Bridge Building Department.

W. B. Hixon, superintendent of bridges and buildings on the Lackawanna railroad, whose office has been located at Hoboken, will have his headquarters at Scranton after March 1, occupying the quarters formerly used by Claims Agent Stillwell...

Itching Scalp.

Scald Head and the Most Violent Form of Eczema and Salt Rheum Promptly and Thoroughly Cured by Dr. Chase's Ointment.

Among small children, scald head and similar itching skin diseases are most prevalent and the worst feature is that these ailments, which are apparently trivial at first, almost invariably develop into chronic eczema if neglected.

Mr. J. H. Grant, 716 Joseph Campan avenue, Detroit, Mich., writes: "For three years I have been troubled by an intense itching on my body. So terrible was it at times that I could get no rest night or day."

Baby Eczema. Mr. F. S. Rose of 133 State street, Buffalo, N. Y., writes: "Our baby boy suffered for some time with that wretched eczema, and we were unable to find anything to cure or even relieve his pain."

LOTS OF COMPANY.

This is not an isolated or Individual Case in Scranton.

What is told by this resident of Scranton will prove invaluable to many people who go through the same daily experience. This short statement of the relief obtained from Dr. Williams' Pink Pills should convince the greatest skeptic that the merit of the article discussed is up to representation.

Mrs. Samuel R. Jones, of 1308 Egon street, Hyde Park, says: "I suffered for many years with kidney trouble. My doctor said it was catarrh of the bladder. There was a constant dull pain in the small of my back, which extended up between my shoulders."

Increase in Bituminous Mines. There has been a remarkable increase in the Pennsylvania bituminous mines in the past ten years, says the Pittsfield Chronicle.

The Erie in Days of Long Ago. The Goshen Democrat published in its issue of February 1, 1899, the following items concerning the Erie railroad: The directors of the Erie Railroad company have passed a resolution to construct the road to Dunkirk on Lake Erie, as soon as possible...
