Potatoes Sliced and Browned—A change from the ordinary way of frying potatoes which have been previously boiled is obtained by slicing them evenly and browning the slices upon a greased hot frying pan as you would pancakes, turning each slice.

SOME STARTLING FACTS OF VITAL INTEREST TO WOMEN

WINTER IS JUST BEFORE US. Biting Winds, Cold Drizzling Rains, Sloppy, Muddy Streets and Sudden Changes in the Temperature.

AD. writes: "When I wrote you for advice I had pain in the lungs and continual hoarseness through the winter months. I finally received great benefit from Peruna."

Mrs. L. J. Woodward.

Mrs. Parker Cured of Pelvic Catarrh by Peruna.

Mrs. Rose Parker, President William Downes Woman's Relief Corps, No. 43, also chaplain North Western Legion of Honor, writes from 219 Central avenue, Minneapolis, Minn., as follows:

Mrs. Worrell Cured of Offensive Catarrh of the Head by Peruna.

Mrs. R. E. Worrell, 102 Orleans street, East Boston, Mass., writes:

Mrs. Woodard Cured of Catarrh of the Lungs by Peruna.

Mrs. J. L. Woodward, West Danville.

Mrs. Woodard Cured of Catarrh of the Lungs by Peruna.

Mrs. J. L. Woodward, West Danville.

The coming winter will cause at least one-half of the women to have catarrh, colds, coughs, pneumonia or consumption. Thousands of women will lose their lives, and tens of thousands will acquire some chronic ailment from which they will never recover.

Unless you take the necessary precautions the chances are that you (who read this) will be one of the unfortunate ones. Little or no risk need be run if Peruna is kept in the house, and at the first appearance of any symptom taken as directed on the bottle.

A cold is the starting point of more than half of the fatal illness from November to May.

A cold is the first chapter in the history of every case of consumption. A cold is the first stage of chronic catarrh, the most loathsome and stubborn of diseases.

A cold is the legitimate parent of a large family of diseases such as bronchitis, pleurisy, pneumonia and quinsy. To neglect a cold is almost suicide.

Peruna is a safeguard, is a preventive, a specific, is a cure for all cases of catarrh acute and chronic, coughs, colds, consumption, etc.

Miss Kahl Cured of Hemorrhages of the Lungs by Peruna.

Miss Caroline J. Kahl, Otisville, Ind., says: "I had hemorrhages of the lungs nearly every day for a year, and three bottles of your Peruna cured me."

Mrs. Zerk Cured of Chronic Catarrh of Ten Years' Standing.

Mrs. Mattie Zerk, 838 Forest avenue, Oak Park, Ill., writes: "I suffered for ten years with chronic catarrh. The slightest cold made me very sick. I could not speak aloud for three months. I took Peruna, and am now in perfect health; am entirely free from catarrh."

Mrs. Messer Cured of Catarrh of the Head and Running Ears.

Mrs. Barbara Messer, Freedom, Pa., speaks as follows of Peruna: "I suffered from chronic catarrh of the head

When a Piano Salesman

tries to improve his chances of selling some other piano by abuse of the STIEFF, it is a plain confession that his piano is not as good as the STIEFF. It is logical and it is common sense to believe that no piano could gain, and maintain for more than half a century, the wonderful prestige and popularity of the STIEFF unless it possessed highest merit. The manufacturers of

have always held that the money spent on self-glorification could be put with more advantage into their instruments, thus giving purchasers certain benefits in quality and price which are denied them by other manufacturers whose energies and means are so largely spent in attempts to purchase and influence public opinion in their favor.

A BEAUTIFUL COMPLEXION FREE

MME. A. RUPPERT'S WORLD-RENOWNED FACE BLEACH ALMOST WITHOUT COST. NO MATTER HOW BLEMISHED THE SKIN, FACE BLEACH WILL MAKE IT PERFECT.

Madame A. Ruppert says: "My Face Bleach is not a new, untried remedy, but has been used by the best people for years, and for dissolving and removing forever pimples, freckles, moths, patches, blackheads, eruptions, tan, sunburn, sallowness, roughness or redness of the skin, and for brightening and beautifying the complexion in all cases, it is absolutely harmless to the most delicate skin."

The marvelous improvement after a few applications is most apparent, for the skin becomes so tender and so delicate, it should be smooth, clear and white, free from every impurity, and it remains so. It cannot fall, for its action is such that it draws the impurities out of the skin, and does not cover them up, but cleanses the pores. This is the only thorough and permanent way.

During this month, I will offer to all a trial bottle of my world-renowned Face Bleach, sufficient to show that it is what I claim for it, and any reader of this can send me 25 cents in stamps or silver, and I will send the trial bottle, securely packed in a wax wrapper, sealed, all charges prepaid.

My book "How to be Beautiful" will be mailed free to all who will write for it.
