assurance that we were still alive after our fearful experience of that day.

THEATRICAL.

ACADEMY OF MUSIC.—(Johna Simpkins.)

Thursday Night's Concert.

A most interesting concert will be the song recital given by the celebrated baritone, William Ludwig.

PLAYS AND PLAYERS.

Most of the plays which have made a hit in New York, the past winter will be continued as road attractions for the early part of next season.

Charles Folman's production of "Diplomacy" at the Empire comes to an end this evening.

One of the most amusing burlesques produced in the city is "The King of the Carnival."

TOD SLOAN.

Twenty-eight Years Old and Earns \$100,000 a Year.

James Todhunter Sloan is taken, all in all, as the best jockey of the American turf today.

Sloan gave evidence then of a trait that has well served him in his calling, namely, kindness to dumb animals.

"A good race horse," says this learned youth, "is the best judge of human character. He knows you better than you know him."

"Forty dollars," said the reply, "Oh, too much! too much!"

M. J. HORAN & SON

324 Lackawanna Avenue.

For a picture of abject shame, study the face of a pug dog that is being led through the streets by a dude.

Some men are born strikers, others acquire a place among strikers, while others have strikes thrust upon them.

While a Susquehanna fisherman was angling near Lakesboro on Sunday, he pulled in a large eel.

The famous "belled heron" was seen near Starbuck on Monday.

Both Brown and Mitchell knew the value of that light, for can I impress you with the happiness and confidence it inspired, where all before was despair and conjecture.
