STREET CARS IN COLLISION

MOTORMEN ERR IN TRYING TO REACH A SWITCH.

Washburn-Drinker and Duryea Cars Collide at the Corner of South Main Avenue and Washburn Street and One of the Passengers Was Injured—Another Republican Mass Meeting Scheduled—Cases Before Alderman Kelly—Weekly School Deposits—Notes and Personals.

A collision last night resulted in two trolley cars being damaged, one passenger being injured, and nine others narrowly escaping injury.

Duryea car No. 316 and Washburn-Drinker car No. 308, both of the new vestibuled, air-braked pattern, the former in charge of Conductor D. Carter and Motorman Robert Monahan, and the latter Conductor C. Perry and Motorman Charles Newcomb, were due at the corner of Washburn street and South Main avenue about the same time, shortly after 10 o'clock.

Motorman Newcomb claimed to have the right of way, and tried to run the curve leading out of Washburn street into Main avenue, but Motorman Monahan was running his car too fast for him, and thinking he could make the switch first, put on more power. He succeeded an ordinary car's length all right, but evidently did not properly estimate No. 316's length, and when all but a few feet to the good of No. 308, he reversed the motor and turned on the air pressure, bringing his car to a standstill, just as No. 308 crashed into the rear end on the right-hand side facing north.

Newcomb claimed he could not stop his car in time to avoid the collision, alleging that the rails were wet.

Monahan also alleged that the rails were wet, and claimed that his car had the right of way into the switch at that point. The vestibule on No. 308 was damaged to some extent, and the front trucks were derailed. Several windows were broken in car 316 and the window casings damaged.

Only one passenger was in car 316 at the time, and nine were in car 308. Mrs. Hobbs, an aged woman, residing at 820 Harrison avenue, was the only one injured, and she was slightly bruised about the head and shoulders. Special Agent Stephen Dyer assisted her to the office of Dr. W. Rowland Davies, and after her injuries were attended to, she was discharged.

tended to, she was conveyed to her home in a carriage.
John B. McDermott, of 717 Hampton street, also claimed to be injured. He intimated that there was "a large lump on his chest" where he came in contact with a seat, but Dr. Davies stated after examining him, that there was nothing the matter with him. The collision delayed traffic for some time.

Three Aldermanic Cases.

John Simco and Peter Zuditch, both of Seventh street, were each prosecutor and defendant in two assault and battery cases before Alderman Kelly yesterday. Both are now under bail to appear at court.

John Phillips, who resides in the rear of 723 West Lackawanna avenue, had George Houslin arrested yesterday on the charge of robbery. The prosecutor alleged that Houslin took \$3.50 from him while both were drinking in a saloon. The evidence was insufficient, and Alderman Kelly discharged the defendant.

Mary Jones and Clara Bindle, of Christ court, quarreled yesterday and the latter threatened to kill the former. Alderman Kelly placed her under \$200 bail to relate her troubles in court.

Another Mass Meeting.

The voters of West Scranton are to be favored with another opportunity to hear the doctrines of Republicanism espoused by leading campaign orators before election day. St. David's hall has been secured for Tuesday evening, Oct. 30, and a rousing mass meeting will be held.

The orator of the occasion will be Hon. Hugh Gordon Miller, of Virginia, whose reputation as a campaign speaker is a No. 1.

Assistant District Attorney W. Gaylord Thomas will also speak in behalf of the local candidates, and it is expected several other well participate in the speechmaking. The local Republican clubs will take an active part in the meeting.

Trouble on Scranton Street.

Eva Spangenburg, who resides on Scranton street, between Seventh street and the railroad, got mixed up yesterday afternoon with Mary Jane Matthews, Mrs. Payton Taylor and Mrs. Robert Jones, and during the episode, "Little Eva" was somewhat disgraced. It was three to one, and naturally the latter was the aggrieved person in the contest.

The Spangenburg woman went before Alderman Kelly and asked for warrants for her assailants, but inasmuch as they have already been of much expense to the county, he refused to issue any. Miss Eva then asked to be committed for thirty days, and when the commitment was made out, she changed her mind and went her way peacefully and alone.

SOUTH SCRANTON NOTES.

Excellent Entertainment Given Last Night Under Auspices of Camp 430 Drum Corps.—Notes.

That the South Scranton people appreciate a good thing when they have one, was fully demonstrated last evening by the large turnout at Camp 430, Patriotic Order Sons of America, Budo, Pto and Drum corps' concert and ball, which was held in Athletic hall, on Alder street.

The members of the drum corps were ably assisted by the famous Junger Maennerchor, whose rendering of "Kromers' "Gulise an die Kellmaier," was received with much applause. The Maennerchor also rendered another number, which added greatly to the evening's entertainment. It was a competition song or "vocal combat," between the tenors of the society, who sang "The Young Remember Me," and the basses, who rendered ably, "Rocked in the Cradle of the Deep."

The tenor solo by Alfred Gutheinz, and the bass solo by John Kemper were of high order, while the monologue by Fred Jones was enthusiastically received. After the entertainment the spacious hall was cleared and dancing begun to music furnished by Professor Johnson. The committee in charge of the arrangements were: William J. Meister, H. C. Sames, William Kirohoff, F. C. Delsing and A. L. Bahr.

Other Entertainments.

Under the auspices of the Abbeiter-Fortbedlungs an entertainment and ball was given last evening in Work-lingman's hall, Alder street, a large assemblage being present.

The evening's entertainment consisted of character sketches, recitations and songs, and ended with a farce comedy entitled, "Menich Arger Dich Nicht," participated in by the following: Carl Hula, Clara Swagenberg, David Schurr, Carl Bihl, Sophie Huppertz and Ernst Koschinski.

The benefit and entertainment by St. John's society and Division 22, Ancient Order of Hibernians, in St. John's hall, Stone avenue, last evening, for the benefit of Patrick Collins, the young man who was very badly injured last September in the South mill, was a big success. The programme prepared was exceptionally fine, and consisted of monologues, recitations, solos and duets, all by local talent.

The committees in charge were: Reception, M. J. Nealon, Thomas Quinn, J. J. Hannon, John Langan and John Mulhern; door committee, Martin Lavelle, Walter Gibbs and Philip Mullerin; check room, Michael Heat, James Kane, Martin Lunney; door committee, Will Judge, Thomas McIntyre, Albert Kraft, John Rafferty, Robert Boland, Martin Snyder and James Johnson.

Test for Yourself the Wonderful Curative Properties of Swamp-Root

To Prove What the Great Kidney Remedy Swamp-Root Will Do for YOU, Every Reader of "The Tribune" May Have a Sample Bottle Free.

Reporters Have Convincing Interviews with Prominent People in Greater New York Regarding Wonderful Cures

DR. KILMER & CO., BINGHAMTON, N. Y., 58TH POLICE PRECINCT, GREATER NEW YORK.

I feel it my duty to send you an acknowledgment of the receipt of the sample bottle of Swamp-Root you so kindly sent me. I had been out of health for the past five years with kidney and bladder trouble. Had our best physicians prescribe for me. They would relieve me for the time being, but the old complaint would in a short time return again. I sent for a sample bottle of Swamp-Root and found it did me a world of good. Since then I have taken eight small bottles bought at my drug store, and I consider myself perfectly cured. It seemed as though my back would break in two after stooping. I do not have to get up during the night to urinate as I formerly did, three or four times a night, but now sleep the sleep of peace. My back is all right again, and in every way I am a new man. Two of my brother officers are still using Swamp-Root. They, like myself, cannot say too much in praise of it. It is a boon to mankind. We recommend it to all humanity who are suffering from kidney and bladder diseases.

My brother officers (whose signatures accompany this letter), as well as myself, thank you for the blessing you have brought to the human race in the compounding of Swamp-Root.

We remain, yours very truly,
JAMES COOK,
HUGH E. BOYLE,
JOHN E. BODKIN.

His Physician Prescribed Swamp-Root.
TO WHOM IT MAY CONCERN:
I was all run down in health and spirits, from overwork on the Exchange floor. I developed nervous neuralgia and also suffered from an acute attack of rheumatism.

Of course, I had careful medical attendance, but while convalescing my own physician himself ordered me to take Swamp-Root to build up my nervous system, and put my kidneys in shape. It helped me more than any curative or tonic I ever used, and now I always keep it in my medicine chest. With best wishes for sufferers,
Theodore van Wyck.

AS FAR AS THROOP STREET.
City Engineer Phillips has decided to allow the Girard Construction company to lay out its paving material on North Main avenue as far as Throop street, but no further. This action is taken because the engineer believes that by the time the pave is laid as far as this point, the weather will be too cold to proceed any further and the streets beyond would be only unnecessarily blocked if he allowed the bricks, etc., to be piled up.

It is so cold in the afternoons now that no "grouching," or filling the interstices between the bricks with cement, is done after 2 o'clock, for fear that instead of slowly hardening, the cement might freeze before it solidified.

Throop street is 7,400 feet from the beginning of the pave and about three-quarters of the entire distance to be paved. It is about 3,000 feet beyond the square.

How to Find Out if You Need Swamp-Root.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood that is their work. So when your kidneys are weak or out of order, you can understand how quickly your entire body is affected, and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the famous new discovery, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

Weak and unhealthy kidneys are responsible for more sickness and suffering than any other disease, and it permitted to continue fatal results are sure to follow. Kidney trouble irritates the nerves, makes you dizzy, restless, sleepless and irritable. Makes you pass water often during the day and often at night. Get up many times during the night. Causes purty or dark circles under the eyes, rheumatism, gravel, catarrh of the bladder, pain or dull ache in the back, joints and muscles, makes your head ache and back ache, causes indigestion, stomach and liver trouble, you get a yellow, yellow complexion, makes you feel as though you had heart trouble; you may have plenty of ambition, but no strength; get weak and waste away.

The cure for these troubles is Dr. Kilmer's Swamp-Root, the world-famous kidney remedy. In taking Swamp-Root you afford natural help to nature's own system. It is the most perfect healer and gentle aid to the kidneys that is known to medical science.

If there is any doubt in your mind as to your condition, take your urine on rising about four ounces, place it in a glass or bottle and let it stand twenty-four hours. In examination, it is milky or cloudy, if there is a brick-dust settling, or if small particles float about in it, your kidneys are in need of immediate attention.

Swamp-Root is pleasant to take and is used in the leading hospitals, recommended by the best physicians in their private practice, and is taken by doctors themselves who have kidney ailments, because they recognize in it the most successful and successful remedy for kidney, liver and bladder troubles.

If you are already convinced that Swamp-Root is what you need, you can purchase the regular fifty-cent and one dollar size bottles at the drug stores everywhere.
