Test for Yourself the Wonderful Curative Properties of Swamp-Root

To Prove What the Great Kidney Remedy Swamp-Root Will Do for YOU, Every Reader of "The Tribune" May Have a Sample Bottle Free.

Reporters Have Convincing Interviews with Prominent People in Greater New York Regarding Wonderful Cures

DR. KILMER & CO., BINGHAMTON, N. Y., 58TH POLICE PRECINCT, GREATER NEW YORK.

I feel it my duty to send you an acknowledgment of the receipt of the sample bottle of Swamp-Root you so kindly sent me. I had been out of health for the past five years with kidney and bladder trouble. Had our best physicians prescribe for me. They would relieve me for the time being, but the old complaint would in a short time return again. I sent for a sample bottle of Swamp-Root and found it did me a world of good. Since then I have taken eight small bottles bought at my drug store, and I consider myself perfectly cured. It seemed as though my back would break in two after stooping. I do not have to get up during the night to urinate as I formerly did, three or four times a night, but now sleep the sleep of peace. My back is all right again, and in every way I am a new man. Two of my brother officers are still using Swamp-Root. They, like myself, cannot say too much in praise of it. It is a boon to mankind. We recommend it to all humanity who are suffering from kidney and bladder diseases.

My brother officers (whose signatures accompany this letter), as well as myself, thank you for the blessing you have brought to the human race in the compounding of Swamp-Root.

We remain, yours very truly,
JAMES COOK,
HUGH E. BOYLE,
JOHN J. BODKIN.

THEODORUS VAN WYCK, former Editor of the Mt. Vernon News, and now one of the most prosperous real estate brokers in New York, 128 South Eleventh Avenue, Mount Vernon, N. Y., writes:
To WHOM IT MAY CONCERN:
I had been a sufferer for over four years from severe attacks of rheumatism and kidney trouble, probably contracted by exposure on hunting expeditions and wading trout streams. I tried many remedies, the patent and other kind, but none of them seemed to do me any good. I was persuaded by an old and valued friend to try Swamp-Root, and frankly confess it has benefited me as no other medicine has. I now feel like myself again. I do not have the constant aches and pains which at one time seemed to make life unbearable. It is a positive benefit in ailments of this kind, I always keep it in the house, as it is just as necessary as bread and butter.

Very respectfully,
Theodorus Van Wyck

SOUTH SCRANTON

SPECIAL OFFICER JOSEPH GARDNER IS UPHELD.

He Objected to Emil Geissler Playing the Accordion and the Latter Was Fined by Alderman Ruddy—Annual Athletic Exhibition Tomorrow Night—Miss May Connell Entertained—New Debating Society Organized—Complimentary Ball—Accidents of a Day.

Joseph Gardner, of 915 Birch street, lower floor, is a special officer. He wears a brilliant badge that may mean a great deal; it may not. Sunday night it lost its significance, it was sequestered at and the officer wearing it was scoffed at and mocked. It was too much for human nature to bear and Alderman Ruddy was called upon last night to straighten out matters.

Emil Geissler, of 915 Birch street, upper floor, was celebrating something or other Sunday night, and unfortunately thought an accordion would help matters along. The celebrating was all right, but the accordion accompanying was all wrong, and as the pumped it, wherever the instrument was placed to soothe the dancing of a pair of feet, the occupants downstairs began hunting their tomahawks.

But Special Officer Gardner was thorough and he straightway plucked upon his manly bosom the stars of authority, and, marching upstairs, he authoritatively told them to quit or he said it, "to cut it out." Upon hearing this, the celebrants grew exceedingly wrathful, threatened all manner of dire things and made other remarks.

Alderman Ruddy heard the balance of the tale of woe last night, Geissler having been arrested, and the result was a fine and costs imposed on him.

Miss Connell Entertained.
Miss May Connell, of Cedar avenue, very pleasantly entertained a number of her friends at her home Saturday evening. The usual party diversions were indulged in, with solos by Miss Nora Howard and Master John Washburn, and flashlights by Gus Krause. Later, refreshments were served.

Those present were: Misses Margaret Howard, Gertrude Depew, Margaret Depew, Nora Howard, Margaret Howard, Nellie Gibbs, Mary Ticer, Lucy Ticer, E. Farrell, Anna Kearney, Tossie Scott; Messrs: Edward Scott, Edward Norton, Thomas Shea, Lester Adams, Harry Lavelle, Gus Krause, John Washburn, John Con-

nors, Thomas Connors, Louis Morlarity, William Jones, Robert MacLean, Thomas Gilroy and James Muldoon.

Annual Athletic Exhibition.
The annual turning exhibition and ball of the Scranton Athletic club will take place on Wednesday evening in the vaulting boxes. Aerial stunts and performances will be given by Messrs. Burke and Keiser, and turning and bending by David Johns. Immediately following the exhibition, there will be a complimentary ball.

New Debating Society.
The St. Aloysius society have lately organized a debating and debating club, which will meet during the winter every Thursday evening in Phlegmacy hall, and discuss current topics. The members of this society are all vigorous and intelligent young men, and hours of improvement, as well as pleasure will be profitably spent during the winter.

Complimentary Ball.
The complimentary ball given last night in Athletic hall, under the auspices of the Star Social club, was a big success. Over one thousand invitations were issued, and by 9 o'clock the hall was jammed with pleasure-seekers. Music for dancing was furnished by Professor Johnson, with William Water as promoter.

Two Accidents.
Walter Gallego, of 1421 Prospect avenue, broke his right arm yesterday, while playing about the street. He was taken to the Lackawanna hospital for treatment.

A young son of Mr. and Mrs. Nick Gaule, of South Washington avenue, fell down a flight of stairs yesterday morning and dislocated his left arm. Dr. J. J. Walsh attended to his injuries.

BRIEFLY MENTIONED.
A concert of rare excellence will be given tonight in Athletic hall by the Scranton Liederkreis, assisted by the Scranton Liederkreis and the famous Junger Maennerchor, the three societies uniting in several numbers. After the concert a reception will take place.

Miss Howlands, assistant secretary of the South Scranton Young Women's Christian association, returned yesterday from Reading, where she attended

the state convention of the Young Women's Christian association. Miss Howlands reports the meetings were of a deep, spiritual nature, and largely attended.

The Swiss Benevolent society has arranged an elaborate entertainment to celebrate the independence of Switzerland, on November 1, in Music hall. The Junger Maennerchor will meet at Germania hall at 7:45 o'clock sharp this evening to attend the concert of the Saengerkrunde.

The grammar and arithmetic classes of the Young Women's Christian association met with a full attendance last evening. Of course, I had careful medical attendance, but while consulting my own physician himself ordered me to take Swamp-Root to build up my nervous system, and put my kidneys in shape. It helped me more than any curative or tonic I ever used, and now I always keep it in my medicine chest. With best wishes for sufferers.

How to Find Out if You Need Swamp-Root.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work. So when your kidneys are weak or out of order, you can understand how quickly your entire body is affected, and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the famous new discovery, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

Weak and unhealthy kidneys are responsible for more sickness and suffering than any other disease, and if permitted to continue fatal results are sure to follow. Kidney trouble irritates the nerves, makes you dizzy, restless, sleepless, irritable. When you pass water often during the day and obliges you to get up many times during the night, causes puffiness of face, it is a brick under the eye, rheumatism, gravel, catarrh of the bladder, pain or dull ache in the back, joints and muscles, makes your head ache and back ache, causes indigestion, stomach and liver trouble, you get a sallow, yellow complexion; makes you feel as though you had heart trouble; you may have plenty of ambition, but no strength; get weak and waste away.

The cure for these troubles is Dr. Kilmer's Swamp-Root, the world-famous kidney remedy. In taking Swamp-Root you afford natural help to nature, for Swamp-Root is the most perfect healer and gentle aid to the kidneys that is known to medical science.

If there is any doubt in your mind as to your condition, take your urine to a physician, or, if you cannot place it in a glass or bottle and let it stand twenty-four hours. If, on examination, it is milky or cloudy, if there is a brick under the eye, or if small particles float about in it, your kidneys are in need of immediate attention.

Swamp-Root is pleasant to take and is used in the leading hospitals, recommended by skillful physicians in their private practice, and is taken by doctors themselves who have kidney ailments, because they recognize in it the greatest and most successful remedy for kidney, liver and bladder troubles.

If you are already convinced that Swamp-Root is what you need you can purchase the regular fifty-cent and one dollar size bottles at the drug stores everywhere.
