## PICKING COAL FROM THE CULM DUMPS

PRACTICE NOW INDULGED IN BY MANY PERSONS.

Abandoned Piles on Luzerne Street the Mecca for Hundreds of Men, Women and Children Who Screen the Coal from the Dirt and Cart It Away by the Ton—Miners Meeting in Flanagan's Hall—Presentation to Letter Carriers—News Notes and Personal.

One of the most picturesque sights in connection with the present strike is being enacted on the culm dumps in the Keyser Valley region, where large numbers of people gather daily to pick coal from the dumps and carry it away in bags, boxes, wheelbarrows, pails and wagons. On nearly every dump, from early morning until late at night, can be seen men, women and children engaged in this money-saving occupation.

Probably the best representation of this practice can be seen at the end of the Luzerne street car line, where an abandoned dump was literally covered with people yesterday afternoon. The culm pile has been abandoned for many years, and is located midway between the Luzerne street culvert and the Hyde Park breaker, on the land now in litigation by the Fellows estate.

About three hundred persons were gathered there in groups, having staked out claims here and there, and were working them for all they were worth. The small boy or girl picked the fine pieces of coal and carried it away in bags and pails, while the men and women screened their coal and carried it away in wagons.

In some instances bed springs were used for separating the coal from the dirt, and all kinds of screens, sieves and other devices were in use to cull the coal. Here and there could be seen piles of coal already screened, and as the teamsters hauled it away, the piles would be replenished by the pickers.

The coal thus obtained is what is commonly known as buckwheat, and while it is not half as clean as the product of the breaker it is nevertheless good to burn, especially in boilers and furnaces. One enterprising firm had three men at work all day hauling the coal to their plant.

Not a few of the young men thus engaged realized sums of money from the work, and it was learned that several tons were disposed of at a dollar a ton. A rumor was afloat during the

Meeting at Flanagan's Hall. A large representation of the local unions of mine workers held a secret meeting in Flanagan's hall, on Luzerne street, yesterday afternoon, at which addresses were delivered by the officers and members. Henry Collins, of Carbonate, a member of the executive committee, was also present and addressed the men.

The principal object of the gathering was to divide the local branch into two divisions. A number of new members were initiated.

Returned from Montana. Mrs. Valentine Hess has returned from a ten weeks' visit with friends on the Sun River and in Cascade, Montana. She was accompanied home by her brother, Samuel Getz, and her sister-in-law, Mrs. Perry Getz.

## Peruna Cures Summer Catarrh

Anna P. Nichols, Vice Grand Baxter Rebekah Lodge, in a letter from 906 Main street, Kansas City, Mo., says:

"My friends recommended Peruna so highly that I purchased a bottle to try it and have never been sorry. At times my system became entirely run down, I could not sleep well and lost my appetite. Since I have used Peruna I feel like a different woman and hardly know what it is to be sick. I congratulate you on the merits of your wonderful medicine and wish you continued success."

Mrs. Gregor, Bagby, Tex., says: "Peruna has not only cured me of catarrh, but also of female complaint, of which I suffered a great deal. I shall always keep Peruna, and I do highly recommend it to every one in need, especially to young girls and women."

"I feel that I owe a world of gratitude to Dr. Hartman and Peruna." A constant drain of mucus from the system is known as systemic catarrh. This may occur from any organ of the body. Systemic catarrh is more common in spring and summer than in the winter. A course of Peruna now will do much more good than in the inclement weather of winter.

"Health and Beauty" sent free to women only, by Dr. Hartman, Columbus, Ohio.

Those present were Mr. and Mrs. E. W. Miller, Mr. and Mrs. Fred Peckhorn, Mr. and Mrs. Osborn Leonard, Mr. and Mrs. Derby, Mr. and Mrs. W. H. Jay, Mrs. Maud Heron, Mrs. Carrie Harris, Mrs. Minnie Scott, Mr. and Mrs. J. Davis, Mrs. Benedict, the Misses Fannie Miller, Hannah Davis, Violet Fahrnbolt, Bertha Clancy, Messrs. In honor of the fiftieth anniversary of the wedding of Dr. and Mrs. G. J. Chamberlain, the home on North Blakely street, was filled at various periods during last evening with friends and relatives, who had come from near and far to congratulate the couple on their happy union for a period extending over half a century. The home had been prettily decorated to suit the occasion, and although totally inadequate to hold the immense numbers who called during the evening, an exceptionally pleasant time was spent.
