Mr. Comegys' Attempt to Use the Testimony Adduced Before Alderman Fuller as a Lever to Get at the Asphalt Contract Again Was Not Successful—Jacob E. Shiffer Wants to Compel the Building Inspector to Give Him a Permit. Other Court Matters.

Attorney C. Comegys asked the court yesterday morning to reopen the equity suit of William Farrell and H. Campbell against the Barber Asphalt company, in which a decree was handed down by the court some time ago, sustaining the validity of the contract.

Mr. Comegys wanted the case reopened on the ground that the testimony taken recently before Alderman Fuller in the condemnation investigation proved that the contract was obtained by bribing city officials.

On the other hand, continued Judge Archbald, "here for six months the parties have acted upon that, the city of Scranton on the one side, the Barber Asphalt company on the other, the one doing the work, the other making payments for it."
