FUNERAL OF JOSEPH LLOYD

ATTENDED BY A LARGE NUMBER OF HIS FRIENDS.

Services Were Held at the House and Church—Deposits of the School Children—St. Brendan Council, Y. M. I., to Give Minstrel Show—Meeting of the Modern Woodmen—Surprise Party Tendered to William Rice—News Notes and Personal of Interest to Tribune Readers.

The funeral of the late Joseph D. Lloyd was held yesterday afternoon from the family residence on North Main avenue, and was largely attended. Griffin post, No. 123, Grand Army of the Republic, of which the deceased was a member, attended the services. A short service was held at the home at 2 o'clock. Rev. Harris read a short scripture lesson and offered prayer. The Stinson quartette sang, and the cortege moved to the First Welsh Baptist church, where additional services were held.

The church was filled with the numerous friends of the deceased, Rev. Harris preached a short sermon, giving a brief resume of the life led by the deceased and many Christian acts he had accomplished. He referred to the active work the deceased had done in connection with the church in its earlier days. In conclusion, he spoke words of peace and consolation to the bereaved, telling them to take comfort in the words of the Almighty.

The Simpson quartette sang several excellent selections. Hundreds of friends viewed the remains at the church. The floral offerings were many and beautiful. The casket was draped with a large American flag. At the grave the ritual of the army was carried out, A. B. Stevens being in charge. A salute was fired by a squad of six. The pall-bearers were Colonel Phillips, John T. Williams, Morgan Daniels, D. D. Jones, Peck Albertson and Henry P. Davis. Burial was made in the Washington street cemetery.

NO PAIN, TRIFLING EXPENSE

A Simple, Harmless Remedy for the Cure of Piles.

A person contracts a cold, pneumonia, rheumatism and pleurisy from exposure; dyspepsia and liver troubles from dietary errors and the causes of most diseases are easily traceable, but although piles and rectal troubles are as common as any of these, the cause is obscure.

Violent exertion, as in lifting, sometimes produces them and a sedentary occupation is by some supposed to be a predisposing cause, but as a rule piles and rectal troubles appear without apparent provocation. There are many pile salves and ointments which give temporary relief, and when these fail the patient, if he can afford the expense and is willing to take the risk, has recourse to a surgical operation. But there is one remedy which gives immediate relief and the regular use of which will bring about a permanent cure and that is the famous Pyramid Pile Cure.

In long standing cases the Pyramid has proven to be the only cure except a dangerous and exceedingly painful surgical operation, and its advantages over any kind of operation are many, as it is painless, causes no interference with daily occupation, and being in the form of a suppository is always convenient and ready for use.

The Pyramid Pile Cure is an effective combination of soothing oils and antiseptic acids. It contains no cocaine nor nerve destroying agents and unlike most pile salves, contains no bi-chloride of mercury nor any injurious drug of any kind. All druggists sell the Pyramid Pile Cure at 50 cents for a complete treatment of the suppositories.

A little book on causes and cures of piles will be mailed free by addressing Pyramid Drug Co., Marshall, Mich.

Some time Sunday night, somebody advised attention to the painting of the store of Oscar M'Grop, on Drinker street, the door on the rear of the building being forced open. A careful search of the premises failed to show anything missing, and it is thought the shy character of one of our patrons at the right time must have frightened the marauders away without any booty.

President McAllister Was Re-Elected as Was Secretary H. P. Gilligan. Attorney James McDonald Was Chosen as Borough Solicitor—Other Officials Were Re-Elected—Harry O'Hara Injured in a Runaway—Unclaimed Letters—Oscar Henop's Dwelling Entered by Burglars.

Large numbers were present at the closing meeting of the old council held last night, drawn thither by the expectation of warm contests for the various offices, but except in the matter of the election of the borough solicitor they were disappointed. President McAllister called the meeting to order and heard the reports of the various committees. Borough Attorney Duggan reported that about twenty of the largest property owners in town had filed exceptions to the report of the assessors viewing among them being the Pennsylvania Coal company, A. D. & F. M. Spencer, Dickson estate and others. The hearing in the matter will be held on April 22.

A resolution was offered by Mr. Payton that the time for payment of taxes without penalty be extended until May 15. It was adopted.

The time sheets of the police department for \$120, of the street commissioner for \$190.05, and of the fire department for \$150, were ordered paid. Miscellaneous bills to the amount of \$25.23 were ordered paid. After tendering a vote of thanks to the retiring members, W. S. Jones, for his faithful services, the council adjourned sine die.

After a short recess, H. B. Gilligan called the council to order and called for nominations for temporary officers. Mr. McAllister was unanimously elected temporary president, and H. B. Gilligan, secretary.

The credentials of Messrs. McAllister and Don'tean were presented and accepted. Mr. Payton then moved that temporary organization be made permanent and the motion was unanimously carried. The credentials of the various officers were presented and accepted. President McAllister called for the nominations for the office of high constable.

Mr. Payton nominated James Conigan, who was unanimously elected. The election of borough attorney was next in order and brought out the only contest of the evening. Hon. T. J. Duggan, the president incumbent, was nominated by Mr. Ward, while Mr. Brogan nominated James McDonald. Mr. Payton arose to a question of privilege and stated he wished to explain his vote. He stated that he was ready to vote for the man who could show that he had a majority of the votes of the voters of the borough.

The result of the ballot was: For Duggan, Ward, McAllister; for McDonald, Payton, Brogan, McLaughlin and Don'tean.
