

WEST SCRANTON

MEETING OF THE BOARD STILL AGITATING BETTER STREET CAR SERVICE.

Letter from General Manager Silliman Does Not Give Much Hope. Officers Nominated—C. E. Daniels the Unanimous Choice for President—Resolutions on the Death of H. D. Jones—Prohibition League to Give an Entertainment—Events of This Evening—Other Notes.

President Charles E. Daniels was unanimously re-nominated by the West Side board of trade last evening to succeed himself as the directing head of the organization for the third term. Jenkin T. Reese was named for vice-president, Wallace G. Mason for secretary and William Farrell for treasurer.

The board also appointed special committees to confer with the street railway company with a view to improving the service between the central city and West Scranton and also to arrange for a reception and social at the annual meeting, which will occur next month.

In response to the resolutions passed at the last meeting relative to the running of street cars all night and better service, a communication was read from General Manager Silliman, which stated that it is impractical to run a greater number of cars to West Scranton than are run at present, owing to the frequent blockades at the Delaware Lackawanna and Western crossing. The business after midnight, Mr. Silliman says, would not warrant all night cars and the same reason prevents more frequent trips on the Washington street line.

President Daniels reported that several councilmen have in mind a plan for obtaining better street car service. The poor service of the system and the overcrowded condition of the cars was discussed by several members. On motion of Robert J. Williams, a committee of three was appointed to confer with the councilmen and the street car management, looking to a betterment of the service. The committee named were: R. J. Williams, B. G. Morgan and L. P. Williams. A communication was read and adopted on the death of the late Henry D. Jones.

The West Side board of trade desires hereby to publicly note its sorrow and regret over the death of the late Henry D. Jones.

ABOUT THIS TIME LOOK OUT FOR COUGHS and COLDS TAKE DUFOR'S FRENCH TAR.

Mr. Jones was one of the charter members of this board of trade, and served in an official capacity for many years. He did much for the welfare of the board and was active as a member until a few months ago, when falling health compelled his resignation.

Mr. Jones was instrumental in the making of many improvements in Hyde Park, always working actively for the material advancement of this section of the city. His work as a citizen was attested by all who knew him.

Resolved, That this resolution be made an order of the minutes on the records of this board, this 10th day of April, A. D. 1901.

The following officers were nominated by acclamation: President, Charles E. Daniels; vice-president, Jenkin T. Reese; secretary, Wallace G. Mason; treasurer, William Farrell.

T. Fellows Mason, A. B. Holmes, Dr. W. Rowland Davis, G. A. Williams and W. R. Hughes were appointed a committee to arrange for a reception and social session after the annual meeting on the second Tuesday in May.

NERVOUS DYSPEPSIA. A CURE FOR IT.

Not a Patent, Cure-all, Nor a Modern Miracle, but Simply a Rational Cure for Dyspepsia.

In these days of humbuggery and deception, the manufacturers of patent medicines, as a rule, seem to think their medicines will not sell unless they claim that it will cure every disease under the sun. And they never think of leaving out dyspepsia and stomach troubles. They are sure to claim that their nostrum is absolutely certain to cure every dyspeptic and he need look no further.

In the face of these absurd claims it is refreshing to note that the proprietors of Stuart's Dyspepsia Tablets have carefully refrained from making any untrue claim or false representation regarding the merits of this most excellent remedy for dyspepsia and stomach troubles. They make but one claim for it, that for indigestion and various stomach troubles Stuart's Dyspepsia Tablets is a radical cure. They go no farther than this and any man or woman suffering from indigestion, chronic or nervous dyspepsia, who will give the remedy a trial will find that nothing is claimed for it that the facts will not fully sustain.

It is a modern discovery, composed of harmless vegetable ingredients acceptable to the weakest or most delicate stomach. Its great success in curing stomach troubles is due to the fact that the medical properties are such that it will digest whatever wholesome food is taken into the stomach, in no matter whether the stomach is in good working order or not. It rests the over-worked organ and replenishes the body, the blood, the nerves, creating a healthy appetite, gives refreshing sleep and the blessings which always accompany a good digestion and proper assimilation of food.

In using Stuart's Dyspepsia Tablets no dieting is required. Simply eat plenty of wholesome food and take these Tablets at each meal, thus assisting and resting the stomach, which rapidly regains its proper digestive power, when the Tablets will be no longer required.

Nervous Dyspepsia is simply a condition in which some portion or portions of the nervous system are not properly nourished. Good digestion invigorates the nervous system and every organ in the body.

Stuart's Dyspepsia Tablets are sold by all druggists at 50 cents per package.

They are manufactured by the F. A. Stuart Co. of Marshall, Mich.

Any druggist will tell you it gives universal satisfaction.

DUNMORE.

The borough council, accompanied by all the other borough officials, made their annual tour of inspection yesterday. The condition of the streets were certainly in elegant shape for inspection, and no doubt after their day's ride through our muddy streets the council will be in a good frame of mind to take action on the recommendation in the message of Burgess Burschell that some permanent macadamized streets be made each year.

Instead of the present poor arrangement, the council will meet in special session tonight, when the observations of yesterday will receive attention at the hands of the various committees.

The bazaar conducted by the Ladies' Aid society of the Presbyterian church will be held at the home of Alex. Brydon, on Dudley street, on Thursday and Friday, April 11 and 12, from 10 until 10 p. m. Many useful and fancy articles will be offered for sale, refreshments will be served and a pleasing program of vocal and instrumental selections will be rendered each evening. An admission fee of five cents will be charged. A cordial invitation is extended to the public to visit the bazaar.

A large number were present last night at the entertainment at Washington hall, under the auspices of the Catholic Mutual Benevolent association. The affair given by this society are growing more and more popular as is attested by the increasing number in attendance.

Clarence Jackson, Drinker street, while performing his duties as fireman at Murray's mine on Monday, was severely burned by steam about the face and chest. At this time he is resting easily and Dr. Winters, who was called, anticipates no serious result.

Leander Barton has returned to his duties at Washington, D. C., after an extended stay with friends in town.

J. Harrington Young has returned to his studies at the University of Pennsylvania, Philadelphia.

Miss Griffin's Readings.
The entertainment given at the Puritan church Monday night by Cora Morris Griffin was a glowing success. At this, her first affair in Providence, she was greeted by an immense audience, the church being crowded to the doors. Miss Griffin's reading of "Michael Strogoff" was wonderful in its portrayal. The excellent manner in which she expressed herself in humor and pathos excited considerable comment.

The beautiful voice of Mrs. Lizzie Hughes-Brundage delighted the audience, and the graceful work of Miss Constantine and the recitations of Lita-Maud Weatherhog created very favorable comment.

IS WANTED IN CLEVELAND.
Thomas Connors to be Turned Over to Police of That City.

The local police have discovered that Thomas Connors, who was taken into custody with Isaac Posner for relieving a man of \$40 one day last week in the Hotel Columbia, is wanted in Cleveland, O., for burglary.

It is understood that letters were found in his clothes which aroused the suspicions of Chief Robling. He communicated with the Cleveland police and the latter sent on a picture of the man wanted in that city, together with a minute description of him. The picture was an exact likeness of Connors, whose right name is said to be Stephen Fanning and the last name mentioned in the description were all found upon his person.

He claims it is all a mistake, but requisition papers are being secured.

DALTON.
Scranton Agent Freeman has moved his household goods into the house formerly occupied by Mr. and Mrs. Andrew Terrill.

Arthur Northup, a student in an medical department at the University of Pennsylvania, spent last week at the home of his parents in Dalton. He was apparently observed in both churches on Sunday at the morning and evening services. The pulpit of the Methodist church was beautifully decorated with flowers and garlands and special singing was rendered by the choir. In the evening the pastor, Rev. A. W. Coover, preached a sermon to children, illustrated by candles. At the Baptist church there was upon the platform a tasteful and showy arrangement of palms, ferns and flowers. In the morning the choir rendered Easter music and the pastor preached upon "The Resurrection of the Dead." In the evening an Easter programme was rendered by the choir and Sunday school, which was greatly enjoyed by the large audience present, notwithstanding the unfavorable weather.

The members of the Christian Endeavor society will hold a warm sugar and ice cream social in the church on Friday evening, beginning at 7 o'clock.

The empty houses in this place are rapidly filling up, since there have been new arrivals in town every day. Dalton is becoming more popular than constantly as a place of residence, not only for the summer months, but permanently. One thing patents consist in locating in a town is the character of the schools.

Tailor-made Suits

There is only one way of testing the completeness of our Suit and Wrap Department, and that is by personal inspection.

True, we can give you a technical description of the new arrivals, but even then you have no idea of the beauty, style, fit and finish that must characterize every garment that enters this big store.

One number that will be very popular is an Eton style at \$9.98. The general outlines of the garment are the same as the higher priced ones, while the cloth is not quite so fine, it will wear fully as well. The colors are tan, blue and grey.

Another at an advance of two dollars, or the \$11.98 Suit, is made of Broadcloth, Venetian or Covert. The style is Eton, lined with taffeta silk, and has Bishop sleeves. The skirt is of the Florence design.

Millinery

Just to give you some idea of our millinery endeavors we will tell you about our \$5.98 Hat. It's the new shape called Pancake, the straw of which it is made comes in assorted colors, chiffon tucks form a part of the general framework. It is trimmed with flowers and black velvet ribbon. The price is \$5.98.

There is no doubt that Dalton cannot be surpassed by any other town in its public school system and corps of instructors. Again, the religious side of town can be fully met in the two churches of the town if one loves the beauties of landscape and its use all of the country, Dalton is the place to see these things. From present indications a building boom will soon have to be inaugurated in order to find homes sufficient to accommodate those who decide to reside here. There is plenty of room for a greater Dalton and may it speedily be realized.
Rev. A. W. Coover left yesterday to attend in Methodist conference at West Pittston.
