LICENSE TAX DISCUSSED

COMMITTEE WENT OVER ORDINANCE LAST NIGHT. It Was Decided to Recommend the Adoption of Numerous Amendments, None of Which, However, Affect That Part of the Ordinance Providing for a Tax Upon the Gross Receipts of the Big Corporations—The Changes Which Will Be Recommended.

The license committee of the select council met last night in City Solicitor Watson's office and spent two hours and a half in considering the various license tax ordinances proposed by the latter official and introduced in select council last Thursday night by Councilman Cosgrove.

There was a general discussion as to the advisability of reporting favorably upon all of the first section of the ordinance which provides for a tax of two per cent, upon the gross receipts of telegraph, telephone, electric light, heat and power and steam heat companies and for a tax of five per cent, upon the gross receipts of gas, water and street railway companies.

While all of the members of the committee present seemed to favor the imposition of such a tax upon these several corporations nevertheless there was a difference of opinion as to the advisability of providing for all in one ordinance. The members seemed to have a premonition of the strength of the influences which will be brought to bear against this part of the ordinance and appeared a little bit shy of hitting off so much at once.

Mr. Merriman, a member of the committee, gave a little illustration which showed the need of the passage of at least one section of the ordinance. He said that during the past few weeks a sales agent for a big grocery house in Ohio had been soliciting grocery orders from persons in Green Ridge, the goods to be sent on C. O. D. by express. This agent, who is taking trade away from the local
