### THE SILK WORKERS' WAGES.

#### A Decision Arrived at by Father Coffey—An Advance Recommended.

After nearly a month, one week of which was spent in his sick room, Very Rev. T. F. Coffey, V. G., has rendered his decision in the matter of the disputed wage scale for the silk workers in this city. It was made public yesterday and it is hoped that the decision will be accepted as final by both the mill managers and the workers. It is expected that such will be the result, for both parties signed an agreement that they would abide by the decision of the venerable priest, no matter which side obtained the victory in the long dispute. Father Coffey's decision follows:

Marcus Frieder, superintendent of the Throwing company and H. Collins and others of the Mimes' union representing silk mill workers. Gentlemen: In reply to your paper of the 5th inst. requesting me to mediate in the matter of adjusting the wages to be paid in the different departments of winders, doublers, spinners, reeders, and handers on the day shift, and spinners on the night shift, said rate to be based on the scale paid by the silk mills down the valley, I respectfully submit and recommend the rates found in the table below.

	Best	After	After

It is important to note that the above figures indicate the minimum rates.

### NOON AT THE HOME OF HER PARENTS ON NORTH WASHINGTON AVENUE.

Many friends of the stricken father and mother were present, a number being from out of town. The largest collection of floral offerings ever seen at a funeral in this city at this season of the year was grouped about the casket. The Rev. A. F. Cahfee, of the First Methodist church, delivered the invocation and read the Scripture lesson. The Rev. Charles Lee, of the First Presbyterian church, spoke words of consolation and peace to the mourning friends. He delivered an eloquent sermon, a masterpiece of sublime thought.

### CONSTABLES THREATENED.

#### Troubles Grow Out of a Foreible Eviction—A Racial Mix-Up.

Two local constables are head over heels in law suits as a result of their evicting the family of Joe Cooper, on the West side. It seems one of them had the eviction papers and, fearing that he had a pretty big job on hand, retained the assistance of Constable No. 2 and another man. Together they wended their way to the West Side home of the Italian, but, of course, were refused admission. However, they finally secured an entrance and in a short space of time the household goods and their owner were bundled into the street. There was wailing and gnashing of teeth by Mrs. Cooper, an Irish woman—her husband was at work. She entreated, scolded, and threatened, but the minions of the law heeded not and continued operations till the last vestige of Cooper-ware had been deposited on the public highway.

And then Mrs. Cooper, in post haste, made for the office of Alderman Atkinson. Scathingly she derided the audacious officers of the law and insisted on the alderman issuing an even half dozen warrants, four of them for one man, whom she charged with taking \$50, which she alleged disappeared in the fracas, entreated, scolded, and threatened, but the minions of the law heeded not and continued operations till the last vestige of Cooper-ware had been deposited on the public highway.

### BARBERS FIX PRICES.

#### No More Cut Rate Shaves—Heavy Penalty for Overwork.

The barbers' union of this city has no more in force a new tariff for every branch of work that comes under their hands. At their regular meeting on Monday evening the following scale was fixed upon: Ten cents straight for a shave, twenty cents for hair trimming and hair cutting, ten cents for "cutting" hair on top, ten cents for a shampoo, twenty-five cents for a single, ten cents for a sea foam, twenty-five cents for honing a razor, and seventy-five cents for concealing it, when it has to be sent out of town. This scale of prices does away with the card rates for shaves for \$1 and other commutation prices.

### "Brother Against Brother."

The Carner Stock company, new to this city, made another big hit last evening before a large audience in the Grand opera house. The play, "Brother Against Brother," the story was filled with interesting situations and strong climaxes. This is one of the most evenly balanced stock companies seen here this season. Specialties between the acts by the Fisher children, H. Edwards and Andrew Barton were warmly received, as were also the moving pictures. This afternoon a complete production of "The New East Lynne" will be given, and this evening Hal Reed's beautiful Southern drama, "The Knobs of Tennessee."

### A New Firm.

J. F. Sullivan and Edward Ryan, of this city, have formed a co-partnership for carrying on the general plumbing, heating and gas-fitting business. Mr. Sullivan has hitherto carried on an independent plumbing business in this city in the Stephens building, on Salem avenue. Mr. Ryan has for eight years been foreman of Bell & Brown's plumbing establishment. About March 15 the new firm will locate in the O'Connell building, on Salem avenue, now occupied by E. Edwards, who will remove to the Riverburg stand.

### Theatrical.

Wednesday matinee—"East Lynne."  
Wednesday night—"The Knobs of Tennessee."  
Thursday—"Michael Strogoff."  
Friday—"Rip Van Winkle."  
Saturday matinee—"Uncle Tom's Cabin."  
Saturday night—"Brother Against Brother."

### A Thimble Tea.

Mrs. Frank Hubbard, of 73 Lincoln avenue, entertained the ladies of the Trinity guild yesterday afternoon at her home. A very pleasant afternoon was enjoyed by a large number of members of the guild and some others. Refreshments were served.

### THE PASSING THROUG.

Mrs. Fred Edwards, of Scranton was a visitor in town yesterday. Mrs. C. S. Lewley, of Olyphant is visiting relatives in this city. Charles Campbell of Sand street, is confined to his home with the grip.

### THE PASSING THROUG.

Mrs. A. Mosher and Mrs. John Solomons of Jermyn, called on Carbondale friends Monday. Edgar Stuck has accepted a position as fireman with the Ontario and Western company.

### JERMYN AND MAYFIELD.

The reading rooms opened in the Stubbs building a few months ago, under the auspices of the Mine Workers' union, and which has been closed for the past fortnight, is, we regret to hear, a thing of the past. While the rooms have nightly been well patronized by the boys, the payment of dues have been lacking, and the rooms are to be given up and the contents to be disposed of, on account of insufficient financial support.

### CONSTABLE GILBY'S DAY.

Today is the time set for the trial in court of Constable S. A. Gilby, of the Fifth ward, who is charged with feloniously wounding Edward Gorman. It will be remembered that Gilby had been engaged with J. D. Stocker, was present at the last borough meeting, when Attorney A. J. Colburn, who assisted the borough attorney, presented his bill, amounting to \$25, which for nine days' service, was called for by the borough attorney. Verily, the law is a costly process.

### AT EMERGENCY HOSPITAL.

Willie Powell, aged 12 years, employed by the Mayfield, was brought to the Emergency hospital yesterday with one leg broken in two places just above the knee. The fracture was reduced and he was resting comfortably last night.

### TWO ENTERTAINMENTS.

The Women's Relief corps of Post Davies, G. A. R., gave their deferred entertainment last evening. A good programme was rendered under the auspices of the Lackawanna Symphony club.

### WILL HAVE TO STAY SOBER A MONTH.

For the second time within a week Milton Kinney, from Greenfield, appeared yesterday before Mayor Kilpatrick, on a charge of drunkenness. Last time "Milt" was taken before his honor he was released after a scene of most unbecoming conduct. His sworn pledge not to touch intoxicants again in this city for a year. He was arrested again on Monday on the same charge. This time the mayor was in a less lenient mood and he imposed a sentence of thirty days in the county jail. Kinney was profuse in his thanks and was led away, as he evidently expected a longer term of retirement.

### MR. PASCOE INTERVIEWED.

The Los Angeles, Cal., Daily Times of January 15th has the following concerning a citizen of this city, under the caption of "He's Cheery":  
"There is no poverty among the laboring classes in our part of the country," says A. Pascoe, of Carbondale, Pa., who is visiting this city. The gentleman is a banker of that place.

The Excelsior Hose company made a remarkably quick response and were on the scene in exactly two minutes after the first tap of the bell, having a distance of seven blocks to travel. The clerks of Atherton & Sutton's store enjoyed a sleighride to Jermyn last evening. The party stopped at Enterprise hall, where supper was served and dancing indulged in for several hours. They returned home at an early hour this morning.

### CONGRESSMAN HOWARD.

#### Of National Reputation Are the Men Who Recommend Peruna to Fellow Sufferers.

#### A Remarkable Case Reported from the State of New York.

Charles Evans, of North Main street, was the victim of a serious accident in the Archbold mine yesterday, which will probably incapacitate him from work for many months to come. Mr. Evans was employed as a miner, and was in the act of pulling a piece of top coal down with a drill when, without a minute's warning the slab came down, almost completely covering him. His laborer, who was in the chamber at the time, gave the alarm to nearby fellow-workmen, who extricated the injured man from his perilous position and conveyed him to his home, where Drs. Griffiths and Olmstead attended him. After examining the physicians found Mr. Evans to be suffering from a dislocated hip and a badly crushed head. He will recover.
