#### DPENING OF FOOT BALL SEASON

The Indian foot ball team, of this city, and the St. Thomas' College eleven, of Scranton, will open the season for this section at Alumni park Saturday afternoon. Manager Gilhool says it will be a "game for blood," Thomas C. Harvey, of West Mayeld, n thing which generally accompanies the game, whether played for or not. The line-up of the home team has been changed som what since Hadgins went to Scranton to play, so the boys have been forced to get down to afternoon, interment in Calvary cemhard practice in order to be in shape to meet a team reinforced by one of their best players. Another trouble has been caused by the fact that, all of the signals had to be changed before they could play against St. Thomas.

#### To Disprove Facts.-It is Decidedly Easy to Verify Scranton Opinion,

Nothing by way of an introduction could be added to the experiences and opinions given below, which could increase their value. Scranton people can safely be left to draw their own conclusions based on such convincing proof as this citizen offers. What is there lacking in evidence like this to satisfy a dyed-in-the-wool doubting Thomas?

Mrs. E. Davis, of 918 Hampton street, "My kidneys troubled me for three years more or less, with sharp, shooting pains in the small of my back less during the day than at night, unless I lifted anything or strained my back or overexerted myself in doing my housework. At night I turned from side to side trying to find a com-fortab e position, and it kept me awake for hours. There was also a kidney weakness which was very annoying and distressing at all times. I became so bad that I was confined to my bed for over a week and had to have a doctor. It was then that I saw Doan's Kidney Pills advertised and so highly recommended by Scranton testimony that I was induced to get them from Matthews Bros.' drug store. They proved to be just what I needed and helped me right away. My back was better and stronger than it had been for a long time and the kidney weak-

ness completely disappeared."
