SERVICES CONDUCTED IN OLYMPIANT YESTERDAY.

Large Delegation of Wheelmen and Friends of Deceased Attended. Funeral of Ex-Patrolman James Saul and Others—How Aguinaldo Escaped from a Local Soldier Boy's Company—Police Court Cases and Other News Notes and Personals.

A special car, containing fifty members of the Electric City Wheelmen, each wearing the club colors of blue and yellow, together with members of the Jackson Street Baptist church and choir, and a number of local barbers and others, journeyed to Olyphant yesterday afternoon to attend the funeral of the late John Davis, who died so suddenly a few days ago at his boarding place on Washburn street.

The services were very impressive and were conducted in the Blakely Baptist church by Rev. Thomas de Gruchy, pastor of the Jackson Street Baptist church, assisted by Rev. David Spencer and Rev. Hagan, of Olyphant. A quartette from the Wheelmen, composed of Luther Thomas, Thomas Thomas, Walter Davis and Earl Hollister, sang, and the church choir also assisted in the service.

Among the floral offerings were "Gates Ajar," from the local Barbers' union; a broken circle, from Street Commissioner Rowland Thomas and family, and a broken wheel, from the Electric City Wheelmen. The pallbearers were Messrs. Evans and Wittefield, of Olyphant; Edward Davis, Emory Joseph, Eugene Voshare and Gus Eymon, of this city. The flower bearers were John Thomas, Edward Morse and George Daniels, of the wheelmen. Interment was made in the Mott Haven cemetery.

**Funeral of James Saul.** Several hundred friends and relatives of the late James Saul gathered at the family residence on North Hyde Park avenue, West Scranton, yesterday afternoon to attend the funeral of the deceased. The remains were encased in a handsome black casket.

The funeral was conducted under the direction of M. F. Wynans and many city officials, railroad men and members of the city police force were in attendance. The services were held in St. Patrick's Catholic church at 2:30

o'clock and interment was made in the Catholic cemetery.

### How Aguinaldo Escaped.

Mrs. P. W. Tague, of Jackson street, has just received a letter and photograph from her brother, Benjamin J. Evans, of Company D, Fourth Illinois Infantry, who is stationed at Manila, informing her of how Aguinaldo made his escape recently from the American soldiers.

The witty Filipino dressed himself in his mother's clothes and paraded in front of Uncle Sam's men with the women and children, and when the soldiers searched for him among the men prisoners they discovered he had escaped. Mr. Evans expects to be home in December, when his three years are out.

### SOUTH SCRANTON NOTES.

George F. Rosar Badly Injured Yesterday Morning—Funeral of Late August Brenel.

George B. Rosar, the 14-year-old son of Mr. and Mrs. Jacob Rosar, of 422 Alder street, met with a painful accident yesterday morning. He was standing on a picket fence when he

lost his footing, falling on to one of the iron pickets, which made a deep wound in the upper part of the thigh.

One of his companions who was trying to help him out of that position, not being strong enough, dropped him on another picket. Some people living around that neighborhood, hearing his cries, came to his assistance.

The boy was taken to his home, where Dr. Kolb attended to his injuries. It required seven stitches to close the wound.

**BRIEFLY NOTED.**  
The funeral of August Brenel was held from the family residence at 507 Willow street, yesterday afternoon at 2 o'clock. The services over the remains were held at the German Catholic cemetery. Member of Company D, Thirtieth regiment of Col which he deceased was a member, were the pallbearers. The company, which also marched in the procession, fired the late salute at the cemetery.

Jacob Zinner, of New York city, is visiting friends in this part of the city. William Stein, of Col. which he has left for Atlantic City for his health.

Camp No. 429, Patriotic Order Sons of America, will meet this evening in Hartman's hall.

Anna, daughter of Mr. and Mrs. Joseph Klingler, of Alder street, is seriously ill.

**GREEN RIDGE.**  
At a meeting of the Young Men's club of the church of the Good Shepherd Saturday evening it was decided to abandon the idea of having the banquet to the new members at one of the large hotels in the central city, and instead have the supper served by the members in their own room.

This is a most desirable arrangement. For years the suppers and socials given by this club have been among the most delightful enjoyed by Green Ridge people, and it goes without saying that the "new members" will fare well in their hands. This affair will take place soon after Easter.

The Green Ridge Wheelmen's fair, which will open tomorrow evening and continue through the week, will, in the variety of the entertainments and the abundance of things offered for sale, exceed anything of the kind ever before held in Green Ridge. Each evening an entirely different programme will be rendered. Tomorrow night will be the minstrel troupe of the Electric City Wheelmen of the West Side.

Miss Dora Roe, of Kansas City, Mo., is a guest in the family of C. S. Woodruff, of Electric avenue.

Mrs. Fannie T. Vail has purchased the Swiss cottage on Sunset avenue from E. B. Sturges, and with her family is now occupying the same.

**DUNMORE.**  
The elders of the Presbyterian church went to Throon yesterday, where fifteen converts were taken into the church of the Maykars, recently started here as a mission under the care of the church here.

Through the kindness of the Judges, this place will have no reason for going dry next year, licenses being granted to only fifty-seven, an increase of seven over last year.

Mrs. Fred Dreyer and daughter, Annie, of Pine street, have returned from Allentown, where they went to meet Rev. E. C. H. Dreyer and his return from China. Mr. and Mrs. Dreyer are expected to come here today for a lengthy stay at the home of his mother, when it is hoped his health will be restored.

A congregational meeting will be held at the Presbyterian church, following the prayer meeting on Wednesday evening, when two elders will be elected.

The Young Ladies' Mission circle of the Presbyterian church will meet with Miss Lydia Farver, of Cherry street, on Thursday evening at 7:30 o'clock.

Dr. J. B. Garvey and P. J. Hornan left yesterday for Williamsport for a short stay.

### FIRE DEPARTMENT MATTERS.

There is no question but that the increase in insurance rates of twenty-five cents on every \$100 which has just gone into force will remain in force for one year, and in all probability a great many more unless the insurance companies go back on their own word, which was that the increase would not be taken off until such time as certain recommendations which they made had been fulfilled to the letter.

If councils in their wisdom should decide to adopt all the recommendations by the insurance people it would mean an additional expense, which has been variously estimated all the way from \$50,000 to \$100,000.

The leading members of both branches of councils are unanimous in asserting that the expenditure of this sum in addition to the regular fire department appropriation during the coming fiscal year is entirely out of the question. Unless the assessment just made is raised from a one-third to a two-thirds valuation it would not be out of the question, but also absolutely impossible, they say, for the reason that the city has for the past four or five years been collecting the full ten-mill levy allowed by law, or to use a slang phrase, "going the limit." Flipping in this ten-mill levy for the coming year as part of the estimated revenues for the coming year, the estimated expenses now exceed the revenues by over \$60,000, without taking into consideration at all the recommendations made by the insurance men.

If the assessment was raised from a one-third to a two-third valuation it would be possible to raise the extra funds, but the burden of taxation on each individual taxpayer would be greater than it has been in any year in the history of the city.

The supporters of the Chittenden ordinance providing for the reorganization of the fire department, which

measure was recently defeated in the common council, but which has now been incorporated in the general second-class city reorganization ordinance, have strong hopes of securing its passage in the common council within the next few weeks. No trouble is anticipated in respect to which the ordinance's original ordinance went through with very little opposition.

In the common council, upon the night on which the ordinance was defeated, there were ten members who voted for and six who voted against it. Councilman Harvey, of the Thirtieth ward, who is strongly in favor of the ordinance, was unfortunately unable to attend the meeting, but has promised Mr. Keiser, who is leading the fight, that he will surely be on hand when the measure comes up again. Mr. Keller contra upon retaining all the other ten votes and securing several additional ones.

Chief Ziehm's recent letter to the council, in which he stated that on account of the lack of proper rules in the department the permanent men take great delight in mapping their fingers in his face and doing as they please, is taken as one of the very best arguments yet advanced in favor of the reorganization ordinance. This measure provides for the appointment of a foreman from among the paid men of each company, this foreman to be held directly responsible to the chief for the men under his control.

The Columbia Hose company, of West Scranton, claims to have upon its rolls the largest number of public officials of any company in the city. The city officials include City Assessor or Gwyn Jones, Assistant City Recorder D. J. Davis, Controller's clerk, John A. Howell, Engineer's clerk, Franklin Phillips, Select Councilman Joseph Oliver and Common Councilman A. L. Lewis. The men who now write ex before their names, and who
