### Partners Are Against Him.

An injunction and the appointment of a receiver was asked for yesterday by Ambrose L. Spencer, in a bill in equity, which he filed against his partners, Frederick H. Emery and Thomas R. Hughes. They are engaged in business under the firm name of the Emery Slate Picker company.

The petition, which was filed for Mr. Spencer yesterday by his attorneys, James K. Gearbart and O'Brien & Martin, asks to have the partnership dissolved, wants the defendants restrained from buying or selling for the firm or collecting any of its debts. Mr. Scencer wants a receiver appointed to take charge of the affairs of the firm, that the rights of each of the partners may be ascertained. He alleges that his partners have combined against him and are depriving him of his just stare in the profits and management of the business
