St. Paul's Pioneer corps celebrated their fourteenth anniversary last evening with a banquet and social in Meats' hall. Covers were laid for 150 guests, the hall was profusely decorated and every detail tending to make the event a success was provided for.

Walter McNichols was the toastmaster and introduced the various speakers in a way that pleased the banqueters immensely. In his introductory remarks he welcomed all on behalf of the society and referred to the history of the organization from its inception.

John H. Devine, president of St. Leo's battalion, spoke in a practical way and drew eloquent in espousing the cause of total abstinence. There is urgent need, he said, of keen, active temperate men in every walk of life and the development of the rising generation along that line.

Frank McLain, ex-president of St. Paul's, spoke on the subject of "Unity in the Total Abstinence Movement," and Thomas Early responded to the toast, "The Relation of the Temperance Man to the Business Worker."

Was Under the Auspices of the Choral Union and Was Enjoyed by a Large Audience—Those Who Participated—A Supper Served in Honor of the First Anniversary of the Wedding of Rev. and Mrs. James Witke—Surprise Party Tendered Mrs. Henry Bainickel.

The second grand concert under the auspices of the Choral Union of the Hickory Street Presbyterian church, was held last night, before a packed house and it is safe to say that a more delightful concert was never given by any organization in this part of the city. That their efforts were well appreciated, was shown by the hearty applause evoked.

The union was in charge of Professor C. H. Derman of the Washington Street Presbyterian church, assisted by Miss Lydia Saller, soprano; Miss Beatrice E. Morris, alto; Miss Mabel Crist, pianist; F. H. Widmayer, violinist, and Baner's orchestra.

The soprano solo, the "Flower Song" from Faust, was rendered by Miss Saller, who possesses a powerful and clean soprano voice, in excellent style. She responded to an encore. Perhaps the most difficult and magnificent selection of the evening was the "Gloria" from Mozart's Twelfth Mass, which was sung in German, and which was rendered faultlessly.

Miss May Wirth, after an excellent rendering of "The New Kingdom," in a rich contralto voice, was presented with a beautiful bouquet of roses and carnations, as a token from her Sunday school class.

The programme in its entirety was as follows: Overture, selected. Bauer's orchestra; chorus, "Italian." (Donizetti) Choral union and orchestra; baritone solo, "At the Sound of the Sunset" (Bryson); Jacob, Edmond; chorus, "Sing on Sunset Bird" (Owen) ladies chorus; recitation, selected. Miss Beatrice E. The programme consisted of comic topical songs by Rudolph Junemann, selections by the Junger Maenner choir, and Organist Charles Scheuch; solos by Miss Emma Scheuch and Oscar Spitzner and a quartet by Miss Anna Pickus and Miss Emma Scheuch, and several selections from the church choir.

To Prove What the Great Kidney, Liver and Bladder Remedy Will Do for YOU, Every Reader of The Tribune May Have a Sample Bottle Sent Free by Mail.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood, that is their work. So when your kidneys are weak or out of order, you can understand how quickly your entire body is affected, and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the famous new discovery, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

Among the many famous cures of Swamp-Root investigated by The Tribune, the one which we publish today for the benefit of our readers speaks in the highest terms of the wonderful curative properties of this great kidney remedy.

Weak and unhealthy kidneys are responsible for many kinds of diseases, and if permitted to continue much suffering with fatal results are sure to follow. Kidney trouble irritates the nerves, makes you dizzy, restless, sleepless and irritable.

Several indignant citizens expressing their views, together with a spirited discussion by the members of council regarding the water difficulties, caused last night a special meeting of council to be a lively one for over half an hour.

The committee, Messrs. Payton, Jones and Brogan, reported that they had performed their duties and had waited upon the officials of the Scranton Gas and Water Company.

Several grievances were heard from property-owners, who stated they had tried their own means and were receiving no water. They wanted council to act and said so in very emphatic language.
