SATURDAY'S FOOT BALL GAME. Manager Flaherty, of Stroudsburg,

Objects to High School's Claim.

Manager P. F. Flaherty, of the Stroudsburg Normal school foot bal eleven, was yesterday in the city and last night called at The Tribune office and remarked that he wished to correct the report of Saturday's foot ball game at Stroudsburg which has appeared in all the local papers.

In this paper the statement was made that a thirty-five yard run in the second half by Tropp, of the High school, which would have given the Scranton team the game by the score of 11 to 10 was decided by Referee Parviss to have been made out of bounds. This decision, it was claimed, was made after this official had first called a touchdown.

Plaherty states that Captain Tropp after running about ten yards went out of bounds and Purviss called him back. When the referee ordered him back. When the referee ordered him to stop the Stroudsburg players ceased their pursuit, but the High school captain continued down the field and refused to abide by the referee's derefused to abide by the referee's de-

minutes to play, and, on his refusing to do so, forfeited the game. This, Mr. Flaherty states, is the true version of the case.

Davitt, the hard-playing full back of the Normal team was laid out during the game and will probably be unable to play again this season. On the kick-off in the first half Tropp ran with the ball and Davitt made one of his vicious hard tackles. He collided with the runner with great force and his nose bone was broken and eye bone
