## WE WILL HAVE A FAST TEAM

WEST SCRANTON IS TO BE REPRESENTED.

Local Knights of the Diamond Who Will Probably Be Members—Farewell Reception to Be Held This Evening in the Simpson Church. Weekly School Deposits—Programme That Will Be Rendered by the Pupils of Miss Sadie Jones. James Butler Held in Bail.

West Scranton base ball enthusiasts are well known as being among the city's most ardent rooters, and now, as the merry crack of the hickory meeting the horse hide sounds in the balmy spring atmosphere, talk of a team to represent this portion of the city becomes general.

It is not likely this season that among all the local amateur teams there will be a faster one than the nine which will uphold West Scranton on the diamond. It is doubtful if there is a section of the city from which can be drawn such a great quantity of base ball talent as this side, and therefore let all central city and suburban teams beware.

Professor David Owens, the ex-Young Men's Christian association star, whose ability both as a fielder and batsman are well known, is mentioned as the possible captain of the team. George Harrington and "Billy" Gallagher, who formerly played with the Scranton High school and strong West Scranton teams; Kellett, "Bricky" Phillips, the High school catcher, and numerous other excellent ball tossers make up the quota from which will be drawn the nine.

Reception This Evening. The members of the Simpson Methodist Episcopal church and congregation will tender a farewell reception this evening to Rev. J. B. Sweet, D. D. and wife, prior to their departure for Oneonta, N. Y., where Dr. Sweet was assigned by the Wyoming conference recently.

The event will take place in the lecture room of the church and will be very interesting. Addresses will be delivered by several members of the church, and all are cordially invited to attend.

The family, the neighborhood and the church all benefited by the practical good sense and helpfulness of Mrs. Nichols. No words can express how much she will be missed by those who are nearest. ## NORTH SCRANTON

MEETING OF BOARD OF OFFICERS OF M. E. CHURCH.

They Discussed the Condition of the Church Finances—John Duffy Crushed Under Fall of Rock at the Montana Mine—Mrs. David Evans Struck by a Street Car—William Petrox Charged with Appropriating Funds of St. Stanislaus Society—Other News Notes.

The first meeting of the officers of the Providence Methodist Episcopal church for the conference year was held last night. The meeting was well attended and an ample discussion was held on the church finances.

It was decided to issue a quarterly statement showing the financial condition and general standing and it was also determined to commence the work of reimbursing the monetary state of the church next Sunday. There is a \$1,500 debt, which is to be paid during the year and the sum has already been pledged. The entire meeting was characterized by a thorough spirit of energy and zeal.

Accident to John Duffy. John Duffy, a well known middle-aged man of this section, was painfully, if not fatally, injured yesterday morning at 11 o'clock at the Montana mine of the Scranton Coal company, on West Market street. Duffy is employed as a miner and while coming out he was about one hundred feet from the bottom of the shaft when several tons of rock fell upon him, crushing him to the ground.

Other employees who were with Duffy quickly came to his assistance and commenced at once to remove the debris. After some hard work they managed to get Duffy from beneath the rock and took him to the surface, after which he was removed to his home, 848 West Market street. Dr. J. Stanton was quickly summoned and had Duffy removed to the Lackawanna hospital, where it was found that his back was injured and that he had received several cuts around the arms.

It was reported last night at the hospital that Duffy was resting easily.

Mrs. Evans Struck by a Street Car. Mrs. David Evans, of Wayne avenue, was struck by car No. 204, in charge of Conductor McHale yesterday afternoon about 2 o'clock. Mrs. Evans, who is the mother of hearing, was crossing the tracks near the square and did not hear the bell ring or the motorman shout before the car struck her.

She was caught in the fender. Patrolman Patrick May, who was on the scene at the time, assisted the lady to the sidewalk, from where she walked to her home.

Misappropriated Funds. The St. Stanislaus society had its treasurer, William Petrox, arraigned before Alderman Meyers last night for using its funds for his own use.

Petrox was placed under \$1,000 bail, which he could not furnish, and he was therefore committed to the county jail to await trial.

Told in a Few Lines. Thomas Pierce, 45 years of age, residing on Parker street, had one of his legs badly fractured yesterday afternoon while at work in the Storrs shaft No. 2. Pierce was working around the mine at his customary duties, when he stepped upon a tie and slipped, fracturing his leg. He was assisted to the surface, where a carriage awaited, and removed to his home. Mr. Pierce has the fracture reduced and is now getting along nicely.

Mary McDonald, of Avoca, has returned home after spending a few days with Miss May Healey, of West Market street.

The North End Stars will play the High Waver Stars this evening at the Auditorium.

A large number of deposits were received at the North Scranton Savings bank yesterday.

Local No. 1367, United Mine Workers of America, will hold a meeting this evening in St. Mary's hall. Business of importance will be transacted.

The choir of the Memorial Baptist church will hold a rehearsal of their cantata, entitled "Our Flag," this evening, and also Friday evening.

LEG CAUGHT IN CHAIN. Albert Ball, of Winton, suffers Painful Accident.
