## THE SCRANTON TRIBUNE-FRIDAY, NOVEMBER 9, 1900.

## THE KNIGHTS OF OLD

## The One Foe They Feared.

The Knights as a rule feared "no foe in shining armor." In the fights they indulged in it was give and take, and as a rule the best man won. But there was one foe who ever haunted the damp and draughty castles of the Knights, one of whom they stood in abject fear, and that foe was rheumatism. Rheumatism in the shoulder and no more swinging of the sword. Rheumatism in the legs and no more striding of the war charger. Un-happy were the servants of the Knight who was kept at home by stiffened limbs and aching bones when great things

were toward. Every friend became his enemy as he looked at the good sword on the wall and vainly tried to raise the impotent arm.

Words it has been said are fossil history. The Roman naturalists christened the leopard leopardus because they supposed the spotted creature was the joint offspring of lion and tiger. So the name leopard, embalms ancient ignorance and

preserves it like a fly in amber. It is the same with the word rheums-Its name implies that it was suptism. posed to be a sort of rheum, a catarrhal affection, such as results from a cold. And while the treatment for rheumatism was based on that theory it was small wonder that cures were infrequent. Today we locate the cause of rheumatism in the blood and we drive it out scientifically by the use of Doctor Pierce's Golden Medical Discovery.

#### THE MODERN TREATMENT.

"Quite a number of years ago, when I was a girl at home, my father was pros-trated upon a bed of sickness," writes Mrs. P. M. Wheeler, of No. 2 Ann Place, Bradford, Penna. "He had rheumatism and a complication of troubles which baffled the skill of three of our best physicians. All through the winter months he lay upon his bed, suffering severely at times with rheumatism in his limbs. While in this condition a pamphlet containing a description of Dr. Pierce's remedies fell into his hands. I remember of his sitting up in bed and reading it through and then exclaiming, 'That medicine is just what I need!' Just then a neighbor came along who was going to town and we sent for a bottle of Dr. Pierce's Golden Medical Discovery. We laid aside the doctor's medicines and commenced giving my father the 'Golden Medical Discovery,' according to directions. The first three days he felt worse, as is often the case After that he commenced to gain. His physician was surprised at the change in is condition and candidly admitted that the 'Golden Medical Discovery' was doing more for him than he had been to do. In less than two weeks my

father was up with his clothes on. He continued taking the medicine and in a short time was well, and ever afterward was loud in his praises of Dr. Pierce's Golden Medical Discovery as he told of the wonderful cure it performed in his

case." When the cause of rheumatiam is located in the blood it is at once evident that the one thing to do is to purge the blood of the acids and poisons which breed and feed the disease. In all com-mon forms of blood disease, Dr. Pierce's Golden Medical Discovery may be used with absolute confidence in the result. It cures scrofula, salt-rheum, tetter, eczema, pimples, boils, ulcers, sores and eruptions of all kinds which are caused by the corrunt condition of the blood. the corrupt condition of the blood by the It is the

All contributors and friends of the deceased are invited to David James, one of the most respected residents of this town died at his home on the West Side Wedneshonor his memory by their attendance day morning, after suffering several months of cancer of the stomach. De-ceased was 58 years of age and during his residence of 33 years in this town he made many friends and but few enemies. He was a member of

the Independent Order of Forresters. Besides his wife he is survived by six sons and two daughters.

The funeral will take place this afternoon at 2 o'clock. Services will be conducted at the P. M. church, and interment will be in Langeliff cemetery.

The school board met in special session last evening to transact the unfinished business of Monday evening's meeting. Members present: Dixon. Ward, Weber, Doran, Ward, and Davis. They decided to centralize the night school and on Monday evening Miss Anna Ward will begin her duties in No. 1 building. Should the room be overcrowded another teacher will be engaged. Acting upon a resolution that was adopted at the county institute that each teacher be allowed one day to visit other schools, it was decided to grant that privilege to the borough teachers. The points gleaned from these visits will be afterwards discussed among the teachers. School will be closed on Thanksgiving and the day following. The following bills were ordered paid: Mrs. A. B. Curley, \$14.93; Patrick Scabell, \$34.18; Spring Brook Lumber company, \$2.20; H. G. Phelps, \$87.11; G. V. Webber, \$104.62;

James Doran, \$77.10. The fan house recently erected by the Avoca Coal company above Lin-
