NEW TRIAL IN DUFFIN CASE

JUDGE ARCHBOLD SAYS VERDICT WAS EXCESSIVE.

Suit in Which the City of Scranton Was Adjudged Liable for \$7,000 Damages Will Have to Be Tried Over Again—For a Third Time the Efforts of the Pyne People to Get Away from Lackawanna Township Are Defeated by Faulty Advertising—Court House Notes.

The verdict of \$7,000 which Miss Mary Duffin secured against the city of Scranton at the January term of civil court was set aside yesterday by Judge Archbold on the ground that it was excessive.

The evidence connecting her present physical impairments with the accident of seven years ago, to which she attributes them, is, to say the least, unsatisfactory, the judge declares, and the jury would probably have realized this had their attention been more carefully called to her condition.

Miss Duffin, it will be remembered, tripped and fell over a flywheel which was lying in front of the Scott property on Adams avenue.

Five years ago when an attempt was made to carve Pyne borough out of these same township lands, the proceedings were annulled because the advertisements did not appear during the thirty days immediately preceding the time of filing the petition.

The decision annulling the latest proceedings was made yesterday by Judge Archbold, who also passed on the other two cases.

A third opinion by Judge Archbold dealt with the divorce case of Frank H. Young against Nellie S. Young.

The case is peculiar and at first I had grave doubts about the propriety of granting a divorce, but after calling in a competent lawyer and examining her thoroughly, I am satisfied that the libellant is legally entitled to the divorce for which she asks.

The respondent appeared before me in person and in fact all of the modern machinery used in road making, and we will put down a road that will be as broad and smooth as an asphalt pavement.

A considerable amount of cutting will have to be done where the road passes through the mountain to get the necessary twenty-five foot roadway.

On the north side of the road a great deal of drilling and blasting will soon be at work on that.

The Abington Turpike company has been most viciously abused in the past, and many uncomplimentary things have also been said about the Northern Boulevard company.

I don't think we are being fairly dealt with by the Abington company, for a very modest toll, kept possible the only road by which the region north of the mountain can be reached.

"The boulevard company proposes to build a magnificent roadway that will be of great advantage to the city in many ways. It occurs to me that we ought to get some encouragement rather than constant abuse."

MOTION NOT YET MADE. Illness of City Solicitor Vosburg Disarranged the Plans.

No motion was made yesterday, as had been agreed upon, to request court to advance the time for the hearing in the quo warranto proceedings brought by ex-Senator McDonald to test the "tripper."

This was due to the illness of City Solicitor Vosburg, who is senior counsel for the recorder.

Mr. Vosburg hoped yesterday to be able to appear today, but if he is not, one of the associate counsel, Mr. Torrey or ex-Judge Knapp, will act.

It is proposed to ask that the case be advanced to Thursday of this week. It is now set for next Tuesday.

MEYERS HELD IN BAIL. Edward Meyers, of 417 South Washington avenue, was held under \$300 bail by Alderman Miller last evening on the charge of assault and battery.

SICHEL'S "MADONNA."

How to Obtain a Platinum Copy 12 1/2x16 1-2 in Size Free.

There is no painting among the modern masterpieces of art that appeals so strongly to the hearts of mankind as Sichel's "Madonna." It is said no amount of money could buy the original.

A platinum copy of this painting 12 1/2 by 16 1/2 in size, would cost from \$2 to \$3 per copy in any first-class picture store in this city, but owing to the liberal offer of the Norman Lichty Manufacturing company, it will be possible to obtain a copy within a few days absolutely free.

The firm recently secured 50,000 copies of this famous painting for free distribution. They are 12 1/2 by 16 1/2 in size and have no advertisements upon them.
