has previously been intimated in these columns is one that a young girl should allow her mother to read...

HER POINT OF VIEW

THE OTHER DAY two young society people of this city started out for a drive...

One is forced to wonder what particular woman it was who formed Judge Grant's studies for "Selma White" in "Unleavened Bread"...

The entertainments will have pleasant social features in the opportunity for viewing the conservatories...

The Home for the Friendless has arranged a program for the Home for the Friendless...

Did you ever think that it would mean to be old and friendless; to have nobody in the wide world who loves you living or dead...

Many people in this vicinity seem to have strong attacks of religious fervor when their prayers and their resolutions which appear in the newspapers are exceedingly profuse...

Think sometimes about these children to whom their home and often their parents are gone...

Speaking of novels, one is reminded that occasionally somebody mentions "Senator North." Now, that book, as

They were rather silent on their way home, but once the young wife remarked reflectively, "And I had on my new golf coat, too..."

tions, of which the merchant seemed to think well, and concluded by saying that he is a Christian and very strict in his attendance upon all of his church duties...

"That is just the kind of man we want. I wish you would send him word to come to see us at once."

"The day is here when we cannot afford to take chances on our clerks. We must know that they are all right before we take them."
