

NEVER IMITATED IN QUALITY.

AN EXCELLENT COMBINATION.

The pleasant method and beneficial effects of the well known remedy, SYRUP OF FIGS, manufactured by the CALIFORNIA FIG SYRUP CO., illustrate the value of obtaining the liquid laxative principles of plants known to be medicinal, laxative and presenting them in the form most refreshing to the taste and acceptable to the system.

In the process of manufacturing figs are used, as they are pleasant to the taste, but the medicinal qualities of the remedy are obtained from senna and other aromatic plants, by a method known to the CALIFORNIA FIG SYRUP CO. only.

MUST PAY THE LARGER FEE. COURT'S DECISION IS AGAINST LIQUOR MEN'S CONTENTION.

Licenses This Year Will Cost \$1,100 Unless the Supreme Court Can Be Brought to Reverse the Local Judges—No Opinion Accompanied the Decision, but One Will Be Forthcoming Shortly—Will Have the Effect of Reducing the Number of Licensed Drinking Places.

IN THE CASE OF M. P. Flynn against County Treasurer Seranton, brought to test the question of whether liquor dealers in Scranton would pay \$1,100 or \$50 for their licenses this year, the court yesterday decided that the larger fee will have to be paid.

NO OPINION ACCOMPANIED THE DECISION, BUT IT WAS ANNOUNCED BY ARCHBOLD THAT AN OPINION SETTING FORTH THE REASONING FOLLOWED BY REACHING THIS DECISION WOULD BE FORTHCOMING IN A SHORT TIME.

THE LIQUOR DEALERS WILL TAKE THE CASE TO THE SUPREME COURT, AND THOSE OF THEM WHO PROPOSE TO TAKE OUT THEIR LICENSES, WILL PAY THE ADDITIONAL \$500 UNDER PROTEST.

AS IT IS HIGHLY IMPROBABLE THAT A DECISION CAN BE SECURED FROM THE SUPREME COURT BEFORE NEXT SATURDAY, WHICH IS THE LAST DAY FOR TAKING OUT LICENSES, AND AS IT IS ALSO QUITE IMPROBABLE THAT THE DECISION OF THE LOWER COURT WILL BE REVERSED, IT CAN BE EXPECTED THAT A LARGE NUMBER OF THE LICENSES GRANTED A WEEK AGO WILL NOT BE TAKEN OUT.
