MASS MEETING IN FIFTEENTH

MELD UNDER AUSPICES OF T. J. REYNOLDS CLUB.

Flag Presentation and Addresses by Mayor Moir, W. Gaylord Thomas, H. R. Van Dusen, John J. Davies and Others-West Side Republican Club Adopt Resolution Urging Earnest Work by Members-Italian Severely Slashed with a Razor. Social Events, Funerals and Notes.

An enthusiastic meeting of the T. J. Reynolds Republican club of the Fifteenth ward was held last evening in D. D. Evans' hall, South Main avenue, at which addresses were delivered by H. R. Van Dusen, Mayor Moir, W. Gaylord Thomas and John J. Davles. The club was presented with a handsome flag by John H. Fellows, the presentation speech being made by John Reynolds and the gift was accepted on behalf of the club by President Thomas Davis.

Mr. Van Dusen began his remarks by saying that nothing he could express would adequately describe what Republicanism stands for. He referred to the history of the party, and thought that the real issue of the campaign is whether or not we are going to continue the conditions in existence at the present time.

Mayor Moir dwelt particularly upon the local nominees and culogized each one of them in turn. In referring to Mr. Connell he said that his Republicanism has never been questioned and that his close attention to duty in congress has carned for him a place among the foremost members of the house.

The mayor also referred to Congressman Connell's action in bringing about an adjustment of the miners' strike, and added that during the suspension of operations not one of Connell & Company's employes were refused the necessaries of life at any of their stores. "There is a united Republican party in Lackawanna county," asserted the mayor, "which augurs well for the success of the whole ticket.'

Mr. Thomas simply spoke as a citizen to fellow Republicans. He explained the meaning of imperialism, militarism and the so-called trusts and clearly defined what the free and unlimited coinage of silver at the ratio of 16 to In speaking about the increase granted the miners, the assistant district attorney expressed the belief that

if Bryan was elected the mine workers would get 10 per cent, decrease and no work at all.

John J. Davies' remarks were in line with the sentiments expressed by the other speakers, and he urged all the club members to stand by the party and the flag. All of the speakers were listened to with much interest and their remarks were liberally applaudthem ed. The club has a membership of over 200, and will participate in the

North Scranton demonstration this West Side Republican Club.

A regular meeting of the West Side Central Republican club was held in their rooms last evening. President F. B. Reese presided. A large representation of the membership was in attendance. That this club uses upon all its nembers the necessity of earnest, constant and gal activity toward promoting the election of all the Republican nominees; and it does further call upon all Republicans not to yield to prejuthe dice or favoritism, but adhere steadfastly to the Republican candidates and the principles they epresent, to the end that future Republican

All will wear their Rough Rider uniforms and carry the club lanterns. Spenal cars will be provided to convey the boys to and from the Auditorium.

Italian Slashed with a Razor.

Meagre details of a serious conflic between Italians at 134 Robinson street recently have just been learned. Several men and women were drinking together in the house, when a quarrel began, and one of the number flashed

a razor and proceeded to mutilate the face of one Savaria Ardoline. Part of his nose was cut off, his mouth, lips and chin were slashed in a horrible manner, and his countenance was otherwise disfigured, requiring two and one-half hours' labor on the part

of Dr. J. J. Carroll, who put sixty stitches into the man's face and neck. The boarding mistress, whose name

could not be learned, also suffered severe injuries, her hands having been cut in attempting to prevent the assailant's murderous assault. The people implicated in the affair maintain the utmost secrecy in regard to the details, and but little can be gleaned from The assailants made good their escape after the assault and are said to

have left the state. No arrests have been made, as the perpetrators of the deed are unknown. The police were not notified of the affair.

Loyalty Club's Anniversary.

The members of the Loyalty club

of the South Scranton Young Women's Christian association, will celebrate their third anniversary as an organization this evening in the association rooms on Cedar avenue, but how they will celebrate is a mystery, as the bevy of young ladies who form the entertainment and reception committee refuse absolutely to divulge any of their plans.

If their former receptions can be taken as a criterion, it will be safe to say that the surprise in store for the members tonight will be most agreeable. The club, which was organized three years ago, has shown steady progress, numerically and flnancially, and today has over seventy-five members enrolled, bright and active, who are ever on the alert for any work or duties connected with the Young Women's Christian asso-

ciation that may be assigned them.

NORTH SCRANTON NOTES.

Charles Lewis and Mary Thomas Wedded in the Primitive Methodist Church-Other Notes.

A pretty church wedding was solemnized last evening at the First Primitive Methodist church, East Market street, by the pastor, Rev. George Leese, when Miss Mary Thomas, the accomplished daughter of Mr. and Mrs. John Thomas, was wedded to Charles Lewis, of Leggetts street.

At 8 o'clock the bridal party entered the church, while the organ pealed forth the sounds of the Lohengrin wedding march. While the bridal party returned, Mascagni's "Intermezzo" was played in excellent style by Miss Elizabeth J. Owens. After the strains of the beautiful music came the ushers, Edward Lewis, brother of the groom, and John Hughes, of West Scranton. Then came the groom and his best man, John Littlejohn; then the maid of honor, Miss Alice Lewis, sister of the groom, and last the bride and her bridesmald, Miss Harriet Owens,

The bride was attired in white organdie over white silk, with chiffon trimmings, and carried a bouquet of white carnations and smilax. The maid of honor wore white Perslan lawn, trimmed with Valenciennes lace and net fichu, and carried light pink carnations. The bridesmaid wore Persian lawn, trimmed with chiffon and beading, and carried pink carnations.

The church and home were beautifully decorated with ferns and palms. A wedding supper was afterwards served at the home of the bride's parents. The gifts were costly and numerous. Mr. and Mrs. Lewis have the best wishes of their many friends through their new life. They will be at home after October 22, at 327 Spring street.

Mr. Whitehead sang "Stick to Your Union" and was repeatedly en. cored. A number of visitors from up and down the valley were present. In the near future the Wilkes-Barre organization will give a social, to which the members of this section are invited. The clerks of this part of the city held a meeting in Leonard's hall last evening. Business of much importance was transacted. A large number of the members were present.
