Three Years Old . . . Growing Bigger and Better

On Monday, December the tenth, the store of Jonas Long's Sons enters upon its fourth year in Scranton. With three years of success back of it, the foundation is substantially laid.

As each new birthday comes into view, we think of the first one in 1897 that gave to Scranton this magnificent mercantile establishment. We think of that memorable night when the doors first swung back and revealed to so many thousands the real conditions of an up-to-date department store.

It was as much of a novelty then as it is a necessity now. Everything in connection with it presaged success. The city of Scranton, with its hundred thousand souls, had room for it; it wanted it; it welcomed it. The passing throng of faces, many familiar and some strange, give daily evidence of the need of the store and its position in public esteem and confidence. As the store thrives and grows and we record these anniversary periods, so important to us and you, all we can do is to bundle our gratitude into an earnest and honest "THANK YOU."

Just for One Day. Monday, December 10.

THIRD ANNIVERSARY SALE

The celebration of a birthday naturally calls for a demonstration of some kind or other. This year we digress from our usual custom, and give our public a sale of merchandise for one day, that we are quite sure will be found very acceptable to the great mass of people who are anxious to save money.

NEVER BEFORE HAVE WE GIVEN SO MUCH FOR SO LITTLE.

There are represented in this advertisement sixty-one distinct lots of merchandise, all bought for this anniversary occasion and marked at considerable less than even their actual values. We have chosen the most seasonable articles so as to conform to your present requirements, and promise the greatest day of value-giving in the Big Store's history.
