Marguerita sylva, in Kirk La Shelle's opera comique, "The Princess Chie," met with a dem-onstration on the opening night of her engagement in Buffalo last week that has scarcely been equalled in that city. special to the Scranton Tribune. Tunkkennock, Nov. 9.-The official count the vote of this county was finished here today. Owing to the fact that H. W. Bardwell, asso-

crate judge, was a candidate for re-election, the cturn board was composed of the register, W. Shaw, John W. Gray, sheriff, and E. M. Vaugin, E. W. Farrer and E. D. Robinson, county commissioners. The count of the vote showed no changes from the figures previously given, except in the case of the office of representative. In counting the vote for that of ice a discrepancy was discovered in the returns from Mouroe township, the open return and scaled return sheet showing that 108 votes ad been east for H. D. Tiffany, Republican, while the tally sheet showed that but 103 votes had been cast. This difference was sufdelent to change the result of the election as liftany only had three majority on the face of the returns. On discovering the error, the poard adjourned until 7 o'clock last evening to enable interested parties on both sides to look up the matter, and at that time met decision rendered was that the vote should b counted at 105 in accordance with the tally heet and the certificate of election was directed o issue to A. H. Squier, the Democratic cauwas announced, a large crowd having been at tracted there by the news of the contest. The final vote gives Squier, Democrat, three ma-

arming from the vote given to R. S. Edmiston. the Honest Government candidate for senator in this district, in this county last Tuesday. Mr. Edmiston, of Bradford, and Mr. Lewis, of this county, were rival candidates for the Republi-can nomination before the Republican conference of the district, and on account of a dis counties in the conference no legal nomination was made. The Bradford people were very confident of their ability to elect their conlidate without any belp from Wyoming, and refused to make any concessions in the matter whatever. Mr. Edmiston filed nomination papers under the name of Honest Government party and asserted his intention of running whether he should make the Republican nomination or not. and threatened to defeat Wyoming's candidate in case he should be declared the legal nomince. In accordance with the decision of the Dauphin county court there was no name in the Republican column for senator and a large number of Republicans contented themselves with the straight Republican ticket and did not vote for senator, with the result that Mr. Edmiston polled only \$34 votes, as against 2,247 for McKinley, and this in spite of stremous efforts put forth in his behalf by his few triends in this county. If the Republicans had toted for the Democratic candidate instead of not voting on the question at all Edmiston would have been defeated in the district. Brad-ford should reflect on this before the next seuitorial conference.
Lie result of this election is to take away

from the Republicans the last offices which they held in the county with the exception of register and recorder, and those offices which the law gives them, one commissioner and one jury commissioner. Four years ago the Republeans held every office in the county from the president judge down. In that time they have ose them all, solely through dissensions in their own ranks, and, in a county with from 200 to 300 natural Republican majority have let the Democrats carry off excrything in sight,

Oldest Merchants, Passes Into the James Barrett died on Thursday

evening. These few words will convey a world of meaning to the business men, the residents of this city and many outside it, for they tell of a loss which the community will keenly regret. The news of his death was not generally known until this morning, and when the report spread rapidly it caused universal mourning.

On Tuesday morning of this week The Tribune in this column announced that Mr. Barrett would reopen his store that day in order to dispose of his goods, after a long illness, and after the sale would retire. But he did not regain sufficient strength to carry out his declared purpose and others must do the work he planned. Mr. Barrett was one of the pioneers of this, the Pioneer City. He was born here in 1835, and had resided here ever

since. He was the son of James and Nora Barrett. In 1858 he and his brother, M. L. Barrett, opened a store on lower South Main street. Eight own, at the Chestmit Street Opera house, in Philadelphia, where it will remain until it opens the new Colonial theatre in Boston in December.

A BEAUTIFUL COMPLEXION

MME. A. RUPPERT'S WORLD RE-NOWNED FACE BLEACH AL-MOST WITHOUT COST NO MATTER HOW BLEMISHED

Madame A. Ruppert says:

"My Face Bleach is not a new, untried remedy, but has been used by the best people for years, and for dissolving and removing forever pimples, freekles, moth patches, blackheads, eczema, tan, sunburn, sallowness, roughness or redness of the skin, and for brightening and beautifying the complexion it has no equal.

It is absolutely harmless to the most delicate skin.

It is absolutely harmless to the most delicate skin.

The marvellous improvement after a few applications is most apparent, for the skin becomes as nature intended it should be, smooth, clear and white, free from every impurity and blemish. It cannot fail, for its action is such that it draws the impurities out of the skin, and does not cover them up, and is invisible during use. This is the only thorough and permanent way.

way.

During this month, I will offer to all a trial bottle of my world renowing Face lileach, sufficient to show that it is all that I claim for it, and my reader of this can be sufficient to show that it is all that I claim for it, and my reader of this can send me 25 cents in stamps or silver, and I will send the trial bottle, securely packed in plain wrapper, scaled, all charges prepaid.

My book 'How to be Beautiful' will be mailed free to all who will write for it."
