

NORTHEASTERN PENNSYLVANIA

FOREST CITY.

Special to the Scranton Tribune. Forest City, March 4.—John Polheim, one of the town's best known young men, died Sunday morning at 6 o'clock of pneumonia, after only a short illness. He had been a sufferer with asthma for years, and this trouble was in part responsible for the fatal termination of his illness. Mr. Polheim was a kind-hearted young man, who numbered his friends by the score, and his sudden death came as a distinct shock to them. The funeral will take place Wednesday morning. Services will be held in St. Agnes church, and the remains will be taken to St. Rose cemetery in Carbondale for interment. The funeral of Mrs. Alfred Trevarthan took place at 2 o'clock yesterday afternoon and was largely attended. The Odd Fellows, of which her husband is a member, attended in a body, and the pall-bearers were from their members. There were a number of pretty floral tributes. Rev. R. L. Clark conducted the services in the Methodist church, and interment was made in Hillside cemetery.

MONTROSE.

Special to the Scranton Tribune. Montrose, March 4.—Charles A. Van Wazer, before in bankruptcy of Scranton, was in this place on Sunday. Harvey B. Thresher, who is employed at Fairview this winter, has been spending a few days at his home in this place. Mrs. Lavene B. Frink and little daughter, Vesta, of Wyoming, are guests of Dr. and Mrs. H. V. Frink. Robert H. Jessup, of Scranton, is a visitor in town. Company G, fifty strong, left Saturday 2 o'clock p. m. for Washington. Many citizens were at the station to bid the boys adieu. Dana Watrous, a student at Wyoming academy, Kingston, passed Sunday at his home in this place. Harry Warner, of Binghamton, has returned to his home after a brief visit with Montrose friends. Mrs. John Malon, of Jessup street, is entertaining her mother, Mrs. James Leneigan, of Silver Lake. Theodore D. Lyons, the well known electrician of this place, is in Binghamton on business. "Squire" A. S. Waine was a prominent Brooklyn business man in this place on Saturday. Theodore F. Mack has recovered from a ten days' illness and resumed his position at Bear's farm. The regular monthly union meeting of the congregation of Presbyterian, Methodist and Baptist churches of this place was held in the last named church last evening. Rev. E. R. Thomas, presiding, an impressive and scholarly sermon, followed by a collection. At the Presbyterian church yesterday morning T. W. Tinker was installed, and W. D. B. May was installed as ruling elder; W. H. Jesch had also been elected for office, but as he was not present, his installation was deferred. Seven young ladies were taken into membership and holy communion. The hospital address to many of our residents relative to board and accommodations for people in the cities desiring to spend the coming summer here indicates that the approaching season will be a very successful one for Montrose as a summer resort. The evangelist services at the Methodist Episcopal church are still in progress and will continue through the present week. Fred Bush, the resident son of E. L. Bush, who resides in the township just southwest of this borough, and another boy of similar age, named Russell King, became possessed with a very unusual disease in Washington, D. C., on Friday last. They had French leave of home and loved ones. Their absence being discovered two families were set in commotion, and Mr. Bush at once set out on the trail. He found that the boys had taken a rather indirect course to reach the capital of the nation, i. e., the tortuous and winding paths along the Washington creek and on over into Bradford county, and the young patriots had only reached Scrantonville when Mr. Bush overtook them and persuaded them to accompany him home, and on Saturday evening the youngsters were, instead of in Washington, again tucked safely in their own beds at home—dreading perhaps of the goal event—which today transpired and to witness which they entertained such a lively and patriotic cheer.

HONESDALE.

Special to the Scranton Tribune. Honesdale, March 4.—Miss M. E. Doris, who has been with relatives for the past two months in Binghamton, Elmira and Owego, returned to her home on Saturday. Mr. Charles Crandall, who has been kept at his home by illness, returned to his office work at Scranton today. Mr. and Mrs. Hurl Mackey, of Lakewood, spent Sunday with the parents of the latter. Mr. and Mrs. W. Woodward. The subject for the musical history club meeting on March 26 is "Sonia." The programme will be in charge of Miss Florence Baker and promises to be unusually entertaining, consisting principally of chorus and orchestra music. James Flynn, who appears at the Opera House Friday evening next in "Hogan's Alley," has a world-wide reputation. The play is just the thing to cure the blues, full of wit, humor and mishaps. The examinations for common school diplomas for Wayne county will be held in the different townships throughout the county on Saturday, April 6. Mr. Isaac H. Hall has been made night watchman at the Erie docks, as successor to the late Bartley Croghan. The Delaware and Hudson's annual report shows the output of coal to be 106,171 tons less last year than the year before. Hon. E. P. Kimble, who has been laid aside with typhoid fever, is improving nicely. Rev. Dr. E. P. Dunlap, who has spent the past twenty-five years as a missionary in Siam, spoke in the Presbyterian church on Sunday. In the morning he presented "The Needs of Missionary Work and Schools in Siam." In the evening, "The Itinerant Work." Dr. Dunlap presented the

SUSQUEHANNA.

Special to the Scranton Tribune. Susquehanna, March 4.—Frederick E. Beyer, formerly and for several years a popular Erie telegraph operator in this place, died at Elmira, Colorado, on Wednesday. He is survived by a widow, formerly Miss Adelle Hill, of Susquehanna, and a young son. The funeral and interment took place at Elmira. Mrs. J. E. Morgan and daughter, of Carbondale, are visiting Susquehanna relatives. Mrs. Joseph Sobbe has returned home from a visit with Carbondale relatives. Charles E. Whitely, of Binghamton, spent Sunday at his home in this place. The Susquehanna County School Directors' association will meet in Montrose on Saturday next. Rev. Henry L. Jones, D. D., rector of St.

Stephen's Episcopal church in Wilkes-Barre, will preach in Christ church on Wednesday evening. Subject, "George Washington as a Christian." The funeral of the late Mrs. Sarah J. Barlow took place Sunday afternoon at the residence of James A. Barlow, in Oakland, Rev. C. C. Mackey officiating. The remains were interred in McKone cemetery.

THEATRICAL.

ATTRACTIONS TODAY.

LYCEUM—"Unleavened Bread," Naylor. ACADEMY—"The Duke's Daughter," Mattine and night. Gaiety—"Miss New York, Jr.," Mattine and night.

"The Duke's Daughter." The Duke's Daughter company opened what promises to be a successful engagement at the Academy of Music last evening. The opening play was "The Duke's Daughter." May Bell Marks was seen as the heroine of the piece, Marguerite Laurent, the wronged wife, and carried off the honors of the evening. She was well supported by W. A. Montminy and C. Conley. The specialty acts by different members of the company were excellent, consisting of illustrated songs, trick bicycle riding, singing and dancing by two clever children, Master George and Baby Fannie. They are clever and deserving of special mention. Their work was much appreciated and evoked warm applause.

"Miss New York, Jr." In the matter of leading attractions Manager Herrington of the Gaiety, seems determined to maintain the standard of excellence that has marked his management of the theatre. The "Miss New York, Jr." company which began a three days' engagement there yesterday is one of the best that has been seen at the Lyceum theatre. The regular monthly union meeting of the congregation of Presbyterian, Methodist and Baptist churches of this place was held in the last named church last evening. Rev. E. R. Thomas, presiding, an impressive and scholarly sermon, followed by a collection. At the Presbyterian church yesterday morning T. W. Tinker was installed, and W. D. B. May was installed as ruling elder; W. H. Jesch had also been elected for office, but as he was not present, his installation was deferred. Seven young ladies were taken into membership and holy communion. The hospital address to many of our residents relative to board and accommodations for people in the cities desiring to spend the coming summer here indicates that the approaching season will be a very successful one for Montrose as a summer resort. The evangelist services at the Methodist Episcopal church are still in progress and will continue through the present week. Fred Bush, the resident son of E. L. Bush, who resides in the township just southwest of this borough, and another boy of similar age, named Russell King, became possessed with a very unusual disease in Washington, D. C., on Friday last. They had French leave of home and loved ones. Their absence being discovered two families were set in commotion, and Mr. Bush at once set out on the trail. He found that the boys had taken a rather indirect course to reach the capital of the nation, i. e., the tortuous and winding paths along the Washington creek and on over into Bradford county, and the young patriots had only reached Scrantonville when Mr. Bush overtook them and persuaded them to accompany him home, and on Saturday evening the youngsters were, instead of in Washington, again tucked safely in their own beds at home—dreading perhaps of the goal event—which today transpired and to witness which they entertained such a lively and patriotic cheer.

"Unleavened Bread." Len Dierckstein's dramatization of Robert Grant's novel, "Unleavened Bread," has proven one of the sensations of the time. The play is to be presented at the Lyceum tonight. It is an interesting fact that the plot is laid in Alabama, and that the leading heroine, the wife of the "cheese" governor Lyons, and who the "Governor Lyons" was in real life has not been

Genora Ingersoll and Vivian Townsend. This last looks like an all-star cast.

"Sag Harbor" Tomorrow Night. "Sag Harbor" takes its title from a little old-fashioned whaling village in lovely Long Island and the people it deals with are the rugged, honest, seafaring folks found in that community. There is the constant background of the turbulent sea and the atmosphere is as frequently delicious as the soft winds which blow so gently only on the eastern coast. The play starts in Mr. Heron's new play has been sold many times to be one of the most perfect romances ever developed in a dramatic form. In a week it covers the almost tragic love of the woman by two brothers. Happily the tragedy is averted, but before this happens there are many moments of deep feeling and exquisite pathos. For the most part, however, "Sag Harbor" is a comedy of character and incident. It is genuinely American, and deals with some of the most interesting types that our country affords.

"David Harum." So much interest is being taken in the forthcoming presentation of "David Harum" by Charles H. Frothingham, with William H. Crane in the title part, at the Lyceum theatre on Thursday night, that the assumption seems warranted that the sale of seats, which begins this evening, will be unusually heavy. At all events, arrangements have been made to handle a very large crowd when the play opens. The success of the play, and of Mr. Crane in it, has been of considerable proportion. In fact, none of the best made plays of the past three seasons have had so much success. The play is a comedy, and is a comedy in the best sense of the word. It is a comedy in the best sense of the word. It is a comedy in the best sense of the word. It is a comedy in the best sense of the word.

Wall Street Review. New York, March 5.—Business was conducted on Wall Street in a strong contrast to the wild and feverish activity that prevailed up to the close of the year. The adjustment of the feature of the day was in the stocks of the United States, especially in the case of the Great New York. Consolidated was carried up to 20 1/2, with an extreme advance of 1/2. The market in both stocks were unusually large. People's advanced a point and Lehigh 3/8. The other traction stocks were also cheap. The market after some heavy trading in Brooklyn, Canada and they were called from their own market, especially in the case of the industrial and specialties classes. The market in general was quiet, with a few exceptions. The market in general was quiet, with a few exceptions. The market in general was quiet, with a few exceptions.
