EPIDEMIC OF GRIP WORST EVER KNOWN

GRIP BACILLUS EVERYWHERE—IN THE AIR WE BREATHE. IN THE WATER WE DRINK, IN THE FOOD WE EAT

Bacillus of Grip. Magnified 16,000 times.

Hundreds of car loads of Peruna are shipped in all directions to meet the extraordinary demand of the grip epidemic. Everybody laying in a stock of this valuable remedy in time to meet the terrible enemy, the Grip. The extensive facilities of the manufacturers taxed to their utmost to meet the urgent demand for Peruna. Almost everybody has the Grip. Taken at the appearance of the first symptoms of the grip, not only is Peruna a prompt cure for the grip but it prevents those disastrous after effects so characteristic of this dread disease.

Peruna not only cures the grip but prevents it. Taken in time thousands of lives will be saved in this present epidemic. Every family should take the precaution to secure a supply of Peruna as a remedy for the retail and wholesale stock of the remedy may be exhausted by the enormous demand for it. It is wisdom to have Peruna in the house even before the grip attacks the household. It has been ascertained by a reporter that the following people of national reputation have given prompt endorsement and testimonials to Peruna as a remedy for the grip: Congressman Howard of Alabama, says: "I have taken Peruna for the grip and recommend it as an excellent remedy to all fellow-sufferers." Congressman White, of North Carolina says: "I find Peruna to be an excellent remedy for the grip. I have used it in my family and they all join me in recommending it." Mrs. C. W. Curtis, of Washington, D. C., daughter of Judge Anderson, of Virginia, says: "I was taken very ill with the grip. I took Peruna and was able to leave my bed in a week." Mrs. Harriette A. S. March, President of the Woman's Benevolent Association, of Chicago, writes: "I suffered with grip seven weeks. Nothing helped me. Tried Peruna and within three weeks I was fully restored." At the appearance of the first symptoms of grip people should stay indoors and take Peruna in small doses (teaspoonful every hour) until the symptoms disappear. This will prevent a long, disastrous sickness and perhaps fatal results.

Scranton, occupied the pulpit in the Presbyterian church on Sunday morning. Rev. Mr. Moffat delivered a very forcible and eloquent sermon. Several excellent musical numbers were rendered during Sunday evening's services at the Calvary Baptist church. The church quartette rendered two beautiful anthems, and Messrs. Arthur Morgans and W. L. Jones rendered baritone and tenor solos. Two other duets were also heard in a pleasing duet. Mrs. Richard O'Horo and Mrs. W. R. Jones attended the funeral of Mrs. Robert Hutton, at West Scranton, yesterday.
