GRUESOME DISCOVERY

BOYS UNDEARTH WHAT APPEARS TO BE HUMAN HANDS.

While Playing Near the Mt. Pleasant Culp Dump They Found the Bones of Either Two Right Hands or the Feet of Some Peculiar Animal—Dr. Raymond's Skeleton Stolen by the Yellow Kids—Prohibition League and Salvation Army Rallies—Funerals and Accidents.

A number of boys were playing near the Mt. Pleasant culm dump, opposite E. Robinson's power house, last evening, when they unearthed what appears to be the bones of two human hands, yet there is much doubt in the minds of those who have seen them as to whether they are really hands or the feet of some peculiar animal.

When the discovery was made Paulman Thomas Jones was notified, and when he arrived on the scene a curious crowd had assembled and all seemed puzzled regarding the exact nature of the bones. The findings were turned over to Lieutenant Williams, who later exhibited them to a number of people at the station house.

They appear to be two right hands, saved off at the wrists, yet the thumbs are missing, and the bones are exactly like fingers, yet the tips of them have what might be called knobs on them. In what appears to be the palms of the hands the flesh that remains on the bones is bunched and quite thick and from the inside resemble an animal's foot, while the outside looks exactly like a human hand.

Several physicians examined the findings, but were unable to tell what they were. The deputy coroner was unable to solve the mystery, owing to his lack of knowledge along anatomical lines, and unless somebody volunteers to unravel the mystery Lieutenant Williams will send the hands—right or left—to some medical college.

The findings are to be seen at the Jackson street police station.

About the time the above discovery was made, Lieutenant Williams was informed that a "light" was seen in the rear of Dr. Raymond's office in the West Side bank building. He told his informants to notify the board of health, and when further inquiries had been made the alleged ghost had disappeared.

When the "light" was seen it appeared in their natty uniforms and the ladies were becoming gowns. About one hundred couples participated in the grand march, which was led by Daniel Lenihan and Miss Hannah Graney.

The program was made up of plain quadrilles, waltzes, two-step, minut lancers, Yorks, five-steps, Sin-bads, and other dances, and each one was thoroughly enjoyed to the excellent accompaniment played by Miss Kate Leonard.

The affair was in charge of the following officers and committees: Master of ceremonies, Daniel Lenihan; assistant master of ceremonies, John McAndrew; floor manager, Harry L. Rainey; assistant floor manager, John F. Langan.

Salvation Army Celebration. The local corps of the Salvation Army yesterday began a three days' celebration of their sixteenth anniversary. During the day a number of visitors arrived, and after a street parade and open-air concert at the corner of Main avenue and Jackson street last evening, a rally was held at the barracks on Price street.

Philip Carlin Buried. The funeral of young Philip Carlin, who died on Sunday at his home on Scranton street, occurred Tuesday afternoon, and was attended by many friends of the family. Short services were held at St. Patrick's Catholic church, and interment was made in the Cathedral cemetery.

At 9:30 o'clock this morning a solemn high mass will be celebrated at St. Patrick's Catholic church on Jackson street. Rev. T. B. Donovan, of Montross, Ala., who accompanied the remains to this city, will participate in the services. A number of local priests will also assist in the mass. Interment will be made in the Catholic cemetery.

Neary, whose husband was laid to rest last Saturday afternoon. Many sorrowing relatives and friends were in attendance at the services, which were held at the house on South Main avenue. The remains were taken to the Chinchilla cemetery for interment.
