SEMI-MONTHLY PAY DAYS.

Since the inauguration of the semi-monthly pay days among the mine workers many merchants complain that their receipts show a marked decrease, owing to the inclination among their patrons to purchase their usual supplies in the cash stores.

The cash stores are reaping the harvest, and their business has been materially increased in consequence.

The employees of the following collieries will be paid today: Oxford, Lodge, Bellevue, Holden, Pyno, Taylor, Hampton, Cayuga, Sloan, Central, Brishin, Hyde Park and Archbold.

Approaching Elections.

The seekers for the various ward offices at the election on Tuesday, Feb. 19, are becoming active, and from now on until election day a lively time is anticipated. Probably the most interesting fight will be for the office of alderman in the Fourteenth ward, between Alderman George Kellow and ex-Alderman John Cowley. Both claim the victory, and whichever one wins, it will be by a small majority.

But little interest is manifested in the elections for second class city councilmen. Comparatively little opposition to Councilman Albert Lewis, in the Fifth, and William Lewis, in the Fifteenth, will be offered.

Fractured Her Arm.

Mrs. Reese Anthony, of Acker avenue, Bellevue, slipped and fell on the ice near her home yesterday and fractured her arm.

She was assisted into the house and Dr. J. J. Roberts was summoned, and he set the injured member.

The Baptist Young People's union is doing well, and will soon have paid for the new carpet they bought for the church.

The infant department is preparing to give "Tom Thumb's Wedding" for Washington's birthday, February 22. Tom Thumb's wife, at the close of the entertainment, will give to each a piece of wedding cake.

On Sunday evening, March 3, the people of the West Side will have the pleasure of hearing Dr. Whalen, of the Baptist church of Carbondale, as he will exchange pulpits with the pastor.

PELL SEVENTY FEET.

George Herko Was Instantly Killed Yesterday Afternoon.
 George Herko, a nineteen-year-old laborer, employed by J. P. Prowdzicki, the South Scranton slater, was killed yesterday afternoon by falling seventy feet from the roof of St. Mary's academy, in Green Ridge, which is being built by Contractor Conrad Schroeder. Herko was standing on the roof of the rear part of the building, with several of the other slaters, during the early part of the afternoon, and about 2 o'clock was sent to a remote part of the roof to sweep away the snow. He was lost from the sight of the other workmen, and the next seen of him was at 3:45 o'clock, when John Fisher, a slater, found him lying dead on his back upon the ground.

He had evidently slipped upon his feet, and, sliding forward, been precipitated the full seventy feet. He must have struck full upon his head, as Coroner Roberts later pronounced his skull to be fractured, and death was

GURNEY IS LOCATED.

LOST MAN WITH RELATIVES AT SHENANDOAH.

His Relatives Feared That He Had Been Flogged to Death and Put the Authorities on the Case.

There was joy in the home of Joseph Gurney, of Piceburg, yesterday. Three weeks ago Gurney disappeared and his relatives claimed that he had been flogged to death. Rumor insisted that he had been given two hundred lashes after being taken to a cellar, stripped of his clothing, gagged and whipped until insensible. Immediately after the whipping Gurney disappeared and all efforts to locate his whereabouts were, until yesterday, futile. Relatives claimed the whipping had proved fatal and that his body had been disposed of.

Yesterday a letter was received from Gurney's brother in Shenandoah containing the information that Gurney had been visiting there since a week last Wednesday. There was nothing said as to where he had spent the other two weeks and the family profess their ignorance of the matter. It is reported that Gurney spent a great deal of the time in Shenandoah and a man by the name of John Nazimowski claims to have met him in a Lackawanna avenue saloon.

William Kruger, a Piceburg saloon-keeper, and Andrew Goyuski were the two men accused of doing the beating. Kruger was arrested last week and awaited a hearing and entered \$500 bail Thursday night. Goyuski was arrested by Police Officer Thomas Logan, of Piceburg. He also waived a hearing and entered bail for his appearance in court.

Yesterday before receiving the Shenandoah letter the Gurney family came down to Scranton to see Alderman Kaszon regarding putting an officer on the case. A description of Joseph Gurney was given to Chief of Police Robinson and it was thought that a man in the county jail answered the description. Investigation showed that the man in the county jail was named Kearney.

The family is not decided whether the prosecutions against Kruger and Goyuski will be pushed. Kruger admitted keeping Gurney in his house over night, but justified this action because he claims Gurney stole a box containing \$16 from him, all of \$5 of which he says he recovered.

Kruger claims that Gurney's disappearance is due to the latter's fear of arrest for larceny and also to avoid the family's censure.

This Way Lies Safety.

Among intelligent and careful men it is more and more becoming the custom of having the fluids of the body regularly examined microscopically, some every six months—others more frequently. In no other way can so certain a knowledge of the health of the body be ascertained. The kidneys having few nerves of sensation frequently do not pain one and it is only by an analysis or by carefully observing symptoms that one may know of the breaking down of these great organs and a serious condition of health. The many recent and sudden deaths from so-called heart-failure and apoplexy—but in truth from Bright's Disease of the Kidneys, should make every careful man and woman pause and endeavor to ascertain their exact physical condition. The registered physicians of Warner's Safe Cure Co., Rochester, N. Y., make every month hundreds of microscopic analyses, hence they necessarily have a remarkable experience in this particular field of knowledge. Full particulars how to proceed, together with such valuable information will be sent free on application.

If you are suffering from any of the common symptoms of kidney disease, such as itchy appetite, headache, chills, flatulence, pallor, too much or too scanty fluids, deposits in urine on standing, nervousness, depression, etc., resort at once to that standard vegetable cure for all forms of kidney trouble, Warner's Safe Cure—a remedy with an honorable record of more than twenty-one years, in all parts of the civilized world and which will do exactly what is claimed for it.
