CARBONDALE VS. DUNMORE THE FOOT BALL GAME BREAKS UP IN A DISPUTE.

The Honors Are Claimed by Both Teams—Dunmore Made a Protest on What Seemed to Be Poor Grounds—Claimed the Ball Was Out of Bounds When Indians Made Their Touchdown.

The football game in Alumni park yesterday afternoon between Dunmore and the Indians of this city was a fine exhibition of the loss of sight of the many players and the great fumbling. As a result of the game both teams are victors in their own words are taken. In the second half Murphy, for the local team, secured the ball on a fumble for a punt and sped down in field for a touchdown. The Dunmore team claimed that the ball had gone out of bounds and the Carbondale eleven contended that it had not been within ten yards of a boundary line. The referee decided in favor of Dunmore and the umpire and the two line-men in favor of Carbondale. The game then broke up with both teams claiming a victory. Dunmore, by a score of 5 to 0, and the Indians by a score of 6 to 5.

The day was an ideal one from the game from a spectator's standpoint, but too warm for the players. Captain Horan of the visitors won the toss and chose the north goal.

The game started at 3:40. Hansen kicked to Horan, who gained five yards. On a cross-pass between Killian and Johnson, three yards were made. Two line bucking attempts gained nine yards. Johnson added four yards and Killian covered three. A center play netted eight and a second attempt four. Johnson skirted the end for four, and Killian duplicated the feat around left end. The Indians held for downs and on first line up tackle formation made two, and Hansen clipped off eight yards. Two unsuccessful attempts to gain for the Indians to punt. McHale secured the catch ball secured by McHale for the Indians. Ball on Dunmore's 25-yard line. Hansen and McHale covered three yards of real estate and McHale circled the end for eight yards. Three bucking attempts by Hansen gained two. In the next two attempts the necessary number of yards was not secured and the ball went to Dunmore. Guards back made two yards and Horan punted. Hansen catching the ball and cancelling it six yards before being thrown heavily to another earth. Now came the sensational play of the game. The ball was fumbled and secured by Duane of Dunmore who started down the field. Hope followed in his wake. As the latter sprung for a tackle he was pushed off by Horan and Duane, scored a touchdown. It was a grand dash of over 100 yards and the crowd flocked on the field. Horan failed to kick a goal.

Hansen kicked off to Horan, who advanced the ball eight yards. Moran made two yards around left end and on a center play two yards more were chopped off. Two attempts at the bucking added four and on the next play Moran lost to Carbondale's ball on downs. Hansen made two on center play. The ball was fumbled and secured by Dunmore. Moran made one yard, and Horan eight. Duane tried to circle end, but the ball was fumbled and the Indians secured it. Hansen made four yards, to which Hope added three on an end run and Murphy struck left tackle for three yards, and Hope circled the end for five. Murphy added three and Hansen three yards. Crane punted out of bounds. J. Hanson secured the ball. Hope skirted the end for three yards and Murphy added three. Thirty seconds to play! Ball on Dunmore's 25-yard line. Hansen attempted a place kick, the ball being blocked and secured by the Indians. Another six yards was made for a goal kick, but it proved a miserable attempt, and Dunmore secured the ball. First half ended with score in favor of visitors of 5 to 0.

SECOND HALF.

Dunmore kicked off to Hope, who made four yards, following with an end run for the same amount. Crane punted and Moran fumbled on the catch, the ball falling into the hands of Murphy, who sped down the field with five of the Dunmore team in pursuit. With cheers ringing in his ears Murphy outdistanced the men of his rear and scored a touchdown. The goal was kicked making the score 6 to 5. This was the play upon which the protest was made, and the game ended in a fierce dispute. The ball was not out of bounds. The crowd surging on the field and covering the boundary line. Another six yards was made for a goal kick, but it proved a miserable attempt, and Dunmore secured the ball. First half ended with score in favor of visitors of 5 to 0.

The line-up was as follows: McNulty, center; J. Hansen, right guard; O'Connell, left guard; O'Connell, right tackle; Sullivan, left tackle; Sullivan, right tackle; Sullivan, left half back; Sullivan, right half back; Sullivan, full back; Sullivan, quarterback; Sullivan, punter; Sullivan, kicker; Sullivan, referee.

May Use Electricity.

It is said that in the near future E. E. Hendrick will entirely supplant the use of steam in his Dundaff street shops by electricity. He has had motors in use in part of his works for some time and has found them highly satisfactory. Van Bergen & Co. have also definitely decided to use electricity in place of steam power hereafter.

THE DAY OF THANKS.

Generally Observed in This City and Many Homes Made Bright by Family Reunions.

Yesterday was generally observed in this city and its environs in accordance with the proclamations issued by the president of the United States and the governor of Pennsylvania as a day of thanksgiving. A VERY SUCCESSFUL SOCIAL.

Burke's Hall Thronged with a Gay Crowd of Dancers.

A Thanksgiving social was given last evening in Burke's hall by the Recherche Dancing class of this city, and in spite of the rainy night it was one of the most successful holiday dances ever given by this famous body of merry-makers. Over seventy couples were in attendance and they were all young persons intent on having the best time that could be obtained. The foot ball teams of Dunmore and the Carbondale Indians, who had indulged in a rougher pastime in the afternoon, were present, and all traces of resentment that were manifested at the game had disappeared. Each wore their colors and the members of the Recherche Dancing class all had their light blue badges on their chests. The dancing was done with a white chrysanthemum and the ladies were nearly all adorned with flowers. The partakers of the enjoyment were representative of the most popular and prominent circles of the city. A lack of space forbids enumeration of the names of the many couples. Prof. John Firth furnished the music, and Joseph Walker prompted. The fun was kept up long after Thanksgiving had departed.

UNION THANKSGIVING SERVICES HELD YESTERDAY.

The Congregations of All the Protestant Churches Gathered in Tripp Avenue Christian Church and Listened to a Most Eloquent Sermon by Rev. A. J. Van Cleft, Pastor of the Methodist Episcopal Church. Revival Services Still in Progress. Other News Notes.

The annual union Thanksgiving services were held in the Tripp Avenue Christian church yesterday morning. The congregation was the largest that has attended this service in many years. The church was handsomely decorated with waving ferns and beautiful white chrysanthemums, the splendid big autumn flowers giving a very pleasing effect to the room. The musical programme was very ably carried out by the choir, composed of singers from the various churches in town. The solo "On the Golden Threshold," was very beautifully rendered by Mrs. Horatio Keller, of Scranton. The organ was presided over by Miss Blackman, of Wyoming seminary.

JERMYN AND MAYFIELD.

Two very interesting games of foot ball were played here yesterday afternoon. On Fowler's field the Miners association team met their second defeat this year at the hands of the Rovers, of Richmond. The local team did their best to even up their record, but the visitors had no trouble in reaching the Jermyn goal and after scoring four goals, allowed the locals to get a goal, the game ending in a score of 4 to 1. The game was witnessed by quite a large number of people. Simultaneous with the above, the East Side Indians were giving the Jessup High School team a hard tussle on their grounds on the East side, and they succeeded in upholding the honor of the borough by defeating the visitors by a score of 5 to 0. Lathey, Brown, Bruce and McAndrew did excellent service for the home team, and the first three made some pretty runs. Murray, one of the visiting players, met with a painful injury to his shoulder and left the game just after the second half commenced. The line-up was as follows: Jermyn—Dougher, center; W. Trotter, left guard; McAndrew, left tackle; Rowe, left end; H. Trotter, right tackle; Leary, right tackle; O'Brien, right end; H. Trotter, left half back; Lathey, left half back; McGovern, quarter back; Bruce, full back; Jessup—Rolls, center; Hoban, right tackle; McAndrew, right guard; O'Connor, right end; Walsh, left tackle; Gallagher, left half back; O'Brien, right half back; Brown, right half back; Burns, left half back; Murray, full back. Service was held in the Primitive Methodist church, officiated by a Rev. Cook, pastor of the church, officiated and preached a very forcible sermon, which made a deep impression upon those present. Interment was afterwards made in the borough cemetery.

TAYLOR.

On the Riverside grounds yesterday afternoon, in the presence of about 700 people, the Burns and Gendall elevens battled for supremacy. Both teams put into the field the best of their material. The Burns team had a line full of stone wall. Full Back Evans was a tower of strength, as his line plunges were of the best. Day, at left half back, and Glynn, at left end, also did good work. The former distinguished himself in the first half, carrying the oval for forty yards and a touchdown. The playing of the Gendall eleven was not marked by any particular features, save the end running of the backs, Gendall and Burns. Both teams were equal in touchdowns were made by Day and Evans and Left End Glynn kicked the goal. Referee, Burns, B. G. Referee, Lally; umpire, Hider; timekeepers, Murray and Powell; linesmen, Howells and Sullivan.

Revival Services.

Gibbons delivered the address, taking for his topic, "The Love of Christ." We have not had a more forceful sermon since the revival meeting began, and we hope to see the Holy Spirit to guide us, and assist us in the inquiry.

Another Child Dead.

Another of the children of Mr. Clarence Hedgell, of Throp street, died last night as the result of a recent sickness with diphtheria. The child had recovered from the disease, but did not seem able to rally, and gradually failed until death relieved him. This is the second child of Mr. Hedgell that has died within the past week. The stricken parents have the sympathy of a large number of friends in this, their hour of trial.

GOOD LIVING

Is Often a Cause of Bad Health.

That bad health and good living often go together as cause and effect is a proposition which will be accepted at once by any practicing physician. Common sense living would demand that we ate only when hungry and that food should be chosen first for its nutritive value and then for its palatableness. So-called "good living" reverses these rules. Meals are taken at stated hours without reference to hunger or physical requirements. If appetite is lacking, stimulating cordials or liquors are often used to induce a false appetite. Food is not

chosen with regard to its nutritive value but for its pleasure to the palate. As a natural result the stomach is over-loaded with a quantity of innutritious material and the body is deprived of its due nourishment.
