**BATTLE IN JONES' PLACE.**

Officers of the Municipal League Had a Lively Time Trying to Make an Arrest Last Night.

Agent Robert Wilson, of the Municipal league, and Constable T. S. Huffling, employed by the same organization, had a tough encounter last night with a gang of bar room loafers in South Jones' saloon, at the corner of Penn avenue and Spruce street, but managed to come out victorious with the assistance of the police.

Wilson and Huffling had a warrant for the arrest of John Jones, a brother of Seth, charging him with assault and battery upon Marcus Huffling, another officer of the league, and a brother of Constable Huffling. They traced Jones to the saloon, and going in unexpectedly, succeeded in placing him under arrest.

They didn't succeed, however, in leaving the place without a fight. He put up a desperate fight and managed to wriggle out of the officers' grasp and go behind the bar. The bartender, William Swanski, swore by all that was high and holy that he would kill the first man that dared come behind the bar.

Wilson and Huffling, however, started after Jones, despite the bartender's threat, but the whole crowd of frequenters of the place lined up in front of them. John Pichan, a tall, muscular chap, led the rush and made a strike at Wilson. The latter dodged and pulling his club gave Pichan a ringing rap on the side of the head, cutting it open and almost flooring him.

The bartender came out to join in the rumpus and started to attack Huffling. The latter struck him with his club, cutting a deep gash in his head and almost rendering him unconscious. The whole crowd was about to attack the officers when Patrolman Ross and Goerlitz appeared on the scene and order was restored.

Jones had escaped during the excitement, but Pichan and Swanski were arrested and taken before Police Magistrate Hoffman, who fined them \$25 each on the charge of interfering with an officer. The fines were paid by Seth Jones.

**IS AGAIN IN NEED OF FUNDS.**

Only \$7.50 in Treasury of the Associated Charities.

The board of associated charities is again in need of money. Treasurer Kelly at last night's regular meeting reported that there is at present but the paltry sum of \$7.50 in the treasury. Outstanding against the board are bills amounting to over \$50 and the agent's salary for the month of March is yet unpaid.

An earnest effort will be made within the next few days to collect from regular subscribers, whose subscriptions are already overdue, the amount of the same.

Mr. Dugan, the board's agent, reported having investigated sixty-seven of the 92 applications for relief made to her. Of this number forty were found to be worthy and twenty-seven worthy. The commitments to charitable institutions during the month were as follows: St. Joseph's Foundling Home, 4; Lackawanna hospital, 3; St. Patrick's Orphan Asylum, 4.

The secretary was instructed to write to the department of charities and corporation of Pittsburg for the purpose of ascertaining just what institutions are under the control of that department and just what duties devolve upon the director, with the view of discovering just what Director Fuller's powers will be if he ever actively assumes the duties of his office.

**CARPENTER FOR JUDGE.**

Harrisburg Dispatch Says He Will Be Named This Week.

The following dispatch was printed in yesterday's Philadelphia Press:

Harrisburg, April 15.—Governor Stone will this week fill the vacancy in the Lackawanna county court, vacated by Judge Archibald's resignation. The probability of the new candidate is in the person of the late city solicitor Volburg and Senator Vosgien.

**WORK OF THE PRESBYTERY**

MANY INTERESTING MATTERS CONSIDERED.

Rev. Frank Milman Granted a Certificate of Dismission to the Presbytery of Lehigh—Very Favorable Impression Made by Julius Hamborsky, Whose Father Has Done Splendid Work Among the Foreign Speaking People—Reports Read by Drs. Robinson and Logan.

A large amount of business was transacted at yesterday's session of the Lackawanna presbytery. They will be continued today.

The morning session of the presbytery opened with devotional exercises. M. S. Cook was elected clerk. Rev. R. Webster, as usual, was assistant. The minutes of the previous sessions of the year were read and approved. The minutes of the previous evening were read and approved. Rev. Dr. McLeod was unanimously elected temporary chairman. The moderator announced the following standing committee:

Bills and Ordinances—Rev. W. G. Funk, Rev. T. J. Colclough, Rev. F. S. Armentrout, W. B. Holmes, William Repp.

Judicial—Rev. Dr. Jas. McLeod Thornton, A. Mills, Rev. Charles Lee, W. D. Dickson, H. H. Wells, Jr.

Leave of absence—Rev. F. E. Armentrout, Rev. L. R. Foster.

At the request of Rev. Dr. S. C. Logan, D. D., a committee of three consisting of Rev. Von Krug, W. H. Swift, and Rev. S. C. Logan was appointed to examine Paul J. Hamborsky and report to the Presbytery his application for licentiate. Rev. John Kennedy requested the Presbytery to sever the pastoral relations between the central and Scott church to accept a call to Clement Presbytery, Detroit. B. T. Reynolds and Clovering Gordillon, commission of that church, were heard and it was stated that the church concurred with the pastor's resignation. Rev. H. J. Crane was appointed to preach in Scott church next Sunday and declare the pulpit vacant.

**A CALL READ.**

A call from Wyoming church for pastoral services of Rev. W. H. Watkins was read by the stated clerk. Members J. J. Gould and Isaac E. Edwards, committee from that church, were heard. Rev. W. H. Watkins and Elder J. J. Gould were appointed a committee to suggest arrangements for installation.

The judicial committee reported in reference to John Jones, who had been unanimously recommended that a certificate of dismission to the Presbytery of Lehigh be granted him.

A call from Forest City church for pastoral services of Rev. William Hollingshead was read. The commission from the church, Homer Gavitt and J. H. Michael, were heard and the call was accepted by Mr. Hollingshead. He, together with Rev. Charles Lee and Elder H. Gavitt were appointed a committee to arrange for installation.

The afternoon session was called to order by Vice Moderator Sewall, of Athens. Three applications for the licentiate came forward and were questioned by their conversion, faith and call to the ministry. The first was Frederick Jessup, son of Dr. Henry H. Jessup, missionary in Beirut. The second was Arthur H. Woodworth. Both spoke earnestly and convincingly of their desire to enter the service of God as ministers of His Word.

**COLLIERY CHANGES HANDS**

Oxford Purchased by James L. Crawford and James G. Shepherd.

A deal has been consummated between the People's Coal company on the one side and James L. Crawford and James G. Shepherd, on the other, as a result of which the Oxford colliery, on Tenth street, will be operated by Messrs. Shepherd and Crawford. The entire stock of the People's company was purchased \$100,000 being the consideration.

Mr. Shepherd, who has been district superintendent of the Temple Iron and Coal company since the organization of the concern, will tender his resignation, to go into effect May 1, and will devote himself to the new venture.

The greater part of the stock of the People's company was controlled by the seven following directors: John A. Boland, C. E. Boland, W. P. Boland, E. J. Robinson, W. M. Finn, John Van Bergan and J. M. Boland.

Mr. Mears was president and W. P. Boland, secretary. It is only recently that they operated the Oxford, purchasing it from the Delaware, Lackawanna and Western company. The colliery employs about two hundred men and has a daily output of between three hundred and fifty and four hundred tons of coal.

The new owners declare that few changes will be made in the management of the colliery, with the exception of the departure of Messrs. Mears and Boland. Both Mr. Shepherd and Mr. Crawford are well known figures in the anthracite mining field.

Mr. Crawford, who was for many years general superintendent of the Temple Iron and Coal company, retired two years ago from active work on account of ill health, but has since been identified with the concern in an advisory capacity. Mr. Shepherd has established an enviable reputation for himself by his attendance to the duties of district superintendent. It is not yet known who will succeed him.

**CREATED A SENSATION.**

The last candidate made a pronounced sensation as the slender boyish figure arose, the fair sunny countenance, the shining eyes and wrapt look gave an impression which was not easily shaken off. The boy, for he was only that, spoke in broken accents and with touching simplicity. He is a Magyar, son of the late Hungarian, Frederick Jessup, son of Dr. Henry H. Jessup, missionary in Beirut. The second was Arthur H. Woodworth. Both spoke earnestly and convincingly of their desire to enter the service of God as ministers of His Word.

**CATHOLIC HISTORICAL SOCIETY**

Attorney John Gunster on the Church and Civil Law.

Attorney John Gunster read a very able paper last night before the Catholic Historical society on "The Church and Civil Law." He sought to prove that the Catholic Church has had much to do with the shaping of the basic principles of modern civil law.

He ridiculed the idea that the Catholic church is opposed to a republican form of government, that has since been identified with the concern in an advisory capacity. Mr. Shepherd has established an enviable reputation for himself by his attendance to the duties of district superintendent. It is not yet known who will succeed him.

**THOSE BUNK AND CALL MEN.**

Not Enough Money to Pay Them Even if They Are Secured.

According to computations made by Director of Public Safety Hitchcock and Chief Zigelmann of the fire department, the \$3,000 which the appropriation ordinance proposes should be set aside for bunk and call men will only go a third of the way towards meeting that expense.

It is figured that there is an average of one alarm a day and taking last Sunday morning's fire as a criterion, it will cost \$28 for bunk and call men for each fire, or \$10,320 for a year's fire. Director Hitchcock will ask for an additional appropriation.

The examination of the applicants for the new places in the fire department has been completed and the board is at work on its report.

Out of the 450 men comprising the volunteer department, only 97 made application for the 115 positions and only 32 of the 97 applied for the bunk and call places, the other 65 being candidates for the 22 new full paid permanent places.

Under the terms of the ordinance it is permissible to draft recruits from outside the companies if the present firemen do not come forward in sufficient number to fill out the quota. Recorder Mair and Director Hitchcock both say this will be done if necessary. They believe, however, that after the twenty-two full paid positions are filled a large number of the disappointed candidates will be content to accept the bunk and call places.

At present, there are thirty-five full paid men in the fire department. The

cluded not only the one hundred and more delegates in attendance at the sessions of the Presbytery, but also a goodly sprinkling of people from our local Presbyterian churches. The meeting was in the interests of the Board of Freedmen and was presided over by Rev. Dr. Moffat, chairman of the Presbytery's committee on freedmen's work. Following the invocation the scripture lesson was read by Rev. J. R. Zeigler, of Maitly, and prayer was offered by Rev. Dr. Sawtelle, of Athens.

**WEST ENDER'S ARE WINNERS**

WILKES-BARRE BOWLERS CLIMB INTO THIRD PLACE.

They Took Three Games from the Black Diamonds Last Night on Their Own Alleys—Wilkes-Barre's Second Team Lost Two Out of Three Games to Bicycle Club. Backus Team Rolls Foot Match with South Scranton Bowlers on the Backus Alleys.

As a result of last night's league bowling there were many changes in the standing of the teams, the Wilkes-Barre West End Wheelmen making the greatest upward strides. The Wheelmen downed the Black Diamonds in three games on their home alleys, and as a result advance from fifth to third, while the Diamonds fell to fifth. The percentage table follows:

Team	Won.	Lost.	P.C.
Bicycle club	17	4	.810
Backus club	7	4	.639
West End	3	7	.304
West End No. 2	2	10	.141
Black Diamonds	2	13	.138
Elks	1	11	.082

The West Enders' second team played on the Bicycle club alleys, making dropping two out of three games, were passed by the Wilkes-Barre first team in the race. The bowling on the Bicycle club alleys was only another demonstration of the strength of the local team, which has rolled in such splendid form throughout the entire tournament. A total of 2537 pins was amassed to the Wilkes-Barreans 2235. In the first game the visitors bowled in excellent form and won out by thirty-six pins.

Charles Moore and Dr. Wardell, of the local team, were tied for the high score with 203 each, and Moore had the night's average, 179 1-3. Roper took Van Warner's place on the team and bowled a fast game. The detailed score was as follows:

**GROUND WAS BROKEN.**

Excavating for the Foundation of the Colliery Engineer Printing Plant Has Begun.

Ground was broken yesterday morning for the printing office of the Colliery Engineer company and within a few days work on the sub-structure will be begun with a view to the erection of a two-story building, and over one hundred men employed. M. J. Ruddy is the contractor who is in charge of the work and the contract for the work of erecting the superstructure of the big new works, as well as the opening excavations and foundation as various necessary detail drawings are completed. The site of the building is on Wyoming avenue, between Ash and Poplar streets, and when finished the printing plant will be open within the next few weeks. After carefully examining nearly all of the new wheels for 1901 we have selected the following line, first, the old reliable Spalding, followed by the Cleveland, Iver Johnson, Crescent, Nyack and Laclede. Every one of them guaranteed by the best makers in the business. Prices to suit every one, chain wheels from \$25.00 to \$50.00; chainless from \$50.00 to \$75.00; coaster brake \$5.00 extra; also a nice line of boys and girls wheels.
