

NEWS OF THE LABOR WORLD

LACKAWANNA'S BIG ORDER FOR LOCOMOTIVES.

Ninety-two Additional Engines to Be Added to Its Rolling Stock. The Lackawanna Board for Today. Railroad from Williamsport to Port Jervis Surveyed—Statistics About the Production of Pig Iron. Changes Made in the Port Morris Yard—Other Notes.

Beginning with February 1, the Lackawanna locomotive department will be augmented by ninety-two additional engines, which are now in course of construction at the Schenectady Locomotive works, Schenectady, N. Y., and the Dickson Manufacturing company's shops in this city.

The work on the engines is being rushed as rapidly as possible, and when the new additions are made to the motive power, there will be a total of 725 engines in the Lackawanna's service. Of this number 621 are now either in use or under repair, as about 15 per cent. of the locomotives of any railroad are constantly undergoing repairs.

The orders for the new engines have been placed as follows: Dickson Manufacturing company—Fourteen switch engines, for general use; twenty soft coal burners, for use on the Buffalo division; ten hard coal burners, for general freight traffic.

Schenectady Locomotive works—Twenty soft coal burners, for use on the Buffalo division; twenty hard coal burners, for general freight traffic; eight passenger engines for main line transportation.

The only difference between the hard and soft coal burners will be in the fireboxes, the former permitting the use of the fine washed coal and other small sizes, while the latter will only be fed with the bituminous fuel, which comes in large lumps, and crumbles when the heat penetrates it.

Another Railroad Scheme. Within the past few years proposed coal fields have been heard of periodically, but they never materialized. A railroad, with its western terminus at Williamsport and its eastern at Port Jervis, is now promised, and Wilkes-Barre is to be one of the most important cities it will touch.

The new road is planned to start at Williamsport on the West Branch of the Susquehanna, and cross the river in the direction of Harvey's lake, thence along Harvey's creek to West Nanticoke. Crossing the river above Nanticoke, the route cuts across towards Ashtabula, and striking the mountains, passes the same, continuing along the mountain at a point back of the Baltimore reservoir, crosses the cutoff at back of Miner's Mills, thence by direct route to Gouldsboro, on through Pike county to Port Jervis.

An advance sheet of the bulletin of the American Iron and Steel association gives the total production of all kinds of pig iron in 1900 as 13,189,242 gross tons, as compared with 13,229,703 tons in 1899, 11,779,524 tons in 1898 and 10,524,880 tons in 1897. The production in 1900 was thus 18.53 per cent greater than in 1899. The production of pig iron in the second half of 1900 and the first of 1901 aggregated 14,974,105 tons, or a decline in production in the second half of 1900 as compared with the first half of 1,495,898 tons.

The production of Bessemer pig iron in 1900 was 7,918,432 gross tons, against 8,202,778 tons in 1899. That of basic pig iron, all made with coke or mixed anthracite and coke, was 1,972,376 tons, against 945,024 tons in 1899; spiegel-eisen and ferromanganese, 555,977 tons, against 219,748 tons in 1899, and of charcoal pig iron 329,574 tons, against 234,766 tons in 1899.

Changes in Port Morris Yard. The Hill switch in the east-bound yard at Port Morris will be disconnected from the interlocking plant tomorrow, and thereafter operated by hand.

Derail will be put in lead track east of the Hill switch and dwarf signal moved about 300 feet east of present location and will govern the lead track. Dwarf signal governing west-bound movements from the Hill track will be removed.

D. L. & W. Board, for Today. Today's D. L. & W. board is as follows: Monday, Jan. 28.

WILD CATS, EAST. 8 a. m.—W. L. Blair. 10 a. m.—J. W. Devine. 11:30 p. m.—J. Costello. Tuesday, Jan. 29.

WILD CATS, EAST. 12:30 a. m.—A. Rows, with J. Mester's men. 2 a. m.—Theodore Nannam. 4 a. m.—J. Murray, with C. Bartholomew's men.

WILD CATS, WEST. 4 a. m.—Two engines—E. Fitzpatrick. 5 a. m.—O. Randolph. 8 a. m.—F. Kingery. 11 a. m.—Two engines—A. Estelina. 11:30 a. m.—J. O'Hara.

PULLER. 10 a. m.—F. E. Scott. PUSHERS. 8 a. m.—Houser. 11:30 a. m.—McLean. 2 p. m.—Murray. 9 p. m.—Langing.

PASSENGER ENGINES. 7 a. m.—Gibson. 7:30 a. m.—Singer. 8:20 p. m.—Watson. 7 p. m.—Magovern. WILD CATS, WEST.

NOTICE. Conductor William McAllister will take his own run, the pick-up, tomorrow the 29th, east. Conductor A. E. Mullen and crew will run a p. m. wild cat west, place of Frank McKeon and crew, the 29th.

NOTICE. Conductor J. Conley will act on his own run with Conductor Henry Gilligan. This and That. The eye and ear examinations are now being held at Binghamton, and all who have not already passed through the car are expected to do so without further delay.

The girls employed at the Klotz Silk mill are still on strike and there are no indications of a settlement. Their grievances will be taken up by the Central Labor union at next Sunday's meeting of that body.

SICKLY WOMEN

It is too late, madam, your daughter cannot live.

Oh, mothers! do not wait for these heart-breaking words regarding those you love. Are your daughters pale, weary, languid? Do they have much headache and backache during their monthly periods? These are Nature's warnings to all sensible mothers. They need a pure, gentle, invigorating stimulant.

The following letter of Miss Carson will interest every woman: 847 Columbus Ave., New York. Gentlemen: "During the past summer I became very much run down in health and lost about thirty pounds. I suffered untold agony. Duffy's Pure Malt Whiskey was recommended to me by a friend, who said it saved her life. I had my doubts about it, but thought I would try it. I am now on my fourth bottle, and I must say that it has done me more good than all other medicines, and I think your whiskey is the greatest medicine on earth. Every woman should know about it. I recommend it to anyone who suffers as I did, as I think it is a God-send to women."

Gratefully yours, CLARA M. CARSON. I tried several. I had a cough, the doctor said my lungs were affected, I had indigestion, backache and headache, and was greatly troubled with painful menstruation. I also had numbness in my limbs. As soon as I began to take your Malt Whiskey I felt better, until now my cough has all left me, my lungs are perfectly sound, I have no more headache or backache, and I don't know what pain is. I can eat anything and it agrees with me. I am convinced all my troubles came from impoverished blood and poor circulation. I think your whiskey is the greatest medicine on earth. Every woman should know about it. I recommend it to anyone who suffers as I did, as I think it is a God-send to women."

Gratefully yours, CLARA M. CARSON. DUFFY'S PURE MALT WHISKEY is a specific and safe remedy for these ills peculiar to young women. It acts directly on the vital organs, stimulating them to healthy action, aids digestion and circulation, thus removing all irregularities and danger of quick consumption. It will surely give your daughters strength and rosy cheeks, and fit them for their useful sphere in life as healthy, happy wives and mothers.

FREE—Write us and state your case. It will cost you nothing for advice. Duffy's Pure Malt Whiskey is sold in sealed bottles only, if offered in bulk it is a fraud. Ask for the genuine; be sure you get it. All druggists and grocers, or direct, from a bottle. Medical booklet containing symptoms and treatment of each disease sent free for the asking. Duffy Malt Whiskey Co., Rochester, N.Y.

ing in the company's offices on North Eighth street. In addition to the election of a board of directors, a full dividend was declared, and the same accomplished during the past year, and that under way, was discussed.

The board of directors elected were as follows: I. A. Finch, L. W. Morris, W. I. Finch, Julian Morris and W. M. Gardner. The officers of the board elected were: I. A. Finch, president, and treasurer; L. W. Morris, vice-president, and W. M. Gardner, secretary.

PROPOSITION OF TURNPIKE COMPANY Its Written Proposal Regarding the Settlement of the West Market Street Dispute Considered.

The written proposition of the Abington Turnpike company outlining the terms under which it will deed a portion of West Market street to the city was presented yesterday at a meeting of the joint conference committee of councils held in City Solicitor Voshburg's office.

The company agrees in this proposition to deed over that portion of the street lying between Providence square and Seneca street to the city, providing the city agrees to pay the street to be at least thirty-five feet wide from the square to Brick avenue and at least twenty-five feet wide from Brick avenue to Seneca street.

The company further stipulates that the city must agree to pay the company for all repairs made on the street within the city limits in the past as per bills already rendered; that it must further agree to expend \$1,200 during the coming fiscal year in keeping the street from Seneca street to the stone bridge in a good and proper condition.

The company agrees to place the deed in the hands of certain trustees who are not to turn it over to the city until such time as the paving has been actually completed and the other stipulations of the proposition agreed to.

The committee had a long discussion over the proposition and all the members seemed to be generally opposed to the idea of the city being obliged to still keep part of the street in repair after the paving had been done. A counter-proposition was agreed upon but none of the members would say what it was. It is understood, however, to be an acceptance of all the provisions of the company's proposition with the exception of the one above mentioned.

STOLE AN OVERCOAT. Roy Gilbert Held Under \$300 Bail on This Charge. Roy Gilbert, colored, was held under \$300 bail by Mayor Mohr yesterday for his appearance in court to answer the charge of larceny.

Gilbert was arrested at 3 o'clock yesterday morning by Patrolman Goertzel for the theft of an overcoat. Word was received at the Center street station house that an overcoat belonging to Joseph McDonnell, employed by the Seneca Electric Light company, had been lost, and it was suspected that Gilbert was responsible.

Gilbert first denied all knowledge of having seen the overcoat, but when admonished to reveal its whereabouts, did so. The coat was found hanging in the cellar of the building at 297 Spruce street. Gilbert was committed to the county jail in default of bail.

THE BEST OF EVERYTHING. Through trains Chicago to Des Moines, Mason City, Sioux City, Omaha, The Black Hills, Denver, Salt Lake, San Francisco, Los Angeles, Portland, St. Paul, Minneapolis, Duluth, Ashland and Copper Country. Call on any agent for tickets or address.

CHICAGO & NORTH-WESTERN RAILWAY. The Wonders and Beauties of Earth's Largest Segment of Fairymore. Superb California, are penetrated only by the really sumptuous trains of the SOUTHERN PACIFIC COMPANY.

THE "LACKAWANNA RAILROAD" will open a new office on the southwest corner of Broadway and Twenty-eighth street on May 1. The company expects to make it one of the handsomest offices in the city of New York. It will be under the general direction of Mr. T. W. Lee, general passenger agent of the company, and will bring the Lackawanna into prominence in a portion of the city not heretofore reached.

THE FINCH COMPANY. Stockholders Held Their Annual Meeting Yesterday. The stockholders of the Finch Manufacturing company held their annual meeting at 10 o'clock yesterday morn-

ing in the company's offices on North Eighth street. In addition to the election of a board of directors, a full dividend was declared, and the same accomplished during the past year, and that under way, was discussed.

The board of directors elected were as follows: I. A. Finch, L. W. Morris, W. I. Finch, Julian Morris and W. M. Gardner. The officers of the board elected were: I. A. Finch, president, and treasurer; L. W. Morris, vice-president, and W. M. Gardner, secretary.

Itching Scalp.

Scald Head and the Most Violent Forms of Eczema and Salt Rheum Promptly and Thoroughly Cured by Dr. Chase's Ointment.

Among small children, scald head and similar itching skin diseases are most prevalent, and the worst feature is that these ailments, which are apparently trifling at first, almost invariably develop into chronic eczema if neglected.

There is but one treatment that physicians are unanimous in recommending for scald heads and eczema, and that is Dr. Chase's Ointment, the great antiseptic healer. It promptly stops the distressing itching which accompanies these diseases and positively produces a thorough and complete cure.

Scars and thousands of men and women stand ready to vouch for the merits of Dr. Chase's Ointment. It has brought about some of the most marvelous cures ever recorded. In justice to yourself and family, you cannot do without it in your home.

Mr. J. H. Grant, 716 Joseph Campan avenue, Detroit, Mich., writes: "For three years I have been troubled by an intense itching on my body. So terrible was it at times that I could get no rest night or day. I tried all kinds of ointments and blood purifiers, but could get no relief. Mr. H. A. Nicolai of 379 Division street recommended Dr. Chase's Ointment. A few applications stopped the itching and I have felt nothing since."

Baby Eczema. Mr. F. S. Rose of 133 Sixteenth street, Buffalo, N. Y., writes: "Our baby boy suffered for some time with that wretched eczema, and we were unable to find anything to cure or even relieve his pain. A few applications of Dr. A. W. Chase's Ointment stopped the itching and healed the sores, and a bright, natural skin now takes their place."

Dr. Chase's Ointment does not cause pain when applied, but soothes the sore or inflamed surface, so ointment at all dealers, or Dr. A. W. Chase Medicine Co., Buffalo, N. Y.
