The first preliminary races comes off on Wednesday, April 17.

Last Sunday the Rev. J. Henry Haslam, of the First Baptist church, of Williamsport, delivered the annual sermon before the College Christian associations.

Monday evening last the Girls' Dramatic club presented "Roberta's Triumph" before a select audience. The affair was a great success and reflects great credit upon the members of the organization and upon Miss Schilling, their instructor.

Pretty faces, charming manners, dazzling colors and exquisite taste combined to make the annual college girls' reception of last Friday night a marked success as a social event of the life at Bucknell. Seldom, if ever, were the decorations so tastefully and artistically arranged. The orchestra, half hidden by a bower of palms, added its witchery to the already charming happy, smiling faces were everywhere and soon all were under the influence of the bright surroundings and in evidence. The concert, arranged in the west parlor, attracted much attention and favorable comment from all. The girls are to be congratulated on their success.

Saturday the base ball season was opened by a rather loosely played and uninteresting game with Bloomsburg State Normal school. The visitors won by their hard hitting which in the sixth inning was terrific. The score: Bucknell..... 2 0 0 2 0 0 0 7 Bloomsburg..... 2 0 0 2 1 0 2 7

NEW PISTOL FOR THE ARMY.

Luger Leads in the Test by Experts. By Exclusive Wire from The Associated Press.

Washington, D. C., April 16.—The army is to be immediately provided with a new and improved type of pistol. The Luger, recently officially adopted by the Swiss government, was selected by the board of ordnance, and it is recommended that 35,000 be allotted for the immediate purchase of 1,000, to be distributed among the troops of regular cavalry.

The results obtained at the test of the Luger were extremely gratifying. The shape is better than that of the Colt. The Luger fired 116 shots per minute against forty by the Colt. Out of a total of thirty shots fired at a target from the Luger, twenty-eight struck home, and when the same man fired at the same target twenty-eight shots from the Colt he was only able to make nine targets. If the new automatic pistol proves as efficient in actual use, the results of the test will be generally distributed in the army.

ORONATION OF EDWARD.

Major General Corbin Will Represent United States at the Ceremonies. By Exclusive Wire from The Associated Press.

Washington, April 16.—It is probable that Major General Corbin, adjutant general, will be named to represent the United States at the coronation of King Edward VII. This ceremony is understood to follow closely the expiration of the year's mourning in memory of the late Queen Victoria, which would bring the date about February next. It is realized, however, that following a precedent already established in England, the period of mourning may be curtailed as a concession to the trade interests of London, which suffer severely thereby, and the coronation may take place some time next fall.

THE MARKETS.

Wall Street Review. New York, April 16.—The stock market gave evidence that the speculation still retains an abundant vitality, but nevertheless the tone was extremely feverish and at times very nervous.

An opportunity was given during the morning to see the condition of the market, and the general impression was that the market was in a state of extreme nervousness. The market was very active, and the volume of business was large. The market was very active, and the volume of business was large.
