PITTSTON.

Special to the Scranton Tribune.

Pittston, Feb. 14.—Miss Sarah J. Thompson, daughter of Mrs. Belle Thompson, of the Back road, Duryea, was united in marriage tonight to William A. Schmaltz, son of Mr. and Mrs. Ernest Schmaltz, of Pittston township. The ceremony was performed at 8 o'clock at the home of the bride's mother, Rev. O. F. Ettwein, pastor of St. Peter's Lutheran church, Hughestown, officiating. The bridal couple were attended by May Belle Thompson, sister of the bride, as the flower girl, and the ceremony was witnessed by a small company, composed mostly of relatives. The bride was attired in a cream figured dress with white silk trimmings and she carried bridal roses. A sumptuous wedding supper was served at the conclusion of the ceremony. For the present Mr. and Mrs. Schmaltz will reside with the bride's mother and will later go to housekeeping at Hughestown.

Mahon, an ex-National Guardsman, has re-enlisted and will be elected second lieutenant.

One of the leading attractions in the line of basket ball to be witnessed here this season will be the game at Armory hall next Friday evening, Feb. 15, between the Bucknell university team and the Pittston Y. George W. Child, the iron screen manufacturer of West Pittston, is critically ill with pleuro-pneumonia.

There were no new developments in the strike situation among the girls at the Sterling silk mill here today. A committee from the strikers will lay their grievances before the Central Labor union committee this evening. It is rumored that the managers of the mill have decided to close the plant down for six weeks. The employes at the silk mill at West Pittston are becoming restless and doubtless within a few days they will join the general strike movement. Should they do so, it may result to their disadvantage, as Manager Frost is credited with saying that should the strike fever reach his mill he will immediately close operations in this city and move his plant back to Paterson, N. J., from whence it came.

M. L. Perrin, the horseman, has added to his stock a 4-year-old chestnut mare. The animal was purchased at Columbus Junction, Iowa, and arrived here this morning.

AVOCA.

The marriage of Miss Mary, daughter of Mr. and Mrs. Charles Aikman, of the West Side, and James Allen, of Scranton, was solemnized at the home of the bride's parents last evening. At 8.30 o'clock the bridal party entered the parlor to the strains of Mendelssohn's wedding march, played by Miss Margaret Aikman. The bride was handsomely attired in white batiste with point lace trimming. She carried a bouquet of white roses and maiden hair ferns. Her maid, Miss Anna, was attired in pink silk with point lace and carried pink roses. The groom was waited upon by Frank Larimer, of Scranton. Rev. D. T. Smythe performed the ceremony. After receiving congratulations under a floral bell, the guests, about one hundred, sat down to dinner. In the line of furniture, silverware, bric-abrac, etc., they were handsomely remembered. Mr. and Mrs. Allen left on the midnight train for New York city. Upon their return they will reside in Scranton.

Miss Nellie Corcoran, of Dunmore, is the guest of her cousin, Miss Mary Kearney.

Mrs. Dunn, of Main street, is critically ill.

Mrs. Joseph Burns has returned home, after several weeks' visit with friends in Orange, N. J.

Thomas Hanlon, of the West Side, is seriously ill of pneumonia.

A handsome piece of battenburg seen in Anderson's window is the work of Mrs. Harry Earley and is given to the Primitive Methodist church fair.

THEATRICAL.

ATTRACTIONS TODAY.

ACADEMY.—Sawtelle Dramatic company. Matinee and night.

"A Country Courtship."

The Sawtelle company presented at the matinee yesterday "The Victorian Cross," and last evening the beautiful drama, "A Country Courtship" was the bill. The play this afternoon will be a military comedy drama entitled "Chattanooga in '61," and tonight the great sensational melodrama, "The Fatal Card," will be produced. Jessie Sawtelle, the star of the company, has won the favor of Academy patrons, and her appearance at each performance brings forth much applause. The vaudeville introduced between the acts is entirely new.

"Shore Acres."

The well known character actor, James T. Galloway, is at the head of James A. Herne's "Shore Acres" company, and his artistic interpretation of Nathaniel Berry could hardly be surpassed. Mr. Galloway played this part in New York city during the play's long run at the metropolis. Mr. Galloway is negotiating for the Australian rights to "Shore Acres" and it is his intention to produce the piece in that far-away country.

Among the other prominent players in the "Shore Acres" company are Atkins Lawrence, Herbert Flanaburgh, W. H. Burton, Charles E. Fisher, James Burrows and Misses Marion Cullen and Belle Teadore. All these players were members of Mr. Herne's own company. A complete scenery production of "Shore Acres" will be given at the Lyceum, afternoon and evening, tomorrow.

Return of Mrs. Le Moyne.

Harold Russell, Frank Lander, Adelaide Thurston, Walter Thomas, Mr. and Mrs. John Glendinning, Charles Stanley, Panchon Campbell, Cornelia Hunter, Annie O'Malley, Thomas Phillips, Edwin James and John Matthews make a formidable array of names to be in the supporting company of a star.

Several of them have been stars. All these players will be seen with the Sarah Cowell Le Moyne company in "The Greatest Thing in the World," which will be the attraction at the Lyceum theater for a return engagement next Monday evening, Feb. 18. It is needless to say that with such a thoroughly well-balanced and artistic company the performance here of "The Greatest Thing in the World" will be delightfully smooth and entertaining.

"A Lion's Heart."

At the Academy of Music next Monday, Tuesday and Wednesday, Manager Brown will offer Carl A. Haswin in "A Lion's Heart," an English melodrama that has met with great success in the European capitals, especially in London, where it has been produced over two thousand times. Mr. Haswin is one of the best known of American actors. He became a household favorite as Wilfred Denver in "The Silver King," a part he has played fifteen years. He is also favorably remembered for his artistic work as the Earl of Dorincourt in "Little Lord Fauntleroy."

As Pierre Rizardo, the leading role in "A Lion's Heart," he is duplicating his former successes. Of "A Lion's Heart" it can only be said that it is bound to become one of the standard dramas of the country. It is a stirring story, full of strong situations which give splendid opportunity for scenic surroundings, and these have been lavishly taken advantage of. Its comedy is furnished by a pair of lovers, who afterwards become a newly married couple on a wedding trip to the continent, where they fall into all kinds of ludicrous troubles and get introduced to the "Honeymoon Smile."

"Rambler Burlesquers."

Henck and Fennessy's "Rambler Burlesquers," a carefully selected company of variety performers and pretty girls, will be the attraction at the Gaiety for three days, beginning Monday matinee. The company is headed by those clever comedians, the Burke Brothers, and Miss Lida Dexter, one of the most popular burlesquers that ever trod the boards.

Miss Dexter will appear in the title role of "The Queen of the Holland Dames," a cleverly written skit that follows the company's variety bill.

THE MARKETS.

Wall Street Review.

New York, Feb. 14.—There was a marked relaxation today of the pressure to sell stocks which carried prices down yesterday and prices showed some recovery. The recovery did not set in until the market had been further tested by the bears, causing general declines below yesterday's level. In consequence the net changes of the day are as a rule small but mostly gains. London advanced prices before the opening here, but turned seller after perceiving the drift of sentiment in New York and sold a few thousand shares on balance. There was no very marked cause for the recovery although a few usually obscure stocks showed aggressive strength but the fact was very evident that yesterday's urgent pressure of speculative liquidation was relaxed. The bears who sold yesterday covered their contracts in consequence. This partly accounted for the show of firmness in the market. The bears have received too many severe lessons in the last few months not to have become rather timid especially in the face of the possibilities constantly hinted at of further important financial developments. In yesterday's decline much was made of the fact that the stocks generally included in the interests of the prominent financial who has borne the most important part in the recent consolidations were uniformly weak and this was all told to be due to the coming departure of this financier on his annual vacation trip to Europe. As though in reply to these considerations the stocks thus involved were all supported today, including Federal Steel, the Eries, the Readings, Northern Pacific and National Tube. There was no sign of resumption of the heavy buying by banking interests which has so often been in evidence previous to the recent consolidations. Pere Marquette rose 6¾, St. Louis and San Francisco 2¾, the second preferred 4¾. Chicago Great Western preferred-B3 and a number of minor stocks a considerable amount on persisting rumors of consolidation. Lackawanna rose an extreme 3½ and Delaware and Hudson 4¾ over last night. General Electric was conspicuous for an extreme advance of 16 points over last night with a reaction of 3½. The local traction stocks, Sugar and Tobacco were conspicuously strong at times and North American was forced up two points. Atchison was lifted above 57. None of these gains were fully held and the tone of the market was rather heavy at the close and the volume of dealings very materially curtailed. A number of newly listed securities were dealt in for the first time, including the stocks of the American Agricultural Chemical company, the Crucible Steel company, and the Toledo, St. Louis and Western Railroad company, the quotations of each being advanced over the opening prices. Total sales, 815,000 shares. There was less dealing in railroad bonds and prices continued to move irregularly. Total sales, par value, $4,045,000. United States new 4s and 5s advanced ¼ per cent. each on the last call.
