Lyceum, is today the recognized American writ-

er of modern farce.

The first four named comedies were not altered in a single instance, either in word, text or situation, from the first performance, some-thing extremely rare nowadays, in most in-stances it being a well known fact that authors have remained with their companies for weeks at a time, altering and making such changes as were thought necessary. Mr. Broadhurst, above all else, claims absolute

cleantiness in his plays, and "The House That Jack Built" will prove no exception to this Jack Built" will prove no exception to this rule.

"The Gunner's Mate."

The navat drama has always found a very large place in the hearts of the patriotic thea-ter-going American public, but "The Gunner's Mate," which is to be presented at the Lyceum next Saturday afternoon and night, under the direction of Manager Augustus Pitou, seems to touch more harmoniously and more responsively the popular chord than any previous effort in this class of aramatic production, George A. Gilday, who was bugler on the New York and who received his honorable discharge, has been specially engaged to appear in the production this season. Before such a background the author of the play, William J. Mc-Kiernan, has set a story thrilling with heart interest, its people drawn in the likeness of nature, and the incidents of their lives made to weave out a most sensational and dramatic denouement. The love and comedy elements are adroitly introduced, the play works itself out most satisfactorily. Singing and some experbuck dancing and a glove contest by real pugil-ists are introduced during the progress of the

The Social Maids.

There is ginger as well as variety in the per formance of Hurtig & Seamans' "Social Maids," who appear at the Gaiety tomorrow. The organization is a large one and includes elever coincidens and pretty girls who can do something more than merely pose in scant costumes and otherwise, and a really notable entertainer in the person of Mile. est for Yourself the Wonderful Curative Properties of Swamp-Root

To Prove What the Great Kidney Remedy Swamp-Root Will Do for YOU, Every Reader of "The Tribune" May Have a Sample Bottle Free.

Reporters Have Convincing Interviews with Prominent People in Greater New York Regarding Wonderful Cures

58TH POLICE PRECINCT.

GREATER NEW YORK.

I feel it my duty to send you an acknowledgment of the receipt of the sample bottle of Swamp-Root you so kindly sent me. I had been out of health for the past five years with kidney and bladder trouble. Had our best physicians prescribe for me. They would relieve me for the time being, but the old complaint would in a short time return again. I sent for a sample bottle of Swamp-Root and found it did me a world of good. Since then I have taken eight small bottles bought at my drug store, and I consider myself perfectly cured. It seemed as though my back would break in two after stooping. I do not have to get up during the night to urinate as I formerly did, three or four times a night, but now sleep the sleep of peace. My back is all right again, and in every way I am a new man. Two of my brother officers are still using Swamp-Root. They, like myself, cannot say too much in praise of it. It is a boon to mankind, We recommend it to all humanity who are suffering from kidney and bladder diseases.

My brother officers (whose signatures accompany this letter), as well as myself, thank you for the blessing you have brought to the human race in the compounding of Swamp-Root. We remain, yours very truly, JAMES COOK,

THEODORUS VAN WYCK, former Editor of the Mt. Vernon News, and now one of the most prosperous real estate brokers in New York, 128 South Eleventh Avenue, Mount Vernon, N. Y.

I had been a sufferer for over four years from severe attacks of rheumatism and Kidney trouble, probably contracted by exposure on hunting expeditions and wading trout streams. I tried many remedies, the patent and other kind, but none of them seemed to do me any good. I was persuaded by an old and valued friend to try Swamp.Root, and frankly confess it has benefited me as no other medicine has. I now feel like myself again. I do not have the constant aches and pains which at one time seemed to make life unbearable. It is a positive benefit in ailments of this kind. I always keen it in the house, as it is just as necessary as bread and butter. keep it in the house, as it is just as necessary as bread and butter Very respectfully.

His Physician Prescribed Swamp-Root.

NEW YORK, Nov. 18, 1899. TO WHOM IT MAY CONCERN:

I was all run down in health and spirits, from overwork on the Exchange floor. I developed nervous neuralgia and also suffered from an acute attack of rheumatism.

Of course, I had careful medical attendance, but while convalescing my own physician himself ordered me to take Swamp-Root to build up my nervous system, and put my kidneys in shape. It helped me more than any curative or tonic I everused, and now I always keep it in my medicine chest. With best wishes for sufferers,

How to Find Out if You Need Swamp-Root.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important or-

The kidneys filter and purify the glood-that is their work.

So when your kidneys are weak or out of order, you can understand how quickly your entire body is affected, and how every organ seems to fall to do its duty. If you are sick or "feel badly," be-

gin taking the famous new discovery. Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone. Weak and unhealthy kidneys are responsible for more sickness and suffering than any other disease, and if permitted to continue fatal results are sure to follow. Kidney trouble irritates the nerves, makes you dizzy, restless, sleepless and irritable. Makes you pass water often during the day and obliges you to get up many times during the night. Causes puffy or dark circles under the cyes, rheumatism, gravel, catarrh of the bladder, pulls or dull ache in the back, joints pain or dull ache in the back, joints and muscles, makes your head ache and back ache, causes indigestion, stomach and liver trouble, you get a sallow, yellow complexion; makes you feel as though you had heart trouble; you may have plenty of ambition, but no strength; get work and waste no strength; get weak and waste

The cure for these troubles is Dr. Kilmer's Swamp-Root, the world-famous kidney remedy. In taking Swamp-Root you afford natural help to nature, for Swamp-Root is the most perfect healer and gentle aid to the kidneys that is known to medical sci-

If, on examination, it is milky or cloudy, if there is a brick-dust settling, or if small particles float about in t, your kidneys are in need of immediate attention.
