOING REPAIRS

INTERIOR OF JACKSON STREET EDIFICE BEING BEAUTIFIED.

Rev. De Gruchy and a Force of Young Men Have Transformed the Auditorium Into a Very Pretty Room-Local Strike Situation Still Unchanged - Changes at Club House-Republican Campaign Soon to Be Opened-Two Funerals Yesterday-Other Notes.

The improvements now being made in the Jackson Street Baptist church are being completed, and when finished will be second to none in the city. The four walls have been completely covered over with raised tin sheeting and the corrugated ceiting has been painted in pretty tints-

The raised work on the walls is being prominently brought out, and the pillars on either side of the choir loft are decorated in stere-relief, making an exquisite interior finish.

The paster, Rev. Thomas De Gruchy, has superintended the job and has also taken an active part in the work. The combined assistance of the young men in the church has enabled the pastor to carry out the work on hand, and, if the structure will be ready for occupancy some time next week.

#### Strike Situation Unchanged.

The strike situation in West Scranton is as yet unchanged, and will undoubtedly continue so for some time to come. The men are conducting themselves in a peaceable manner and thus far no violence has occurred.

It was learned yesterday that a committee of local mine workers have gone to Hazleton to learn the exact status of affairs and will report to the local unions upon their return. Business interests have been affected by the strike to some extent, but not to seriously cripple any of them thus far.
